GENERAL

Introduction

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Codorus Valley Bancorp, Inc. (the “Corporation”) to be used at the 2015 Annual Meeting of Shareholders. This Proxy Statement and the related proxy card are being first distributed to shareholders on or about April 10, 2015.

The Corporation will bear the expense of soliciting proxies. In addition to the use of the mail, the directors, officers and employees of the Corporation and its subsidiaries may, without additional compensation, solicit proxies in person or by telephone, e-mail, Internet or facsimile.

The Annual Meeting of Shareholders will be held on Tuesday, May 19, 2015, at 9:00 a.m. at the Codorus Valley Corporate Center, 105 Leader Heights Road, York, Pennsylvania. Shareholders of record at the close of business on March 4, 2015, are entitled to vote at the meeting.

At the Annual Meeting, shareholders will vote:

To elect three Class A directors, each to serve for a three-year term;

To approve an advisory, non-binding resolution regarding executive compensation;

To ratify the appointment of BDO USA, LLP as the Corporation’s Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2015; and

To transact any other business that may properly come before the meeting and any adjournment or postponement of the meeting.

In addition, the Corporation may ask shareholders to approve the minutes of the prior shareholders’ meeting. However, approval of such minutes is an administrative action and does not constitute approval of, or a vote for, any of the matters set forth in the minutes.

Proxies and Voting Procedures

You can vote your shares by completing and returning a written proxy card. You can also vote in person at the meeting. Alternatively, you may vote by telephone or electronically through the Internet by following the instructions on the proxy card. Submitting your voting instructions through one of these methods will not affect your right to attend the meeting and will not limit your right to vote at the annual meeting if you later decide to attend in person.

If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee, who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you may have the right to direct your broker or nominee how to vote, and you are also invited to attend the meeting. However, because you are not the shareholder of record, you may not vote your street-name shares in person at the meeting unless you obtain a proxy executed in your favor from the holder of record. Please contact your broker or nominee for a voting instruction card for you to use in directing the broker or nominee how to vote your shares. Please note that brokers or nominees may not cast a vote

Table of Contents

on your behalf for the election of directors or on any other matter that is not routine without instruction from you.

By properly completing a proxy, you appoint Richard Hupper, Ph.D., Cindy L. Baugher and Judith A. Simpson as proxy holders to vote your shares as indicated on the proxy card. Any signed proxy card not specifying to the contrary will be voted FOR election of the director nominees identified in this Proxy Statement, FOR approval of the advisory, non-binding resolution regarding executive compensation, and FOR ratification of BDO USA, LLP as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2015.

You may revoke a previously delivered proxy by delivering written notice of revocation to Benjamin F. Riggs, Jr., Esq., Secretary of the Corporation, or by executing a later dated proxy and giving written notice of the revocation to Mr. Riggs at any time before the proxy is voted at the Annual Meeting. If you submitted your proxy by Internet or by telephone, you can vote again by voting over the Internet or by telephone. We will honor the latest vote received. Proxy holders will vote shares represented by written proxies, if properly signed and returned to the Secretary, in accordance with instructions of the shareholders.

If you are a participant in the Codorus Valley Bancorp, Inc. Dividend Reinvestment and Stock Purchase Plan, the enclosed proxy will serve as a voting instruction card for your shares held in the Plan. Wells Fargo Bank, N.A., the Plan administrator, will vote your shares held in the Dividend Reinvestment and Stock Purchase Plan in the same manner as you indicate on your proxy card.

At the close of business on March 4, 2015, the record date for the Annual Meeting, the Corporation had 5,838,553 shares of common stock, par value \$2.50 per share, issued and outstanding. Each share is entitled to one vote on all matters submitted to a vote of the shareholders.

Quorum

A majority of the outstanding shares of common stock, represented in person or by proxy, constitutes a quorum for the conduct of business at the Annual Meeting. Under Pennsylvania law and the Corporation's Bylaws, the presence of a quorum is required for each matter to be acted upon at the meeting. Votes withheld and abstentions, while not votes cast, will be counted as present for purposes of determining the presence of a quorum. Shares of common stock represented by "broker non-votes" (i.e., shares of common stock held in record name by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote, (ii) the broker or nominee does not have discretionary voting power under applicable rules of the New York Stock Exchange or the instrument under which it serves in such capacity, or (iii) the record holder has indicated on the proxy or otherwise notified the Corporation that it does not have authority to vote such shares on that matter) will be counted as present for purposes of determining the presence of a quorum only if such shares have been voted at the meeting on a matter other than a procedural motion.

Table of Contents

Required Vote

In the case of the election of directors, the three nominees receiving the highest number of votes shall be elected. A “Withhold” vote will have the effect of a vote against the election of the nominee. Abstentions and broker non-votes will have no effect on the election of directors.

Approval of each of the other proposals identified in this Proxy Statement requires the affirmative vote of a majority of the shares present at the meeting, in person or by proxy. Abstentions and broker non-votes that are counted only for purposes of determining a quorum will have the effect of a vote against each of these other proposals.

Although the Board knows of no other business to be presented at the Annual Meeting, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the instructions of the Board as permitted by Securities and Exchange Commission (SEC) Rule 14a-4(c).

GOVERNANCE OF THE CORPORATION

Our Board of Directors believes that the purpose of corporate governance is to maximize long-term shareholder value in a manner consistent with applicable law and with the highest standards of integrity. The Board adheres to corporate governance practices that the Board and management believe promote this purpose, are sound and represent best practices. We continually review these governance practices, against changes in applicable federal and Pennsylvania (the state in which we are incorporated) law, the rules and listing standards of the NASDAQ Stock Market, and the rules and regulations of the SEC, as well as best practices suggested by recognized governance authorities.

