NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

The 2003 Annual Meeting of Shareholders (the "Annual Meeting") of Selas Corporation of America (the "Corporation") will be held on Wednesday, April 23, 2003 at the offices of Blank Rome LLP, One Logan Square, 18th and Cherry Streets, Philadelphia PA 19103, at 1:00 PM, Eastern standard time, for the following purposes:

- (1) to elect directors; and
- (2) to transact such other business as may properly come before the Annual Meeting.

The Board of Directors has fixed the close of business on March 14, 2003, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. If the Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in this Notice of Annual Meeting.

All shareholders are cordially invited to attend the meeting, but whether or not you expect to attend the meeting in person, please mark, sign and date the enclosed proxy card and return it promptly in the envelope provided in order that your shares may be voted. If you attend the meeting, you may revoke your proxy and vote in person.

## PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of the Selas Corporation of America (the "Corporation") for use at the 2003 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Wednesday, April 23, 2003 at the offices of Blank Rome LLP, One Logan Square, 18th and Cherry Streets, Philadelphia PA 19103, at 1:00 PM, Eastern standard time, and any adjournment or postponement thereof. This Proxy Statement and accompanying proxy card are first being mailed to shareholders on or about March 21, 2003.

The Board of Directors has fixed the close of business on March 14, 2003, as the record date for determination of the shareholders entitled to notice of and to vote at the Annual Meeting. As of March 14, 2003, there were 5,124,214 common shares, par value \$1.00 per share ("Common Share"), of the Corporation outstanding, each of which is entitled to one vote on all matters to be presented at the Meeting.

Proxies in the form enclosed, if properly executed and received in time for voting, and not revoked, will be voted as directed on the proxies. If no directions to the contrary are indicated, the persons named in the proxy will vote all of your Common Shares "for" the election of the nominees for director. With respect to any other matter that properly comes before the meeting, the proxy holders will vote the proxies in their discretion in accordance with their best judgment. Sending in a signed proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person since the proxy is revocable. Any shareholder who submits a proxy may revoke it at any time before the proxy is voted at the Annual Meeting by delivering a later dated proxy or by giving written notice to the Secretary of the Corporation or attending the Annual Meeting in person and so requesting. Attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

The presence, in person or represented by proxy, of the holders of a majority of the outstanding Common Shares will constitute a quorum for the transaction of business at the Annual Meeting. All Common Shares present in person or represented by proxy (including "broker non-votes") and entitled to vote at the Annual Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum. If the Annual Meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned Annual Meeting, although constituting less than a quorum as provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in the Notice of Annual Meeting.

-1-

Each Common Share is entitled to one vote on each matter that may be brought before the Annual Meeting. The election of directors will be determined by a plurality vote and the two nominees receiving the highest number of "for" votes will be elected. Approval of any other proposal will require the affirmative vote of a majority of the shares entitled to vote and present in person or represented by proxy. Under the Pennsylvania Business Corporation Law, an abstention, withholding of authority to vote or broker non-vote, will not have the same legal effect as an "against" vote and will not be counted in determining whether the proposal has received the required shareholder vote.

The cost of this solicitation will be borne by the Corporation. In addition to solicitation by mail, proxies may be solicited in person or by telephone, telegraph or teletype by officers, directors or employees of the Corporation, without additional compensation. Upon request, the Corporation will pay the reasonable expenses incurred by record holders of the Corporation's Common Shares who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy materials and the annual report to shareholders to the beneficial owners of the shares they hold of record.

#### ELECTION OF DIRECTORS

The Board of Directors currently consists of five members divided into three classes.

John H. Duerden, whose term was to expire in 2005, resigned from the Board of Directors effective December 31, 2002. The Board of Directors has nominated Fredrick L. Bissinger and Nicholas A. Giordano for re-election at the Annual Meeting to serve until the 2006 annual meeting of shareholders and until their respective successors have been duly elected and qualified. Both Messrs. Bissinger and Giordano have indicated their willingness to continue serving as directors. The Board of Directors knows of no reason why the nominees would be unable to serve as directors. If either of the nominees should for any reason be unable to serve, then the proxies will be voted for the election of such substitute nominee as the Board of Directors may designate, unless the Board of Directors reduces the number of directors on the board.

