Section 1. Entry into a Material Definitive Agreement

Item 1.01 Entry into a Material Definitive Agreement

On February 9, 2006, based on the recommendation of its compensation committee, the board of directors of Seitel, Inc. ("Seitel") awarded cash bonuses and incentive equity awards under the Incentive Plan and granted five percent increases in annual base salaries to the below named executive officers. The compensation committee determined the 2005 cash bonuses and incentive equity awards based on the achievement of performance goals, which were established by the compensation committee in early 2005, and based upon the compensation committee's exercise of discretion, which was also set forth in the Incentive Plan in early 2005. Theses cash bonuses and incentive equity awards reflect achievement in 2005 of targets plus a discretionary increase of 10% over such targets. For U.S. executives, 2005 performance exceeded the maximum goals established in early 2005. The salary increases were made effective January 1, 2006; however, payment of such increases will begin February 15, 2006, together with an adjustment payment for service during the period January 1, 2006 through February 14, 2006.

With the exception of 22,613 shares of unrestricted Seitel common stock, par value \$.01 per share (the "Common Stock"), granted to Garis Smith, all of the above described stock grants consist of restricted shares of Common Stock that vest as to one-third of the shares on each of February 9, 2007, 2008 and 2009. Seitel has the right to deduct or withhold, or require the executive to remit to it, an amount sufficient to satisfy any applicable taxes related to the grant and required by law to be withheld. The executive may elect, subject to the compensation committee's approval, to satisfy the withholding requirement by having Seitel withhold shares of Common Stock.
