Section 2 - Financial Information

Item 2.02. Results of Operations and Financial Condition.

On April 6, 2015, PTC issued a press release announcing preliminary results for its second fiscal quarter ended April 4, 2015. A copy of the press release is furnished herewith as Exhibit 99.1.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On April 4, 2015, PTC committed to a plan to restructure its workforce and consolidate select facilities to realign its global workforce to increase investment in its Internet of Things business and to reduce its cost structure through organizational efficiencies in the face of significant foreign currency depreciation relative to the U.S. dollar and a more cautious outlook on potential global macroeconomic conditions. The restructuring is expected to result in a restructuring charge of approximately \$45 million, which is primarily attributable to termination benefits. Approximately \$41 million of the restructuring charge will be recorded in PTC's second fiscal quarter ended April 4, 2015, with the remainder expected to be recorded in the third fiscal quarter ending July 4, 2015. The restructuring will result in cash expenditures of approximately \$45 million, which will primarily be paid in the remainder of PTC's 2015 fiscal year ending September 30, 2015. PTC expects that the annualized effect of the expense reductions will be approximately \$30 million.
