Item 6. Indemnification

Article Ninth of the Registrant's certificate of incorporation eliminates the personal liability of directors to the Registrant and its stockholders for monetary damages for breach of fiduciary duty to the full extent permitted by

Edgar Filing: ZOOM TECHNOLOGIES INC - Form S-8

Delaware law. Article VII of the Registrant's bylaws provides that the Registrant may indemnify its officers and directors to the full extent permitted by the Delaware General Corporation Law. Section 145 of the Delaware General Corporation Law authorizes a corporation to indemnify directors, officers, employees and agents of a corporation if such party acted in good faith in a manner he believed to be in or not opposed to the best interest of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, as determined in accordance with the Delaware General Corporation Law. Section 145 further provides that indemnification shall be provided if the party in question is successful on the merits or otherwise in any proceeding or action.

The Registrant's bylaws also empower it to maintain directors and officers liability insurance coverage for its directors, officers, employees or agents. These indemnification provisions may be sufficiently broad to permit indemnification of the Registrant's officers and directors for liabilities arising under the Securities Act. The Registrant has purchased a general liability insurance policy that covers certain liabilities of directors and officers of the Registrant arising out of claims based upon acts or omissions in their capacities as directors or officers.

The Registrant has entered into indemnification agreements with its directors and certain of its officers pursuant to which the Registrant is contractually obligated to indemnify such persons to the fullest extent permitted by applicable law.

Edgar Filing: ZOOM TECHNOLOGIES INC - Form S-8

- (1) "Participant" means a person eligible pursuant to Section 4 hereof and selected by the Board to receive an Award under the Plan.

Section 3. Administration

The Plan shall be administered by the Committee. The Board shall have authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the operation of the Plan as it shall from time to time consider advisable, and to interpret the provisions of the Plan. The Board's decisions shall be final and binding. To the extent permitted by applicable law, the Board may delegate to the Committee the power to make Awards to Participants and all determinations under the Plan with respect thereto.

Section 4. Eligibility

All employees of the Company, other than Officers and directors of the Company, are eligible to be Participants in the Plan.

Section 5. Stock Available for Awards

- (a) Subject to adjustment under subsection (b), Awards may be made under the Plan of Options to acquire not in excess of 1,200,000 shares of Common Stock. If any Award in respect of shares of Common Stock expires or is terminated unexercised or is forfeited for any reason or settled in a manner that results in fewer shares outstanding than were initially awarded, including without limitation the surrender of shares in payment for the Award or any tax obligation thereon, the shares subject to such Award or so surrendered, as the case may be, to the extent of such expiration, termination, forfeiture or decrease, shall again be available for award under the Plan. Common Stock issued through the assumption or substitution of outstanding grants from an acquired Company shall not reduce the shares available for Awards under the Plan. Shares of Common Stock issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.
- (b) In the event that the Board determines that any stock dividend, extraordinary cash dividend, creation of a class of equity securities, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below fair market value, or other similar transaction affects the Common Stock such that an adjustment is required in order to preserve the benefits or potential benefits intended to be made available under the Plan, then the Board, shall equitably adjust any or all of (i) the number and kind of shares in respect of which Awards may be made under the Plan, (ii) the number and kind of shares subject to outstanding Awards, and (iii) the award, exercise or conversion price with respect to any of the foregoing, and if considered appropriate, the Board may make provision for a cash payment with respect to an outstanding Award, provided that the number of shares subject to any Award shall always be a whole number.

Section 6. Stock Options

- (a) Subject to the provisions of the Plan, the Board may award Nonqualified Stock Options and determine the number of shares to be covered by each Option, the Option Price therefor and the conditions and limitations applicable to the exercise of the Option.
- (b) The Board shall establish the Option Price at the time each Option is awarded.
- (c) Each Option shall be exercisable at such times and subject to such terms

Edgar Filing: ZOOM TECHNOLOGIES INC - Form S-8

and conditions as the Board may specify in the applicable Award or thereafter. The Board may impose such conditions with respect to the exercise of Options, including conditions relating to applicable federal or state securities laws, as it considers necessary or advisable.