Director Independence

Currently, our Board of Directors has eight (8) members. The following six (6) directors are independent in accordance with the independence standards of the NASDAQ Stock Market: Rodney L. Krebs, Chairman; D. Reed Anderson, Esq.; Cynthia A. Dotzel, CPA; Jeffrey R. Hines, P.E.; MacGregor S. Jones; and Dallas L. Smith.

In determining the directors’ independence, in addition to matters disclosed under “Related Person Transactions”, the Board of Directors considered each director’s beneficial ownership of Corporation common stock and loan transactions between the Corporation’s wholly-owned bank subsidiary, PeoplesBank, a Codorus Valley Company (the “Bank”), and the directors, their family members and businesses with whom they are associated, as well as any contributions made by the Bank to non-profit organizations with whom such persons are associated. In each case, the Board determined that none of the transactions above impaired the independence of the director.

Board Structure

The Corporation’s senior leadership is currently shared between the President and Chief Executive Officer and the Chairman of the Board. Historically, the positions of President and Chief Executive Officer of the Corporation and Chairman of the Board have been held by separate individuals; however, the Board has discretion to combine or separate the positions of Chairman and Chief Executive Officer of the Corporation.

Table of Contents

Since 2000, Rodney L. Krebs has served as Chairman of the Corporation and the Bank, while Larry J. Miller has served as President and Chief Executive Officer of both entities. Assuming the re-election of Mr. Krebs at the 2015 Annual Meeting, Mr. Krebs will reach the mandatory retirement age of 75 on August 8, 2015, at which time Mr. Krebs will be required to resign from the Board of Directors in accordance with the Corporation's bylaws. As of the date of this proxy statement, the Board of Directors anticipates that, upon the retirement of Mr. Krebs, it will appoint Mr. Miller to the additional position of Chairman.

The Board believes that Mr. Miller's service as President and Chief Executive Officer of the Bank since 1981 and the Corporation since 1986 uniquely qualifies him for this role, and that the addition of several key members to the Corporation's executive management team in recent years will allow Mr. Miller the time necessary to assume the duties of Chairman. The Board of Directors also believes that Mr. Miller's leadership of the Corporation over the last thirty years, together with his knowledge of the current business and regulatory environment, will ensure that management is aligned with the Board and positioned to effectively implement the business strategy endorsed by the Board.

Our Chairman is currently responsible for ensuring the smooth functioning and efficient operation of our Board by guiding the processes of our Board, presiding at Board meetings and at shareholder meetings, and acting as a liaison between our Board and our management team. In this regard, our Chairman consults regularly with our executives over business matters and provides our executives with consultation and advice on matters that require prompt attention.

Jones; and Dallas L. Smith. The Corporate Governance and Nominating Committee met one (1) time during 2014.

The principal duties of the Corporate Governance and Nominating Committee include developing and recommending to the Board criteria for selecting qualified director candidates, identifying individuals qualified to become Board members, evaluating and selecting, or recommending to the Board, director nominees for each election of directors, considering committee member qualifications, appointment and removal, recommending codes of conduct and codes of ethics applicable to the Corporation and providing oversight in the evaluation of the Board and each committee.

Role of the Board in Risk Oversight

The Board of Directors is responsible for oversight of the various risks facing the Corporation. In this regard, the Board seeks to understand and oversee the most critical risks

Table of Contents

relating to the Corporation's business, to allocate responsibilities for the oversight of risks among the full Board and its committees, and to see that management has in place effective systems and processes for managing risks facing the Corporation. Overseeing risk is an ongoing process, and risk is inherently tied to strategy and to strategic decisions. Accordingly, the Board considers risk throughout the year and with respect to specific proposed actions. While the Board oversees risk, management is charged with identifying and managing risk within the risk appetites set by the Board.

The Board implements its risk oversight function both as a whole and through delegation to various committees. These committees meet regularly and report back to the full Board. The following committees play particularly significant roles in carrying out the risk oversight function.

The Risk Management Committee: The Risk Management Committee operates pursuant to a written charter, and provides general risk oversight and is generally responsible for risk management, which includes monitoring and ensuring that credit risk, interest rate risk, liquidity risk, price risk, transaction risk, compliance risk, strategic risk and reputation risk assumed by the Corporation is consistent with the levels established by the Board.

The committee is comprised of the President and Chief Executive Officer (Chairman), Chief Operating Officer, General Counsel, Chief Financial Officer, Chief Credit Officer, Enterprise Risk Management Officer, BSA and Security Officer and Loan Review Officer, as well as representatives from the Board of Directors (currently MacGregor S. Jones and Harry R. Swift, Esq.). The Risk Management Committee met six times during 2014. The Risk Management Committee takes minutes at each of its meetings, and those minutes are reviewed and accepted by the Board of Directors.

The Compensation Committee: The Compensation Committee evaluates the risks and rewards associated with the Corporation's compensation philosophy and programs.

The Audit Committee: The Audit Committee oversees the Corporation's processes for assessing risks and the effectiveness of the Corporation's system of internal controls. In performing this function, the Audit Committee considers information from the Corporation's independent registered public accounting firm, internal auditors, and other consultants as it determines appropriate, and discusses relevant issues with management and the independent registered public accounting firm.