Assuming a quorum is present, the two nominees receiving the highest number of "for" votes will be elected. For such purposes, an abstention, the

## Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

withholding of authority to vote or broker non-vote will not be counted in determining whether the proposal has received the required shareholder vote.

The following table sets forth certain information concerning the nominees and the persons whose terms as directors will continue after the Annual Meeting, including their ages and principal occupations during the past five years:

## Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

Chairman of the Board. The other Directors who were not officers of the Corporation received an annual retainer of \$21,600 plus \$800 per Board or Committee meeting attended on a particular day and \$400 for each additional Board or Committee meeting attended on the same day. Mr. Giordano receives an additional \$200 per meeting for his services as Chairman of the Audit Committee. Total fees earned were \$33,900, \$23,800 and \$23,600 by Mr. Giordano, Bissinger and Masucci, respectively. Under the Corporation's Non-Employee Directors Stock Option Plan adopted in 1998, directors who are not employees of the Corporation or any of its subsidiaries receive an automatic one-time grant of an option to acquire 5,000 Common Shares of the Corporation upon their initial election or appointment to the Board of Directors. In 2002, pursuant to the discretionary grant provision of that plan, Mr. McKenna was granted an option to purchase an additional 22,500 Common Shares and Messrs. Bissinger, Giordano and Masucci each were granted options to purchase an additional 15,000 Common Shares. In December 2002, the Board approved a stock grant of 5,000 Common Shares to Mr. Bissinger in recognition of his 28 years of service to the Corporation.

The Board of Directors has standing Audit and Compensation Committees. There is no standing Nominating Committee.

The Audit Committee, which in 2002 consisted of Messrs. Giordano (Chairman), Masucci, and McKenna, held five formal meetings in 2002. In addition, the Audit Committee, or its Chairman, held informal telephonic meetings with the Corporation's management and independent auditors to review and approve the Corporation's quarterly consolidated financial statements. The Audit Committee receives information from the outside auditors and from management of the Corporation relating to the Corporation's consolidated financial statements and considers recommendations of the auditors and

-4-

financial management as to audit and accounting matters. The Audit Committee appoints the independent auditors, reviews the audit plan and results of the audit engagement, reviews the independence of the auditors, and reviews the independent auditor's assessment of the adequacy of the Company's system of internal control.

The Compensation Committee, consisting of Messrs. McKenna (Chairman), Giordano, Masucci, and Bissinger, held two meetings in 2002. The Compensation Committee reviews and makes recommendations to the Board of Directors concerning officer compensation and officer and employee bonus programs and administers the Corporation's 2001 Stock Option Plan, Amended and Restated 1994 Stock Option Plan and Non-Employee Directors Stock Option Plan.

EMPLOYMENT AGREEMENT

The Corporation entered into an employment agreement with Mr. Gorder, as President and Chief Executive Officer of the Corporation. The agreement provides for Mr. Gorder to serve as President and Chief Executive officer of the Corporation until April 30, 2004. Pursuant to the agreement, Mr. Gorder was compensated at the annual rate of \$250,000 for the period of January 1, through April 30, 2001 and at the annual rate of \$275,000 for the period of May 1, 2001 through December 31, 2001. Mr. Gorder's annual compensation after December 31, 2001 was to be established by the Board of Directors, but is required to be no less than \$275,000 thereafter. The "Summary Compensation Table" shows a lower amount, however, due to the voluntary salary reduction that Mr. Gorder has taken in the last two years. If Mr. Gorder's employment is terminated for any reason, other than for cause, he will be entitled to the continued payment of his salary and bonus until April 30, 2004, or, at his election, a lump sum payment equal to the present value of these payments

CHANGE-OF-CONTROL ARRANGEMENTS

Under an agreement with Mr. Gorder that expired on December 31, 2002, the Corporation would be required to pay two years' salary to him upon involuntary termination (defined to include a reduction in salary, change of location or adverse change in responsibilities) following a change in control or sale of substantial assets of the Corporation or Resistance Technology, Inc.

