Item 1.01 – Entry into a Material Definitive Agreement.

On January 20, 2010, the Compensation Committee of the Board of Directors of the Registrant adopted a plan to create a discretionary bonus pool for which all non-unionized employees of the Registrant, including executive officers, are eligible to participate. While the Committee did not evidence the plan in writing, it established the LSI Industries Inc. FY 2010 Bonus Scorecard which includes specific performance targets to be achieved for each of the Registrant's business locations and segments. The FY 2010 Bonus Scorecard is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Allocations from the pool will be discretionary and based upon management's evaluation of the results achieved by the business as a whole, especially the further reduction in costs and expenses, and by the individual participants. The estimated target amount of the bonus pool for which all non-unionized employees are eligible is \$1.4 million. Management's recommendations as to achievements made in the various categories indicated on the FY 2010 Bonus Scorecard and the bonuses to be awarded will be received by the Compensation Committee at the end of the Registrant's fiscal year, with authority over the awards to be made at that time resting solely with the Committee.