Director Nomination Process

The Corporate Governance and Nominating Committee is responsible for identifying and evaluating individuals qualified to become members of the Board of Directors and to recommend such individuals to the Board of Directors for consideration and nomination. The Corporate Governance and Nominating Committee and the Board of Directors endeavor to recruit and retain Board members who demonstrate intellectual capacity, strong interpersonal skills, good business instinct, objectivity and the highest level of personal and professional integrity. When evaluating current members of the Board of Directors and prospective candidates for the Board of Directors, the Committee seeks to balance the skill sets and attributes of existing Board members with the need for other complementary skills, talents and qualities that will position the Corporation to successfully implement its strategic vision.

Table of Contents

In addition to requiring that each existing director and candidate for nomination possesses unquestionable character and a commitment to contribute to the success of the Corporation and the stewardship of the community, the Corporate Governance and Nominating Committee's evaluation of director candidates includes an assessment of issues and factors regarding the individual's education, business experience, accounting and financial expertise, age, diversity, reputation, civic and community relationships and knowledge and experience in matters that impact diversified community financial institutions. The Committee will also take into account the director candidate's ability to devote adequate time to corporate matters, including being prepared for, and participating in, all meetings of the Board of Directors and any committees to which he or she may be assigned. When the Corporate Governance and Nominating Committee is considering current members of the Board of Directors for nomination for reelection, the Committee considers prior performance, as well as meeting attendance records.

The current practice of the Corporate Governance and Nominating Committee is to identify potential director candidates through a variety of sources. The Committee considers recommendations made by current or former directors or members of management. Potential candidates may also be identified through contacts in the business, civic, academic, legal and non-profit communities served by the Corporation. The Chairman of the Corporate Governance and Nominating Committee determines how best to approach director candidates regarding a potential nomination.

Regarding new director candidates, the Corporate Governance and Nominating Committee will evaluate whether the nominee is independent, as independence is defined under applicable standards of the NASDAQ Stock Market, and whether the nominee meets the qualifications for director outlined above, as well as any special qualifications applicable to membership on any committee to which the nominee may be appointed to serve if elected. A majority of the Board of Directors must meet the criteria for "independence" established by the NASDAQ Stock Market, and the Committee will consider any conflicts of interest that might impair that independence prior to making a decision.

The Corporate Governance and Nominating Committee will consider recommendations received from Corporation shareholders. Shareholders may recommend qualified director candidates by writing to:

Benjamin F. Riggs, Jr., Esq.
Corporate Secretary
Codorus Valley Bancorp, Inc.
P.O. Box 2887
York, PA 17405-2887

Submissions must include information regarding a candidate's citizenship, age, background, business and personal addresses, qualifications, experience, principal occupation or employment, directorships and other positions held by the candidate in business, charitable and community organizations and his/her willingness to serve as a member of the Board of Directors. Based on a preliminary assessment of the candidate's qualifications, the Corporate Governance and Nominating Committee may conduct interviews with, and request additional information from, the candidate.

The Board does not have a formal policy for considering director candidates recommended by shareholders due to the infrequency of nominations, but its policy is to give due consideration to any and all candidates and there are no differences in how the Corporate Governance and Nominating Committee evaluates a candidate for director based on whether the candidate is recommended by the Committee or by a shareholder.

Table of Contents

Nomination of Directors

Article 10, Section 10.1 of the Corporation's Bylaws requires that nominations for election as a director be made pursuant to timely notice in writing to the Secretary. To be timely, a shareholder's notice must be delivered to or received at the principal executive office of the Corporation not less than 90 days prior to the one year anniversary date of the preceding meeting of shareholders called to elect directors. The notice must provide the specific information required by Section 10.1 of the Bylaws. The Board is required to determine whether nominations have been made in accordance with the requirements of the Bylaws. If the Board determines that a nomination was not made in accordance with the Bylaws, the shareholder may be given an opportunity to cure any deficiency in accordance with the Bylaws.

You may obtain a copy of the Corporation's Bylaws by writing to Benjamin F. Riggs, Jr., Esq., Corporate Secretary, Codorus Valley Bancorp, Inc., P.O. Box 2887, York, PA 17405-2887. Additionally, a copy of the Corporation's current Bylaws has been filed with the Securities and Exchange Commission as Exhibit 3(ii) to Form 8-K filed February 17, 2012.

Deadline for Submission of Shareholder Proposals

In order for a shareholder to include a proposal in the Corporation's Proxy Statement for presentation at the 2016 Annual Meeting of Shareholders, the proposal must be received by the Corporation c/o Benjamin F. Riggs, Jr., Esq., Corporate Secretary, Codorus Valley Bancorp, Inc., P.O. Box 2887, York, PA 17405-2887, no later than December 11, 2015. Any such proposal must comply with Rule 14a-8 of Regulation 14A of the proxy rules of the Securities and Exchange Commission. If a shareholder proposal is submitted to the Corporation after December 11, 2015, it will not be included in the Corporation's 2016 Proxy Statement.

Any shareholder proposal not to be included in the Corporation's 2016 Proxy Statement and not received at the Corporation's principal executive office by February 24, 2016 will be considered untimely and, if properly presented at the 2016 Annual Meeting, the proxy holders will be able to exercise discretionary authority to vote on any such proposal to the extent authorized by Rule 14a-4(c) under the Securities Exchange Act of 1934, as amended.

PROPOSAL 1 – ELECTION OF DIRECTORS

The Corporation's Bylaws provide that the Board of Directors shall consist of not less than five (5) nor more than twenty-five (25) persons. The Bylaws also provide that the Board of Directors shall be divided into three (3) classes, with directors of each class to be elected for a term of three (3) years, so that the term of office of one class of directors expires at the annual meeting each year. Each class consists, as nearly as possible, of one-third of the directors. The Board of Directors determines the number of directors in each class.

