Incentive Payment Plans

On December 14, 2005, the Organization and Compensation Committee (the Committee) of the Board of Directors (the Board) of The Cooper Companies, Inc. (Cooper) approved the 2006 Incentive Payment Plan (the 2006 Plan) for Cooper and its subsidiaries, CooperVision, Inc. and CooperSurgical, Inc. (collectively with Cooper, the Company), a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference. The 2006 Plan provides incentives to officers and key employees of the Company who are expected to contribute significantly to increasing the Company's revenue, income and cash flow. Participation levels under the Company's 2006 Plan are set at percentages of base salaries previously assigned to designated positions within the Company. Awards will be paid under the 2006 Plan with respect to the Company's 2006 fiscal year, ending October 31, 2006, if the operating business or the Company's consolidated results (depending upon the named participant's employer) meet specified performance targets. Performance targets for named participants employed by an operating subsidiary are tied to the attainment by that business of specified levels of net revenue, operating income and cash flow as defined. For named participants employed by Cooper, performance targets are tied to the attainment of certain levels of consolidated net revenue, net income and cash flow as defined. In addition, a component of the participants' awards may be granted on a discretionary basis by each participant's division head or the Chief Executive Officer, or in the case of the five most highly paid executive officers and named Section 16(b) officers, by the Committee, following an assessment of each participant's performance.