- (d) No shares shall be delivered pursuant to any exercise of an Option until payment in full of the Option Price therefor is received by the Company. Such payment may be made in whole or in part in cash or, to the extent permitted by the Board at or after the award of the Option, by delivery of a note or shares of Common Stock owned by the optionholder, including restricted stock, valued at their Fair Market Value on the date of delivery, by the reduction of the shares of Common Stock that the optionholder would be entitled to receive upon exercise of the Option, such shares to be valued at their Fair Market Value on the date of exercise, less their Option Price (a so-called "cashless exercise"), or such other lawful consideration as the Board may determine. In addition, an optionholder may engage in a successive exchange (or series of exchanges) in which the shares of Common Stock that such optionholder is entitled to receive upon the exercise of an Option may be simultaneously utilized as payment for the exercise of an additional Option or Options.
- (e) The Board may provide for the automatic award of an Option upon the delivery of shares to the Company in payment of an Option for up to the number of shares so delivered.

Section 7. General Provisions Applicable to Awards

- (a) Documentation. Each Award under the Plan shall be evidenced by a writing delivered to the Participant specifying the terms and conditions thereof and containing such other terms and conditions not inconsistent with the provisions of the Plan as the Board considers necessary or advisable to achieve the purposes of the Plan or comply with applicable tax and regulatory laws and accounting principles.
- (b) Board Discretion. The terms of each Award need not be identical, and the Board need not treat Participants uniformly. Except as otherwise provided by the Plan or a particular Award, any determination with respect to an Award may be made by the Board at the time of award or at any time thereafter. Without limiting the foregoing, an Award may be made by the Board, in its discretion, to any 401(k), savings, pension, profit sharing or other similar plan of the Company in lieu of or in addition to any cash or other property contributed or to be contributed to such plan.
- (c) Settlement. The Board shall determine whether Awards are settled in whole or in part in cash, Common Stock, other securities of the Company, Awards or other property. The Board may permit a Participant to defer all or any portion of a payment under the Plan, including the crediting of interest on deferred amounts denominated in cash and dividend equivalents on amounts denominated in Common Stock.
- (d) Termination of Employment. The Board shall determine the effect on an Award of the disability, death, retirement or other termination of employment of a Participant and the extent to which, and the period during which, the Participant's legal representative, guardian or Designated Beneficiary may receive payment of an Award or exercise rights thereunder.
- (e) Change in Control. In order to preserve a Participant's rights under an Award in the event of a change in control of the Company, the Board in its discretion may, at the time an Award is made or at any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of the Award, (ii) provide for the purchase of the Award upon the Participant's request for an amount of

Edgar Filing: ZOOM TECHNOLOGIES INC - Form S-8

cash or other property that could have been received upon the exercise of the Award had the Award been currently exercisable, (iii) adjust the terms of the Award in a manner determined by the Board to reflect the change in control, (iv) cause the Award to be assumed, or new rights substituted therefor, by another entity, or (v) make such other provision as the Board may consider equitable and in the best interests of the Company.

- (f) Withholding. The Participant shall pay to the Company, or make provision satisfactory to the Board for payment of, any taxes required by law to be withheld in respect of Awards under the Plan no later than the date of the event creating the tax liability. In the Board's discretion, such tax obligations may be paid in whole or in part in shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value on the date of delivery. The Company and its affiliates may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to the Participant.
- (g) Amendment of Award. The Board may amend, modify or terminate any outstanding Award, including substituting therefor another Award of the same or a different type, changing the date of exercise, provided that the Participant's consent to such action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

Section 8. Miscellaneous

- (a) No Right To Employment. No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment. The Company expressly reserves the right at any time to dismiss a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Award.
- (b) No Rights As Shareholder. Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a shareholder with respect to any shares of Common Stock to be distributed under the Plan until he or she becomes the holder thereof.
- (c) Governing Law. The provisions of the Plan shall be governed by and interpreted in accordance with the laws of the State of Delaware.
- (d) Indemnity. Neither the Board nor the Committee, nor any members of either, nor any employees of the Company or any parent, subsidiary, or other affiliate, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with their responsibilities with respect to this Plan, and the Company hereby agrees to indemnify the members of the Board, the members of the Committee, and the employees of the Company and its parent or subsidiaries in respect of any claim, loss, damage, or expense (including reasonable counsel fees) arising from any such act, omission, interpretation, construction or determination to the full extent permitted by law.
- (e) Amendment of Plan. The Board may amend, suspend or terminate the Plan or any portion thereof at any time.
