**FRANKLIN COVEY ANNOUNCES SALE OF PREMIER  
TO SCHOOL SPECIALTY AND  
PLANNED TENDER OFFER AT \$5.50 PER SHARE**

**Salt Lake City, Utah (NYSE: FC)** November 13, 2001 Franklin Covey, a leading global learning and performance solutions firm, today announced the sale of its wholly owned subsidiary, Premier, located in Bellingham, Washington, to School Specialty (NASDAQ: SCHS) for \$152.5 million as part of an overall re-capitalization of the Company. The Company also announced that it anticipates using a portion of the proceeds for a planned tender offer for 8 million shares of its outstanding common stock at \$5.50 per share, an 81% premium over the previous 30 days average closing price.

School Specialty is the largest direct marketer of supplemental educational supplies to schools and teachers for pre-kindergarten through twelfth grade. In addition to the sales price of \$152.5 million, Franklin Covey will retain working capital of approximately \$13 million. The transaction is subject to Hart Scott Rodino clearance and other customary closing conditions.

The Company's tender offer for its common stock is expected to open as soon as practicable and is subject to the closing of the Premier transaction, which is expected by December 15, 2001, and other customary regulatory reviews.

Bob Whitman, chairman and chief executive officer of Franklin Covey said, "While Premier has been a successful and profitable division for the Company, the proceeds of this sale will allow us to further focus our resources and efforts on strengthening the historical core businesses of Franklin Covey: providing training and tools to individuals and organizations. This transaction, combined with the more than \$30 million of cost reductions already implemented and \$15 million of cost reductions planned over the next several months, will allow us to transform the overall capital and cost structure of the Company. Specifically, this transaction positions us to pay-off all of the Company's debt, increase our cash balances and fund the tender offer for a substantial portion of the outstanding common shares, with the potential to dramatically shrink the share base.

PLANNED TENDER OFFER AT \$5.50 PER SHARE

## Edgar Filing: FRANKLIN COVEY CO - Form SC TO-C

Pursuant to a license from Franklin Covey, Premier will continue to expose over 20 million K-12 students to Franklin Covey's world-renowned *7 Habits* content. In addition, School Specialty will feature select Franklin Covey products in its catalogs. Franklin Covey will retain the educator leadership and effectiveness training portion of Premier's business.

Dan Spalding, chairman and chief executive officer of School Specialty said, "We are very excited about acquiring Premier and the market leading capabilities it brings to our strong line-up of school products in the K-12 market. Premier has developed the most functional planning tool available to students in our market. We believe that by leveraging Premier's momentum in the student planner market, we will continue to expand our overall market share."

As part of the transaction, nearly 550 Franklin Covey employees in the US and Canada will transition to School Specialty where they will continue to serve more than 35,000 schools and more than 20 million students.
