To our knowledge, none of our directors or executive officers, or any associate of any such director or officer, is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries.

Code of Ethics

We previously adopted a Code of Business Ethics that applies to our directors and executive officers. The full text of the Code of Business Ethics is published on our website, www.logicdevices.com, under the caption, Corporate Information About LOGIC Code of Ethics. A copy can be obtained free of charge by contacting our Corporate Secretary, c/o LOGIC Devices Incorporated, 1375 Geneva Drive, Sunnyvale, CA 94089.

Consideration of Director Nominees

There have been no material changes to the procedures by which security holders may recommend nominees to our Board of Directors.

Our Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election. It will utilize a variety of methods for identifying and evaluating nominees for director.

In evaluating nominations for candidates for membership on our Board of Directors, the Nominating and Corporate Governance Committee will seek to achieve a balance of knowledge, experience, and capability on the Board and to address the following membership criteria. Members of the Board should have the highest professional and personal ethics and values. They should have broad experience at the policy-making level in business, government, education, technology, or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all directors' duties. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board of Directors to meet the criteria for an "audit committee financial expert" as defined by rules of the SEC, and for a majority of the members of the Board of Directors to meet the definition of "independent director" under the NASDAQ Listing Rules. The Nominating and Corporate Governance Committee also believes it appropriate for key members of our management to participate as members of the Board of Directors.

One of the Board's objectives is that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Corporate Governance Committee will select candidates for Director based on their character,

Edgar Filing: LOGIC DEVICES Inc - Form 10-K/A

judgment, diversity of experience, business acumen, and ability to act on behalf of all shareholders. We do not have a formal diversity policy. However, the Nominating and Corporate Governance Committee endeavors to have a Board representing diverse viewpoints as well as diverse expertise at policy-making levels in many areas, including business, accounting and finance, healthcare, manufacturing, marketing and sales, education, legal, government affairs, regulatory affairs, research and development, business development, international aspects of our business, technology, and in other areas that are relevant to our activities.

Prior to each Annual Meeting of Shareholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current Directors who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a Director, and the needs of the Board of Directors with respect to the particular talents and experience of its Directors. In the event that a Director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the Director, or a vacancy is created on the Board of Directors as a result of a resignation or retirement, an increase in the size of the Board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board of Directors members, by any executive search firm engaged by the Committee or by shareholders. The Committee did not paid fees during the past fiscal year to any third party to identify, evaluate, or to assist in identifying or evaluating, potential nominees, but may determine it necessary in the future. The Committee recommended all of the nominees for election included in this Proxy Statement.

A shareholder who wishes to suggest a prospective nominee for LOGIC's Board of Directors should notify our Corporate Secretary, Kimiko Milheim, in writing with any supporting material the shareholder considers appropriate. In order to nominate a candidate for director, a shareholder must give timely notice in writing to our Corporate Secretary and otherwise comply with the provisions of our bylaws. In general, our Bylaws provide that a shareholder's nomination of a candidate for director must be given to our Corporate Secretary not less than 45 days prior to the first anniversary of the date of the mailing of materials regarding the prior year's annual meeting, which mailing date is identified above in this Proxy Statement; unless the date of the next annual meeting is changed by more than 30 days from the date contemplated at the time of mailing of the prior year's proxy statement, in which case notice must be received a reasonable time before.

Shareholder nominations should be addressed to: Corporate Secretary, LOGIC Devices Incorporated, 1375 Geneva Drive, Sunnyvale, CA 94089.

Audit Committee and Audit Committee Financial Expert

Our Board of Directors has established and appointed a standing Audit Committee. Messrs. Farkas, Shoemaker, and Stanley compose the membership of our Audit Committee. The Audit Committee reviews our accounting, auditing, financial reporting, and internal control functions and selects our independent registered public accounting firm. The Board of Directors has determined that each member of our Audit Committee is independent as defined by Rule 5605(a)(2) of the NASDAQ Listing Rules and as defined by Rule 10A-3(b)(1) under the Exchange Act.

The Board of Directors has made a determination that Howard L. Farkas, Chair of the Audit Committee, qualifies as an audit committee financial expert and meets the criteria set forth in Item 407(d)(5)(ii) of Regulation S-K and is independent as defined by Rule 5605(a)(2) of the NASDAQ Listing Rules. As he previously owned and operated a certified public accounting business, Mr. Farkas has an understanding of generally accepted accounting principles and financial statements and has the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves.

ITEM 11. EXECUTIVE COMPENSATION

Summary Compensation Table for the Fiscal Years Ended September 30, 2011 and 2010

The following table sets forth, for the fiscal years ended September 30, 2011 and 2010, all compensation paid to our President and Chief Financial Officer. We do not have any other executive officers other than as described in this table and these executive officers are referred to herein as our named executive officers. The compensation described in this table does not include medical, group life insurance, or other benefits which are available generally to all of our salaried employees.

Name	Title	Year	Salary (\$)	Total (\$)
William J. Volz	President and Chief Executive Officer	2011	128,400	128,400

Narrative to Summary Compensation Table

Our typical executive compensation components include base salary and variable bonus awards, however, no bonuses were awarded in fiscal years 2011 and 2010. The base salary of our executive officers is established primarily on the basis of the individual's qualifications and relevant experience, the strategic goals for which he or she has responsibility, the compensation levels at comparable companies, and the incentives necessary to attract and retain qualified management. We attempt to set the base salary each year to take into account the individual's performance and to maintain a competitive salary structure. During its review of base salaries for our named executive officers, our established Compensation Committee primarily considers market data, the individual performance of each executive officer, and an internal review of the executive officer's compensation, both individually and relative to other executive officers.

Employment and Other Agreements with our Executive Officers

We do not have employment, severance, or change of control agreements with our named executive officers.

Outstanding Equity Awards at Fiscal Year-End

Our named executive officers do not hold any equity awards and were not granted any equity awards during the fiscal year ended September 30, 2011.

Retirement Benefits

Effective September 2005, we established a 401(k) savings plan, where employees are able to make voluntary contributions and we have the discretion to make matching contributions. The plan covers all employees who meet certain age and service requirements. We cover expenses incurred in connection with the plan. We made no matching contributions in fiscal year 2011 and 2010.

Pursuant to the Amended and Restated LOGIC Devices Incorporated 1998 Director Stock Incentive Plan (the "Director's Plan"), each non-employee director receives an automatic annual grant of an option to purchase 15,000 shares of our common stock upon election or re-election to our Board of Directors. The option vests immediately and has a five-year term from the date of grant. Directors are reimbursed for

Edgar Filing: LOGIC DEVICES Inc - Form 10-K/A

expenses incurred in connection with attending meetings of our Board and Board Committees.

On March 10, 2011, Messrs. Farkas, Hooper, Shoemaker, and Stanley received the automatic grant of options to purchase 15,000 shares of our common stock. These options vested immediately and expire on March 10, 2016. The awards were valued at \$21,141, which represents the aggregate grant date fair value of the option awards granted in fiscal year 2011 as computed in accordance with FASB ASC Topic 718, Compensation - Stock Compensation. The fair value of each stock option award is estimated on the date of grant using the Black-Scholes option valuation model. A discussion of the assumptions used in made by us in determining the value of our equity awards may be found in Note 1 to our audited consolidated financial statements for the year ended September 30, 2011 included in our Annual Report on Form 10-K filed with the SEC on December 29, 2011.

Directors who are our employees do not receive any fees for their service on our Board of Directors. During the fiscal year ended September 30, 2011, Mr. Volz was our only employee director.
