### ITEM 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

On June 25, 2007, Rentrak Corporation ("Rentrak") entered into an employment agreement, effective January 1, 2007, with Ronald Giambra as Senior Vice President of Rentrak's Theatrical Operations division.

#### General Terms

The agreement provides for:

An initial term expiring December 31, 2007, with (a) automatic renewal for successive one-year periods unless Rentrak gives notice of nonrenewal by a specified date each year and (b) automatic extension for an additional two years if a change in control occurs during the term of the agreement.

An annual base salary of \$247,200, beginning January 1, 2007, and increasing to \$275,000 effective June 1, 2007.

Opportunities to receive annual bonus compensation based on net income of Rentrak and satisfaction of predetermined performance criteria approved by Rentrak's Compensation Committee.

Receipt of awards under Rentrak's 2005 Stock Incentive Plan as determined in the discretion of the Compensation Committee.

Severance payments as described below.

#### Severance During Term of Agreement

If Mr. Giambra dies or becomes disabled during the term of the agreement, he or his estate will be entitled to accrued base salary and other employee benefits through the date of termination of employment. If Mr. Giambra is terminated during the term of the agreement and before a change in control of Rentrak occurs, by Rentrak without cause or by Mr. Giambra for good reason, in addition to the benefits payable as described in the preceding sentence, Mr. Giambra will be entitled to receive severance payments in the amount of his monthly base salary during a severance period of (a) three months for each full four years of continuous service, (b) nine months, or (c) the remaining term of the agreement, whichever is longest. Medical, dental, life, and disability insurance benefits will also be continued during this period. If employment is terminated during the term of the agreement and after a change in control of Rentrak occurs, either without cause or for good reason, Mr. Giambra will be entitled to receive a lump sum payment equal to two times his then-current annual base salary and average annual bonus amount, subject to reduction if his resulting after-tax benefit would be larger due to the effect of the excise tax on excess parachute payments. He will also be entitled to continuation of medical, dental, life, and disability insurance benefits for two years. No severance benefits are payable if employment is terminated by Rentrak for cause or voluntarily by Mr. Giambra other than for good reason. The terms "cause," "good reason," and "change in control" are defined in the agreement.

### Severance After Term of Agreement

The agreement also provides for continuation of medical, dental, life, and disability insurance benefits and for severance payments in the event employment is terminated by Rentrak without cause, or by Mr. Giambra with good reason, after expiration of the term. The total amount of the severance payments will equal Mr. Giambra's monthly base salary then in effect times (a) three months for each full four years of continuous service or (b) nine months, whichever is longer.

The above summary description of the employment agreement is qualified in its entirety by the full text of the agreement.