A majority of the Board of Directors may increase or decrease the number of directors between meetings of the shareholders. Any vacancy occurring on the Board of Directors, whether due to an increase in the number of directors, resignation, retirement, death, or any other reason, may be filled by appointment by the remaining directors. Any director who is appointed to fill a vacancy holds office until the expiration of the term of the class of directors to which he or she was appointed. The Bylaws mandate the retirement of directors at age 75.

The Board of Directors has fixed the number of directors at eight (8). There are three (3) nominees for the Board of Directors for election at the 2015 Annual Meeting. The Board of Directors has nominated the following three (3) individuals for election to the Board of Directors, each for a three-year term:

Nominees for Class A Directors
For a Three Year Term Expiring in 2018

Jeffrey R. Hines, P.E.
Rodney L. Krebs
Dallas L. Smith

Each of the nominees presently serves as a director of the Corporation.

In the event that any nominee is unable to accept nomination or election, proxy holders will vote proxies received pursuant to this solicitation in favor of other persons recommended by the Board of Directors. The Board of Directors has no reason to believe that any of its nominees will be unable to serve as a director if elected.

The Board of Directors recommends a vote FOR the foregoing nominees.

Information about Nominees and Continuing Directors

Information, as of March 4, 2015, concerning the three nominees for election to the Board of Directors and the five continuing directors appears below. Each of the nominees and continuing directors also serves as a director of the Bank.

EXECUTIVE COMPENSATION

Introduction

This discussion relates to the compensation of the Named Executive Officers (“NEOs”) of the Corporation. As determined in accordance with applicable SEC rules, the Corporation’s NEOs are Mr. Miller, Mr. Weaver and Mr. Allen.

Role of the Compensation Committee

The Compensation Committee assists the Board of Directors in evaluating and setting salaries, bonuses and other compensation of the executive officers, administers the Corporation’s equity and other compensation plans (except those plans in which all employees may participate), and takes such other actions, within the scope of its charter, as the Committee deems necessary and appropriate. The Committee relies upon performance data, statistical information and other data regarding executive compensation programs, including information provided by the Corporation’s Human Resources division, the Corporation’s officers (except as to their own compensation) and outside advisors, as it deems appropriate. The Committee has unrestricted access to individual members of management and employees and may ask them to attend any Committee meeting or to meet with any member of the Committee. The Committee also has the power to retain, at the Corporation’s expense, such independent counsel and other advisors or experts as it deems necessary or appropriate to carry out its duties.

Management gathers and produces information for Committee meetings. As requested, the President and Chief Executive Officer and other members of senior management participate in Committee meetings to provide background information, compensation recommendations, performance evaluations and other items requested by the Committee. The Board of Directors makes all final determinations regarding the compensation of the executive officers, after a recommendation by the Committee.

Use of Consultants

In 2014, the Compensation Committee retained a single external compensation consultant, Mosteller & Associates, to review certain aspects of executive compensation, as more particularly described below. The consultant reported its recommendations directly to the Committee.

The Corporation does not have a policy that limits the other services that an executive compensation consultant can perform, but the Corporation has not engaged Mosteller & Associates for any other compensation related projects except for those directed by the Committee, and which were limited to engagements involving the compensation of the NEOs, Board of Directors and other executive officers. Specific instructions and directions given to the consultant and fees to be paid were outlined in individual engagement letters with respect to the scope and performance of its duties under each project. In general, however, Mosteller & Associates was instructed and directed to compare the Corporation’s current executive compensation practices with our financial institution industry peers, and based on that comparison, to recommend changes in our compensation practices that were consistent with our compensation philosophy and objectives.

Table of Contents

Risk Management

We do not believe that the Corporation's compensation programs and practices present any risks that are reasonably likely to have a material adverse effect on the Corporation.

The Compensation Committee believes that the direct compensation components of the executive compensation program salary, annual incentive opportunities, equity grants are reasonable, competitive and approximate the median of prevailing industry practices. The Committee intends to maintain the current leveraged approach to total compensation, directly tying a significant portion of an executive's total earnings to achievements against goals and objectives approved by the Board of Directors, while balancing the approach with appropriate controls to ensure that management is not incented to take excessive risks.

Employment Agreements

The Corporation and the Bank have entered into employment agreements with Messrs. Miller and Allen, the material terms of which are described below.

Larry J. Miller, Vice Chairman, President & Chief Executive Officer. On December 27, 2005, the Corporation, the Bank and Mr. Miller entered into an employment agreement for an initial term of three years. The term of the agreement renews automatically for an additional twelve (12) months at the end of each calendar year, unless the Corporation and the Bank provide written notice to Mr. Miller of non-renewal.

Under the terms of the agreement, Mr. Miller serves as the President and Chief Executive Officer of the Corporation and of the Bank, and serves as a member of the Boards of Directors of the Corporation and of the Bank. The agreement contains a confidentiality provision and a non-competition provision that prohibits Mr. Miller from competing with the Corporation or the Bank within fifty (50) miles of the Bank's registered office for a period of one (1) year following his termination of employment for any reason other than a change of control.

