Item 8.01. Other Information.

In addition, as described in the press release, the Company's Board of Directors (the "Board") increased to \$150 million its repurchase authorization with respect to any combination of the Company's shares of common stock ("Common Stock") and/or its 8.60% Senior Notes due August 2019, 4.25% Senior Notes due April 2016, 5.625% Senior Notes due April 2024 and 6.90% Senior Notes due March 2042 (collectively, and together with the Common Stock, the "Securities"). These repurchases may be made from time to time at the discretion of the Board's Securities Repurchase Committee at prices that the Company deems appropriate and subject to market conditions, applicable law and other factors deemed relevant in the Company's sole discretion. Such repurchases may be made in the open market, in privately negotiated transactions, or otherwise, including pursuant to a Rule 10b5-1 plan. The Board's authorization does not have a fixed expiration date. All repurchased shares of Common Stock will be held as treasury shares. The Company intends to pay for Securities repurchased with cash currently reflected on its balance sheet.

Prior to today's Board action, there was approximately \$49.4 million remaining under the previous repurchase authorization of approximately \$75 million announced on August 25, 2011.

Information regarding repurchases of Common Stock will be available in the Company's periodic reports on Form 10-Q and 10-K filed with the Securities and Exchange Commission as required by the applicable rules of the Exchange Act.