CERTAIN TRANSACTIONS

TRANSACTIONS WITH MR. GORDER

Mr. Gorder is a general partner (with a one-third interest) of Arden Partners I, L.L.P., a Minnesota limited liability partnership ("Arden") that owns and leases to the Corporation's subsidiary, Resistance Technology, Inc. ("RTI"), property under a lease entered into October, 1991, and amended and restated on November 1, 1996. The leased property is one of RTI's two

## Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

manufacturing facilities. In 2002, the lease was renewed with a term of October 31, 2011. Under the lease, RTI pays Arden a base monthly rent of approximately \$27,500 until October 2003 and a base monthly rent of approximately \$30,667 thereafter. In August 1997, the Corporation made a personal loan to Mr. Gorder in the amount of \$58,000. The loan accrues interest at the rate of 8.5% per annum. The largest aggregate amount of indebtedness, including interest, outstanding on the loan during the last fiscal year was \$75,411. As of February 28, 2003, the amount of indebtedness outstanding on the loan was \$60,081. Mr. Gorder is the President and Chief Executive Officer of the Corporation, as well as a director.

### COMPENSATION COMMITTEE REPORT

The Corporation's compensation program for officers, which is administered by the Compensation Committee of the Board of Directors, is designed to align a significant portion of officer compensation with the Corporation's business objectives and performance. The Compensation Committee consists of four independent outside directors, none of whom has ever been an employee of the Corporation or any of its subsidiaries.

The Corporation's officer compensation program consists of base salary, potential annual cash incentive compensation and long-term incentive compensation in the form of stock options. Officers are also covered under medical, life insurance, pension and savings plans generally available to employees of the Corporation or the business unit managed by the officer.

Through the use of data on comparable companies and its evaluation of officers' performance, the Compensation Committee's objective is to recommend to the Board of Directors the setting of total base salary and potential incentive compensation for the Corporation's Chief Executive Officer and other officers (including Named Officers) at levels designed to achieve the Corporation's objectives of attracting, retaining, motivating and rewarding talented executives. The Compensation Committee's philosophy is that a significant portion of the total potential compensation of the Chief Executive Officer and other senior executives should be leveraged to be dependent upon the degree of the Corporation's or a business unit's financial success in a particular year.

In 2002 the Compensation Committee recommended to the Board of Directors and the Board of Directors approved an incentive compensation program for 2002 that applied financial performance measures tailored to the nature of the particular business unit and the desired contribution to the overall financial results of the Corporation. In all cases, incentive compensation was substantially dependent on the achievement of financial performance targets relating to a particular business unit or to the Corporation on a consolidated basis. Because of the financial performance of the Corporation and its business units for 2002, the only executive officer who received a bonus was the president of the tire holders and lifts segment, for meeting performance targets. The Chief Executive Officer's base compensation for 2002 was set at \$275,000 as defined within his employment agreement that took effect January 1, 2001. The "Summary Compensation Table" shows a lower amount, however, due to the voluntary salary reduction that the Chief Executive Officer has taken in the last two years.

The Corporation's Amended and Restated 1994 Stock Option Plan and 2001 Stock Option Plan are its long-term incentive plans for officers and key employees. These plans are designed to further align the interests of the Corporation's officers and its shareholders by creating a direct link between

## Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

long-term executive compensation and long-term shareholder value. Since all options are granted at fair market value at the time of grant, there is no built-in profit and thus the value of the option is tied solely and directly to increases in value of the Common Shares. Stock options are granted to the Corporation's officers from time to time, as deemed appropriate by the Compensation Committee, based on various factors, including the executive's ability to contribute to the Corporation's long-term growth and profitability.

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's executive officers and directors and persons who own more than ten percent of a registered class of the Corporation's equity securities (collectively, the "reporting persons") to file reports of ownership and changes in ownership with the Securities and Exchange Commission and to furnish the Corporation with copies of these reports.

Based on the Corporation's review of the copies of these reports received by it and written representations, if any, received from reporting persons with respect to the filing of reports of Forms 3, 4 and 5, the Corporation believes that all filings required to be made by the reporting persons for fiscal 2002 were made on a timely basis, with the exception that Mr. Gorder was late in filing a Form 4 report with respect to options granted to him on December 17, 2002.