Mr. Miller received an annual salary of \$410,192 in 2014, which may be increased, but not decreased, in the future. In addition, the Boards of Directors have discretion to pay a periodic bonus to Mr. Miller. At the present time, Mr. Miller is not entitled to receive director's fees or other compensation for serving on the Corporation's or the Bank's Board of Directors or any committee thereof. Mr. Miller is also entitled to receive the employee benefits made available to Bank employees, generally; to the use of a vehicle provided by the Bank; and for reimbursement of country club dues.

The agreement with Mr. Miller provides that if his employment is terminated by the Corporation or the Bank due to death, disability or "for cause," then he is entitled to the full annual salary and any accrued benefits through the date of termination. "For cause" termination includes termination for willful failure to perform his duties; engaging in misconduct injurious to the Corporation or to the Bank; violation of certain terms of the agreement; dishonesty or gross negligence in the performance of his duties; violation of banking laws and regulations; failure to win election or to serve on the Board of Directors of the Corporation; or moral turpitude which brings public discredit to the Corporation or to the Bank.

Table of Contents

If Mr. Miller's employment is terminated by the Corporation or the Bank other than as a result of death, disability or "for cause," then he is entitled to a lump sum payment equal to his full annual salary from the date of termination through the last day of the term of the agreement or to an amount equal to his current annual salary, whichever is greater, and to a continuation of employee benefits for one (1) year.

If Mr. Miller terminates his employment for "good reason," then he is entitled to an amount equal to his direct annual salary and to a continuation of employee benefits for one (1) year. "Good reason" includes reduction in title or responsibilities; geographic reassignment; removal from office; reduction in salary or benefits; failure to extend the term of the agreement; or any other material breach of the agreement by the Corporation or the Bank.

If Mr. Miller's employment is terminated by the Corporation or the Bank other than "for cause" or if Mr. Miller terminates his employment for good reason within two (2) years following a change in control of the Corporation or the Bank, he is entitled to receive a lump sum payment equal to three (3) times the sum of his then current direct annual salary and the highest bonus paid to him with respect to one of the last three years of employment, and he will continue to receive all benefits to which he was previously entitled for a period of three (3) years. Change of control is defined to include a more than fifty percent (50%) change in ownership of the Corporation or the Bank, a change in effective control of the Corporation or the Bank or a change in ownership of a substantial portion of the Corporation's or the Bank's assets. Change of control is determined consistently under all of the Corporation's and the Bank's compensation plans and employment agreements, including Mr. Allen's employment agreement, which is described below.

In the event the amounts and benefits payable under the agreement resulting from a change of control, when added to all other benefits and amounts which may become payable to Mr. Miller by the Corporation and/or the Bank in such a circumstance, are such that they become subject to Section 280G of the Internal Revenue Code and, therefore, to the excise tax provisions of Section 4999 of the Internal Revenue Code, then Mr. Miller is to be paid the additional amount necessary to reimburse him for the economic detriment of the excise tax. If the amounts and benefits paid under the agreement are subject to Section 280G, they are not deductible by the Corporation.

Michael F. Allen, Vice President and Chief Operating Officer. On July 23, 2012, the Corporation and the Bank and Mr. Allen entered into an employment agreement, for an initial term of two years. The term of the agreement renews automatically for an additional twelve (12) months, unless the Corporation and the Bank provide written notice to Mr. Allen of non-renewal by April 1 of the contract term. Mr. Allen's agreement automatically renewed for an additional twelve (12) months on April 1, 2015.

Under the terms of the agreement, Mr. Allen serves as Vice President and Chief Operating Officer of the Corporation and Executive Vice President and Chief Operating Officer of the Bank. The agreement contains a confidentiality provision and a non-competition provision that prohibits Mr. Allen from competing with the Corporation or the Bank within fifty (50) miles of the Bank's registered office for a period of one (1) year following his termination of employment for any reason other than a change of control.

Table of Contents

Mr. Allen received an annual salary of \$228,462 in 2014, which may be increased, but not decreased, in the future. Mr. Allen is also entitled to receive the employee benefits made available to Bank employees; to the use of a vehicle provided by the Bank; and for reimbursement of country club dues.

The Bank can terminate Mr. Allen's employment "for cause", in which case Mr. Allen is entitled to receive his salary and benefits through the date of termination. Events which permit termination "for cause" include, among other things, conviction or a no contest plea with respect to certain types of crimes; failure to follow instructions of the President and Chief Executive Officer or to perform his duties; dishonesty or negligence; conduct bringing public discredit to the bank; breach of fiduciary duty involving personal profit; material violation of Bank policy; and violation of laws governing banks.

If Mr. Allen becomes disabled and becomes eligible for disability or workers compensation benefits, his base salary will be reduced by the amount of such benefits received. The agreement will automatically terminate upon Mr. Allen's death.

Mr. Allen can terminate his employment for "good reason", including, but not limited to: a reduction in his title, responsibilities, authority or salary; reassignment to a location more than fifty (50) miles from his current office; removal from office other than "for cause"; a reduction of benefits which is not applicable to all other similarly situated executive officers; delivery by the Bank of a notice of non-renewal; or any material breach of the agreement by the Bank.

If Mr. Allen's employment is terminated by the Corporation or the Bank other than "for cause" or if Mr. Allen terminates his employment for good reason, he is entitled to receive his remaining base salary for the term of the agreement expiring on July 23 of the current year. Mr. Allen would also be entitled to receive employee benefits for a period of one (1) year following such termination.

If Mr. Allen's employment is terminated other than "for cause" or if Mr. Allen terminates his employment for good reason within two (2) years following a change in control of the Corporation or the Bank, he is entitled to receive a lump sum payment equal to two (2) times the sum of his then current direct annual salary and the highest bonus paid to him with respect to one of the last three (3) years of employment, and he will continue to receive all benefits to which he was previously entitled for a period of two (2) years.

