#### **Grupo Miwa Reporting Persons**

On various dates from May 17, 1998 to June 10, 1994, Inversiones La Esperanza (Chile) acquired 3,589,387 Series A Shares. On April 7, 1999 La Esperanza Delaware acquired 207,550 Series A Shares. The source of the funds for these acquisitions was personal funds.

#### **Item 4. Purpose of Transaction**

The Reporting Persons undertook the purchases and sales of Series A Shares and Series B Shares listed above in Item 3 in order to increase their interest in SQM and for investment purposes.

Pampa purchased the Series B Shares on July 3, 2006 in order to increase Mr. Ponce Lerou's indirect combined ownership in SQM to over 25% for investment purposes so that he would be deemed, solely for purposes of Chilean law, as a controlling shareholder under Articles No. 97 and No. 99 of the Chilean Securities Market Law. The acquisition by Pampa of the Series B Shares, however, did not materially affect the Ponce Lerou Reporting Persons' control rights over SQM since the Series B Shares have limited voting rights (holders of Series B Shares elect one of eight members of the Board of Directors (the Series B Director) and vote together with the Series A Shares on other matters). Although being deemed as a controlling shareholder for purposes of Chilean law does not provide additional control rights, it does result, under Chilean corporate law, in the controlling shareholder not being required to extend a mandatory public tender offer upon subsequent purchases of securities of the Company.

Pampa purchased additional Series B Shares for investment purposes on the open market on various dates ranging from November 8, 2006 to December 20, 2006, and on December 22, 2006, entered into the Kowa Shareholders Agreement, as described in Item 6 hereof, in order to maintain Mr. Ponce Lerou's position of controlling shareholder under Articles No. 97 and No. 99 of the Chilean Securities Market Law. For the reasons described in the preceding paragraph, these transactions did not materially affect the Reporting Persons' control rights over SQM. The Reporting Persons' combined ownership of 11.64% of the Series B Shares does not allow them to materially influence the election of the Series B Director and their increased ownership, on a combined basis, of Series A and Series B Shares from 27.33% (in the case of the Ponce Lerou Reporting Persons) to 32.30% does not materially increase their voting power with respect to other matters.

The March 20, 2007 sale of Series A Shares by SQYA on the open market and the corresponding open market purchase of Series A Shares by Pampa on that date were for investment purposes. The May 8, 2007 sale of Series A Shares by Mr. Ponce Lerou on the open market was for investment purposes. The May 17, 2007 sale of Series A Shares by SQYA on the open market and the corresponding open market purchase of Series A Shares by Global Mining on that date were for investment purposes. The May 30, 2007 and May 31, 2007 purchases of Series A Shares by Global Mining on the open market were for investment purposes. The June 1, 2007 and June 4, 2007 sales of Series B Shares by Pampa on the open market were for investment purposes. These transactions did not materially change the Reporting Persons' overall ownership of Series A Shares and Series B Shares.

Each of the Reporting Persons intends to review its investment in SQM on a regular basis and, as a result thereof, may at any time or from time to time determine, either alone or as part of a group, (a) to acquire additional securities of SQM, through open market purchases, privately negotiated transactions or otherwise, (b) to dispose of all or a portion of the securities of SQM owned by it in the open market, in privately negotiated transactions, in one or more registered public offerings or otherwise, or (c) to take any other available course of action, which could involve one or more of the types of transactions or have one or more of the results described in the next paragraph of this Item 4. Notwithstanding anything contained herein, each of the Reporting Persons specifically reserves the right to change its intention with respect to any or all of such matters. In reaching any decision as to its course of action (as well as to the specific elements thereof), each of the Reporting Persons currently expects that it would take into consideration a variety of factors, including, but not limited to, the following: SQM's business and prospects; other developments concerning SQM and its businesses generally; other business opportunities available to the Reporting Persons; changes in law and government regulations; general economic conditions; and financial and stock market conditions, including the market price of the Series A and Series B Shares.

Except as set forth in this Item 4, the Reporting Persons have no present plans or proposals that relate to, or that would result in, any of the actions specified in clauses (a) through (j) of Schedule 13D of the Exchange Act.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

In order to set the terms and conditions governing their joint ownership of SQYA, Inversiones SQ Holding S.A. ( SQ Holding ) (predecessor entity of SQ) and Norsk Hydro Holland B.V. ( Norsk ) entered into the Shareholders Agreement of Inversiones SQNH S.A. (predecessor entity of SQYA) dated April 18, 2002 (the Yara Shareholders Agreement ). Pursuant to the Yara Shareholders Agreement, SQ Holding and Norsk agree that Norsk, as the then-owner of 49% of the share capital of SQYA, had the right to designate at least one person to be elected to the boards of directors of Norte, Oro, Pampa and SQM. SQ Holding and Norsk further agreed that any of their votes remaining after electing a person designated by Norsk to the boards of Norte, Oro, Pampa and SQM would be used to elect three directors designated by SQ Holding to the boards of Norte, Oro and Pampa and two directors designated by SQ Holding to the board of SQM. Under the Yara Shareholders Agreement, SQ Holding and Norsk further agreed that the president of SQM would always be designated by SQ Holding.

On September 15, 2004, Yara acquired Norsk's interest in SQYA and assumed all of Norsk's rights and obligations under the Yara Shareholders Agreement. On November 9, 2005, the shareholders of SQ Holding resolved to split SQ Holding into two companies, SQ Holding (surviving entity) and SQ (newly formed entity). SQ Holding's 51% stake in SQYA was transferred to SQ.

On December 22, 2006, Pampa and Kowa entered into a shareholders agreement (the Kowa Shareholders Agreement ) which provides, among other things, that each party will vote its shares in SQM together on significant matters. In addition, under the Kowa Shareholders Agreement Pampa granted Kowa tag-along rights with respect to certain sales of its SQM shares.
