Report of Independent Auditors

The Board of Directors and Stockholders of UDR, Inc.

We have audited the accompanying combined statement of revenues and certain operating expenses of the Acquired Communities for the year ended December 31, 2014, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the combined statement of revenues and certain operating expenses in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the combined statement of revenues and certain operating expenses that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the combined statement of revenues and certain operating expenses based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined statement of revenues and certain operating expenses is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined statement of revenues and certain operating expenses. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined statement of revenues and certain operating expenses, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined statement of revenues and certain operating expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined statement of revenues and certain operating expenses.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined statement of revenues and certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the Acquired Communities for the year ended December 31, 2014, in conformity with U.S. generally accepted accounting principles.

Basis of Accounting

As described in Note 2 to the financial statement, the combined statement of revenues and certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, and is not intended to be a complete presentation of the Acquired Communities' revenues and expenses. Our opinion is not modified with respect to this matter.

NOTES TO COMBINED STATEMENTS OF REVENUES AND CERTAIN OPERATING EXPENSES

1. BUSINESS AND ORGANIZATION

From October 6-8, 2015, UDR, Inc. (the "Company") completed the acquisition of six communities (the "Acquired Communities") from Home Properties, L.P., a New York limited partnership ("Home OP"). Home OP is not a related party of the Company. Of the six properties acquired, four properties were acquired through the newly created UDR Lighthouse DownREIT L.P. (the "DownREIT Partnership"), one property was acquired by United Dominion Realty, L.P., the operating partnership of the Company (the "Operating Partnership"), through a reverse Section 1031 exchange and one property was acquired by the Company through a reverse Section 1031 exchange, as reflected in the following table:

Community	Location	Number of Apartment Homes
Eleven55 Ripley ⁽¹⁾	Silver Spring, MD	379
Arbor Park of Alexandria ⁽¹⁾	Alexandria, VA	851
Newport Village ⁽¹⁾	Alexandria, VA	937
The Courts at Dulles ⁽¹⁾	Herndon, VA	411
1200 East West ⁽²⁾	Silver Spring, MD	247
Courts at Huntington Station ⁽³⁾	Alexandria, VA	421

(1) Acquired through the DownREIT Partnership.

(2) Acquired by the Company through a reverse Section 1031 exchange.

(3) Acquired by the Operating Partnership through a reverse Section 1031 exchange.

2. BASIS OF PRESENTATION

The accompanying combined statements of revenues and certain operating expenses include the operations of the Acquired Communities and have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statements of revenues and certain operating expenses are not representative of the actual operations for the periods presented; certain expenses such as depreciation, amortization, management fees, interest expense, interest income and amortization of above- and below-market leases, which are not directly attributable to the revenues and expenses expected to be incurred in the future operations of the Acquired Communities, have been excluded. All significant intercompany accounts and transactions have been eliminated in combination. The combined statements of revenues and certain operating expenses have been prepared on the accrual basis of accounting.

3. SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of these financial statements in accordance with generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the amounts of revenues and expenses during the reporting periods. Actual amounts realized or paid could differ from those estimates.

Revenue Recognition

The Acquired Communities lease apartments under various lease terms typically ranging from six to 13 months and recognize rental income on an accrual basis when due from residents and tenants in accordance with GAAP. Rental

payments are generally due on a monthly basis and recognized when earned.

Repairs and Maintenance

Expenditures for ordinary repair and maintenance costs are charged to expense as incurred. Expenditures for improvements, renovations, and replacements related to the acquisition and/or improvement of real estate assets are capitalized and depreciated over their estimated useful lives if the expenditures qualify as a betterment or the life of the related asset will be substantially extended beyond the original life expectancy.

Advertising Costs

All advertising costs are expensed as incurred and reported on the accompanying combined statements of revenues and certain operating expenses within the line item Administrative and marketing. During the nine months ended September 30, 2015 and year ended December 31, 2014, total advertising expense was \$0.6 million and \$0.8 million, respectively.

4.COMMITMENTS AND CONTINGENCIES

The Acquired Communities are subject to various legal proceedings and claims that arise in the ordinary course of business. These matters are generally covered by insurance. Management believes that the ultimate settlement of these actions will not have a material adverse effect on the Acquired Communities' results of operations.

5.SUBSEQUENT EVENTS

The Company evaluated subsequent events through December 17, 2015, the date the financial statements were issued.

UDR, INC.

INTRODUCTION TO PRO FORMA FINANCIAL STATEMENTS

The unaudited pro forma consolidated financial statements present the impact of the acquisition by UDR, Inc. (the "Company") of six Washington, DC area properties (the "Acquired Communities") from Home Properties, L.P., a New York limited partnership ("Home OP"), for a total purchase price of \$901 million, which was comprised of \$565 million of newly issued units of limited partnership interest ("DownREIT Units") in UDR Lighthouse DownREIT L.P. (the "DownREIT Partnership") issued at \$35 per unit (a total of 16.1 million units), the assumption of \$89 million of historical debt, \$221 million of reverse exchanges pursuant to Section 1031 of the Internal Revenue Code of 1986, as amended ("Section 1031 Exchange"), and \$26 million of cash. In addition, the Company issued approximately 13.9 million shares of its Series F Preferred Stock to former limited partners of Home OP, which had the right to subscribe for one share of Series F Preferred Stock for each DownREIT Unit issued in connection with the acquisition. Of the six properties acquired from Home OP, four properties were acquired through the DownREIT Partnership, one property was acquired by United Dominion Realty, L.P., the operating partnership of the Company, through a reverse Section 1031 Exchange and one property was acquired by the Company through a reverse Section 1031 Exchange.

The unaudited pro forma consolidated balance sheet as of September 30, 2015 and unaudited pro forma consolidated statements of operations for the nine months ended September 30, 2015 and the year ended December 31, 2014 are based upon the historical financial statements of the Company and the historical financial statements of the Acquired Communities.

The unaudited pro forma consolidated balance sheet as of September 30, 2015 has been prepared as if the acquisition had occurred on that date. The unaudited pro forma consolidated statements of operations for the nine months ended September 30, 2015 and the year ended December 31, 2014 have been prepared as if the acquisition had occurred on January 1, 2014. The unaudited pro forma consolidated statements of operations have also been prepared including certain other pro forma adjustments, as described in Note 3. Pro Forma Adjustments.

The following unaudited pro forma consolidated financial statements are qualified in their entirety by reference to and should be read in conjunction with: (i) the Company's unaudited historical consolidated financial statements set forth in its Quarterly Report on Form 10-Q as of and for the three and nine months ended September 30, 2015, as filed with the Securities and Exchange Commission ("SEC") on October 27, 2015; (ii) the Company's audited historical consolidated financial statements set forth in its Annual Report on Form 10-K as of and for the year ended December 31, 2014, as filed with the SEC on February 24, 2015; and (iii) the Acquired Communities' statements of revenues and certain operation expenses set forth in this Current Report on Form 8-K/A.

The pro forma adjustments reflected in the unaudited pro forma consolidated financial statements are based upon currently available information and certain assumptions and estimates; therefore, the actual effects of these transactions will differ from the pro forma adjustments. However, the Company's management considers the applied estimates and assumptions to provide a reasonable basis for the presentation of the significant effects of certain transactions that are expected to have a continuing impact on the Company. In addition, the Company's management considers the pro forma adjustments to be factually supportable and to appropriately represent the expected impact of items that are directly attributable to the acquisition by the Company.

The unaudited pro forma consolidated statement of operations may not be indicative of the results that would have occurred if the acquisition had occurred on the dates indicated nor are they indicative of the future operating results of the Company.