In the event the amounts and benefits payable under the agreement resulting from a change of control, when added to all other benefits and amounts which may become payable to Mr. Allen by the Corporation and/or the Bank in such a circumstance, are such that they become subject to Section 280G of the Internal Revenue Code and, therefore, to the excise tax provisions of Section 4999 of the Internal Revenue Code, then Mr. Allen is to be paid the additional amount necessary to reimburse him for the economic detriment of the excise tax. If the amounts and benefits paid under the agreement are subject to Section 280G, they are not deductible by the Corporation.

Long-Term Nursing Care Agreement

On December 27, 2005, the Corporation and the Bank entered into a Long-Term Nursing Care Agreement with Mr. Miller, with the final premium installment paid in 2013. The policy was originally purchased on May 27, 2003.

The cost of long-term nursing care is a growing concern among executives as they transition through life phases. The Compensation Committee believes that good health care planning reduces the amount of time and attention that Mr. Miller must spend on that topic and maximizes the net financial reward to Mr. Miller of the compensation he receives from the Corporation.

Change of Control Agreements

The NEOs and other employees of the Bank have built the Corporation into the successful enterprise that it is today, and the Compensation Committee believes that it is important to protect them in the event of a change of control. Further, it is the Committee's belief that the shareholders will be best served if the interests of management are aligned with the interests of the shareholders. Providing change of control benefits should eliminate, or at least reduce, the reluctance of management to pursue potential change of control transactions that may be in the best interests of the Corporation. Relative to the overall value of the Corporation, these potential change of control benefits are relatively minor. The level of change of control benefits are based on industry practices and negotiations with the Named Executive Officers.

Change of control benefits for Messrs. Miller and Allen are described above in the section describing their respective employment agreements.

Salary Continuation Agreements - Supplemental Executive Retirement Plans (SERPS)

On October 1, 1998, the Bank entered into salary continuation agreements (SERPS) with Messrs. Miller and Weaver, which were subsequently amended on December 27, 2005. These agreements provide for certain payments to these executives following the executive's normal retirement date and continuing for 240 months for Mr. Miller and for 180 months for Mr. Weaver. The SERPs provide an annual benefit at normal retirement age (age 60 for Mr. Miller and age 65 for Mr. Weaver) of \$130,433 (Mr. Miller) and \$74,797 (Mr. Weaver).

On December 23, 2008, the SERPs were amended to add a 4% annualized increase if the executive remains employed beyond his normal retirement age, up to a maximum of five (5) years. The agreements contain provisions for early retirement, disability benefits, death benefits and payments on specified changes of control. The agreements also contain non-competition provisions.

The non-competition provision contained in Messrs. Miller's and Weaver's SERPs prohibits them from competing with the Corporation or the Bank within fifty (50) miles of the Bank's registered office for a period of three (3) years following a termination of employment for any reason other than a change of control.

Table of Contents

Because payments due under the SERPs vest gradually over a period of time, the SERPs serve to encourage longevity with the Corporation and Bank. The Committee believes that it is appropriate to reward long-term executives with benefits that provide for a retirement lifestyle commensurate with that they experienced during their professional careers.

In connection with his retirement on December 31, 2014, Mr. Weaver will begin receiving benefit payments beginning on July 1, 2015.

Supplemental Long-Term Disability Program

The Corporation provides supplemental long-term disability insurance for certain executives, including Mr. Miller and Mr. Weaver. The individual policies are designed to supplement coverage, in the event of a disability, to bridge the gap between payments under the Corporation's general short- and long-term disability plans and the executive's salary.

2007 Long-Term Incentive Plan

The Corporation maintains a 2007 Long-Term Incentive Plan ("2007 Plan"), which was approved by the Corporation's shareholders. The purposes of the 2007 Plan are to advance the long-term success of the Corporation and to increase shareholder value by providing the incentive of long-term stock-based rewards to officers, directors and key Bank employees as determined by the Compensation Committee.

The 2007 Plan provides for awards of incentive stock options, non-statutory stock options, restricted stock awards, stock appreciation rights, and stock awards. The Compensation Committee administers the 2007 Plan. Persons eligible to receive awards under the 2007 Plan are those officers, directors and key Bank employees as determined by the Compensation Committee.

The Corporation granted 22,645 options and 9,840 shares of restricted stock under the 2007 Plan during 2014 to NEOs and other Bank officers. Awards to the NEOs are disclosed in the Outstanding Equity Awards Table below. The 2007 Plan originally reserved 345,980 shares of the Corporation's common stock for issuance. As of December 31, 2014, 178,138 shares are available for future issuance. The shares are subject to adjustment in the event of specified changes in the Corporation's capital structure. The options vest one (1) year after grant, have a ten-year term and provide for an exercise price equal to the fair market value on the grant date. The restricted shares vest over three (3) years from the date of grant. The vesting schedule is tied to the recipient's continued employment and is as follows: 0% at the end of the first year from the date of grant; 50% at the end of the second year from the date of grant; and 50% at the end of the third year from the date of grant.

Employee Stock Bonus Plan

In 2001, the Corporation implemented an Employee Stock Bonus Plan, administered by non-employee members of the Corporation's Board of Directors, under which the Corporation may issue shares of its common stock to employees as performance-based compensation. As of December 31, 2014, 16,545 shares of common stock were reserved for possible issuance under

Table of Contents

this plan, subject to future adjustment in the event of specified changes in the Corporation's capital structure. No shares were issued under the Employee Stock Bonus Plan in 2014.

