PAR Technology Corporation (the "Company") is unable to timely file with the Securities and Exchange Commission, its Annual Report on Form 10-K for the year ended December 31, 2011 without unreasonable effort and expense to the Registrant. This is primarily the result of the time and resources which were necessary to complete the required audit of the financial statements of PAR Logistics Management Systems Corporation, in accordance with Rule 3-05 of Regulation S-X following the sale of substantially all of the assets of this business on January 12, 2012. As a result, the Company requires additional time to complete its annual report and permit its independent registered public accounting firm additional time to complete the audit of the Company's consolidated financial statements included within Item 15 of Form 10-K for the year ended December 31, 2011. The Form 10-K will be filed as soon as practicable and within the 15 day extension period.
