Item 7.01 Regulation FD Disclosure.

On September 28, 2004, Animas Corporation (the Company) issued a press release announcing (i) that it will be notifying patients using the IR 1200 pump and their healthcare providers that, as a result of a recently-identified software bug, the operation of the pump as described in the User Guide differs from its actual operation when their patient suspends insulin delivery, and (ii) that the Company reaffirmed its prior guidance for the third quarter of approximately \$20-\$21 million for net revenue and \$2.0-\$3.0 million for net income, and for the year of approximately \$60-\$62 million for net revenue and a net operating loss between \$1 and \$2 million and expects that the cost associated with this software bug and corrective action will be approximately \$150,000, a charge to be taken in the third quarter. A copy of the press release is being furnished to the Securities and Exchange Commission as Exhibit 99.1 to this form. A copy of the letter notifying patients is being furnished to the Securities and Exchange Commission as Exhibit 99.2 to this form. A copy of the letter notifying healthcare providers is being furnished to the Securities and Exchange Commission as Exhibit 99.3 to this form.