401(k) Retirement Plan

The Bank maintains and sponsors a defined contribution 401(k) retirement plan. The 401(k) plan is administered by a committee which is appointed by the Board of Directors. The 401(k) plan is subject to the Internal Revenue Code of 1986, as amended, and to the regulations promulgated thereunder. Participants are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974, as amended.

Each full-time Bank employee who attains the age of 21, and successfully completes any probationary period(s), or if a part-time employee completes 1,000 hours of service per year, the employee may participate in the 401(k) plan. An eligible employee may elect to contribute certain portions of salary, wages, commissions, or other direct remuneration to the 401(k) plan. Generally, eligible employees may not contribute more than 50% of their compensation. In 2014, the Bank matched 100% of each employee's contribution up to 4% of the employee's salary. Employee and employer contributions to the 401(k) plan vest immediately.

Officer Group Term Replacement Insurance Plans

The Corporation provides an officers' life insurance program for certain Bank officers, including the NEOs. This program provides a death benefit to the officer's beneficiary in an amount equal to three (3) times the officer's highest base salary during employment; provided, the officer is employed by the Corporation at the time of his or her death. Under this program, the Bank is the beneficiary of any death proceeds remaining after an officer's death benefit is paid to his or her beneficiary. The Committee believes that this benefit helps the Corporation attract and retain talented individuals to the management team. It also believes that it is an appropriate compensation strategy to provide for the continuing lifestyle of the officers' families in the case of death.

Executive Incentive Plan

On February 14, 2012, the Compensation Committee and the Board of Directors adopted the Executive Incentive Plan ("EIP"). The EIP is designed to provide a form of results-oriented variable cash compensation which is directly linked to Corporation performance in terms of net income, and to provide for recognition of individual contributions to the Corporation's performance through an individual performance level which can be utilized to adjust an employee's award up or down. The EIP provides for return by the executives of earned awards if the relevant Corporation or individual performance measures upon which they are based are restated or otherwise adjusted within the 36-month period following release of financial information. For 2014, the NEOs and certain other members of executive officers were participants in the EIP. The Corporation performance measure is the Corporation's Board approved budgeted net income. Individual performance awards are discretionary as determined by the Board of Directors. Amounts earned by the NEOs are disclosed in the Executive Summary Compensation Table below.

Other Benefits

The NEOs also participate in the Corporation's other benefit plans on the same terms as other employees. These plans include medical and dental insurance, short and long-term disability insurance, Employee Stock Purchase Plan participation, and discounts on the Corporation's products and services.

DIRECTOR COMPENSATION

The Corporation and Bank use a combination of cash and stock-based compensation to attract and retain qualified candidates to serve on the Board. In setting director compensation, the Corporation and Bank consider the significant time commitment required of directors in fulfilling their duties to the Corporation.

Cash Compensation Paid to Board Members

In 2014, the Bank's non-employee directors were compensated for their services rendered as follows:

a monthly retainer of \$1,000;

directors' fees of \$750 for each regular or special meeting attended;

committee meeting fees paid at the rate of \$300 per hour; and

quarterly retainer paid to committee chairs of \$500 (Wealth Management Committee) and \$750 (Audit Committee).

The Bank's Chairman of the Board received a monthly retainer of \$1,500 in 2014. In addition, each non-employee director recognized imputed income for insurance premiums paid on behalf of the non-employee Bank directors, which totaled \$3,588 in 2014. The Bank provides a directors' life insurance program for non-employee directors. This program is designed to provide a death benefit to the director's beneficiary in the amount of \$100,000. Under this program, the Bank is the direct beneficiary of death benefits equal to the greater of: (1) the cash surrender value of the policy; (2) the aggregate premiums paid on the policy by the Bank less any outstanding indebtedness to the insurer; or (3) the amount in excess of \$100,000. In the aggregate, the Bank paid \$219,825 in cash compensation to the directors in 2014.

Independent Directors' Deferred Compensation Plan

RELATED PERSON TRANSACTIONS

Some of the Corporation and Bank's directors and executive officers and the companies with which they are associated were customers of and had banking transactions with the Bank during 2014. All loans and loan commitments made to them and their immediate family members and to their companies were made in the ordinary course of business, on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other customers of the Bank, and did not involve more than a normal risk of collectability or present other unfavorable features. The principal loan balance outstanding for these persons on December 31, 2014, was approximately \$132,102, which did not include unfunded commitments of approximately \$905,014. The Bank anticipates that it will enter into similar transactions in the future.

Proposed transactions with such persons or entities are reviewed and voted on by the Board of Directors of the Corporation or the Bank, as applicable. Interested parties do not participate in such review and vote.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's directors, executive officers and shareholders who beneficially own more than 10% of the Corporation's outstanding common stock to file initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Corporation with the Securities and Exchange Commission, and deliver a copy of such reports to the Corporation. Based on a review of copies of the reports we received, and on the statements of the reporting persons, with one exception, we believe that all Section 16(a) filing requirements were complied with in a timely fashion during 2014. The single late filing related to the exercise of stock options by Ms. Baker and was due to an inadvertent oversight.

PROPOSAL 2 –ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

Pursuant to section 14A of the Securities Exchange Act of 1934, we are again providing our shareholders the opportunity to vote on an advisory, non-binding resolution to approve the compensation paid to our Named Executive Officers, as described in this Proxy Statement. This advisory vote, commonly referred to as a "say-on-pay" vote, gives our shareholders the opportunity to endorse, or not endorse, the compensation of our Named Executive Officers on an annual basis. Shareholders are encouraged to carefully review the "Executive Compensation" section of this Proxy Statement for a detailed discussion of our executive compensation programs.

