The following letter was mailed to EMC Corporation shareholders on or about April 11, 2014:

YOUR VOTE IS IMPORTANT - PLEASE VOTE YOUR SHARES TODAY!

Fellow Shareholders,

EMC's Annual Meeting will take place on April 30, 2014. As the Independent Lead Director of EMC's Board of Directors, I am writing to ask for your support by voting in accordance with the recommendations of your Board on all proposals. Specifically, your Board recommends you vote:

- “FOR” the election of all director nominees,
- “FOR” the ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors,
- “FOR” advisory approval of our executive compensation, and
- “AGAINST” each shareholder proposal.

Specifically, regarding shareholder Proposal 4, which seeks to require that the Board appoint an independent Chairman, the Board strongly believes this proposal is not in the best interests of shareholders or the Company. There are several reasons your Board and I recommend that you vote “AGAINST” this proposal, namely:

Given EMC's unique federation operating model, we believe having a combined Chairman and CEO is currently the most appropriate structure. Having a single, experienced and knowledgeable leader to serve as the key link between the Board and management and to align the strategies across the federation businesses, is critical to our success. The Board reviews EMC's leadership structure on an annual basis and determines what makes the most sense for the Company at any given time. The flexibility to tailor our leadership structure based on the Company's needs and our assessment of the leadership team is important.

Nine of the 11 director nominees for EMC's Board are independent and they have given me significant responsibilities as the independent Lead Director. Together, we believe we provide proper and effective oversight of the Company's management and affairs.

More information on why Proposal 4 is not in your or the Company's best interest can be found on page 25 of EMC's Proxy Statement available at <http://www.emc.com/collateral/about/investor-relations/2014-definitive-proxy.pdf>.

If you have already voted, thank you for your prompt response. For your convenience, a duplicate proxy card/voting instruction form and return envelope are enclosed. In the event two proxy cards/voting instruction forms relating to the same shares are received from you, the one with the latest date will be counted.

Your vote is important. Thank you for your continued support of EMC.

Sincerely,
DAVID N. STROHM
Independent Lead Director
