Item 8.01 Other Events

Avis Budget Group, Inc. (the “Company”) is filing this Current Report on Form 8-K to recast certain financial information contained in our Annual Report on Form 10-K for the year ended December 31, 2014 (“2014 Form 10-K”) due to changes in our reportable segments.

During the first quarter of 2015, we changed our management structure. Accordingly, the financial results of the Company's North America, South America, Central America and Caribbean operations are now included in the Company's Americas reportable segment. We began to report comparative results under the new organization structure with the filing of our Quarterly Report on Form 10-Q for the quarter ended March 31, 2015.

The information included in this Form 8-K is presented for informational purposes only in connection with the reporting changes described above and does not amend or restate any of our previously issued financial statements, which were included in our 2014 Form 10-K. In particular, there have been no changes to the Company's consolidated results of operations, balance sheets or statements of cash flows. This Form 8-K does not reflect events occurring after we filed our 2014 Form 10-K and does not modify or update the disclosures therein in any way, other than to illustrate the realignment of our management structure. For significant developments which have occurred subsequent to the filing of the 2014 Form 10-K, refer to our Quarterly Report on Form 10-Q for the quarter ended March 31, 2015.

The rules of the Securities and Exchange Commission require that when a registrant prepares, on or after the date a registrant reports an accounting change such as the changes noted above, a new registration, proxy or information statement that includes or incorporates by reference financial statements, the registrant must recast the prior period financial statements included or incorporated by reference in the registration, proxy or information statement to reflect these types of changes. In the event that one of the above may occur, the Company is filing this Form 8-K to recast our consolidated financial statements as of December 31, 2014 and 2013 and for each of the three years in the period ended December 31, 2014, to reflect the changes in segment reporting, as described above. The recast of Items contained in the Company's 2014 Form 10-K is presented in Exhibits 99.1, 99.2, 99.3 and 99.4 to this Form 8-K.