We believe that our executive compensation policies and programs, which are reviewed and approved by our Compensation Committee, are designed to align our Named Executive Officers' compensation with our short-term and long-term performance and to provide the compensation and incentives that are necessary to attract, motivate and retain key executives who are important to our continued success. The Compensation Committee regularly reviews all

Table of Contents

elements of our executive compensation program and takes any actions it deems necessary to continue to fulfill the objectives of our compensation programs. These programs have been designed to promote a performance-based culture which aligns the interests of our executive officers and other managers with the interests of our shareholders.

The Corporation's shareholders approved the compensation payable to our Named Executive Officers at the 2014 Annual Meeting of Shareholders by a majority of the votes cast, and we note that the Corporation has not made any material changes to its compensation programs or philosophies in the past year.

For the reasons discussed above, our shareholders are asked to again provide their support with respect to the compensation of the Corporation's Named Executive Officers by voting in favor of the following non-binding resolution:

“Resolved, that the shareholders of Codorus Valley Bancorp, Inc. approve the compensation of the Corporation's Named Executive Officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

Because this shareholder vote is advisory, it will not be binding on our Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required for Approval

The approval of the non-binding advisory proposal on our executive compensation requires the affirmative vote of a majority of the shares of common stock present at the meeting, in person or by proxy. Abstentions and broker non-votes that are counted only for purposes of determining a quorum will have the effect of a vote against this proposal.

Recommendation of the Board of Directors

The board of directors recommends a vote FOR the advisory, non-binding resolution approving the compensation paid to the Corporation's Named Executive Officers.

PROPOSAL 3 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Corporation's Audit Committee has selected the firm of BDO USA, LLP (“BDO”) as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Although shareholder approval of the selection of BDO is not required by law, the Board of Directors believes that it is advisable to give shareholders an opportunity to ratify this selection as is the common practice with other publicly traded companies.

Table of Contents

Vote Required for Approval

Assuming the presence of a quorum at the Annual Meeting, the affirmative vote of the majority of the shares present at the meeting, in person or by proxy, is required to ratify the appointment of BDO as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2015. If our shareholders at the 2015 Annual Meeting do not approve this proposal, the Audit Committee may reconsider its selection of BDO, but no determination has been made as to what action the Audit Committee would take if shareholders do not ratify the appointment of BDO.

Recommendation of the Board of Directors

The Board of Directors recommends that shareholders vote FOR ratification of the appointment of BDO USA, LLP as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2015.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee met with management periodically during the year to consider the adequacy of the Corporation's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Corporation's independent registered public accounting firm.

The Audit Committee met privately at its regular meetings with both the independent registered public accounting firm and the internal auditors, each of whom has unrestricted access to the Audit Committee.

The Audit Committee appointed, and the Board approved, BDO as the independent registered public accounting firm for the Corporation after reviewing the firm's performance with management and independence.

Management has primary responsibility for the Corporation's consolidated financial statements and the overall reporting process, including the Corporation's system of internal controls. The independent registered public accounting firm audited the annual consolidated financial statements prepared by management, expressed an opinion as to whether those consolidated financial statements fairly present the financial position, results of operations and cash flows of the Corporation in conformity with generally accepted accounting principles in the United States of America and discussed with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee reviewed with management and BDO, the Corporation's independent registered public accounting firm, the Corporation's audited consolidated financial statements and met separately with both management and BDO to discuss and review those consolidated financial statements and reports prior to issuance. Management has represented, and BDO has confirmed to the Audit Committee, that the consolidated financial statements were prepared in accordance with generally accepted accounting principles in the United States of America.

Table of Contents

The Audit Committee received from and discussed with BDO the written disclosure and the letter required by PCAOB Rule 3526 Communication With Audit Committees Concerning Independence. These items relate to that firm's independence from the Corporation. The Audit Committee also discussed with BDO matters required to be discussed by Auditing Standard No. 16 Communication with Audit Committees. The Audit Committee monitored certified public accounting firm independence and reviewed audit and non-audit services performed by BDO.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors and the Board has approved that the audited consolidated financial statements be included in the Annual Report on Form 10-K as of and for the year ended December 31, 2014, for filing with the Securities and Exchange Commission.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has selected BDO as the independent registered public accounting firm for the examination of its consolidated financial statements as of and for the fiscal year ending December 31, 2015. BDO served as the Corporation's independent registered public accounting firm for the year ended December 31, 2014.

We expect a representative of BDO to be present at the Annual Meeting to respond to appropriate questions and to make a statement if the representative desires to do so.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On July 9, 2013, the Corporation, after review and recommendation of the Corporation's Audit Committee, appointed BDO as the Corporation's new independent registered public accounting firm for and with respect to the year ending December 31, 2013 and dismissed ParenteBeard LLC from that role. This decision was based primarily on the fact that the principal audit and tax personnel assigned to the Corporation at ParenteBeard resigned from ParenteBeard and joined BDO.

The reports of ParenteBeard on the Corporation's financial statements as of and for the year ended December 31, 2012 did not contain an adverse opinion or a disclaimer of an opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Corporation's two most recent fiscal years and the subsequent interim period preceding ParenteBeard's dismissal, there were: (i) no disagreements with ParenteBeard on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of ParenteBeard, would have caused it to make reference to the subject matter of the disagreements in its reports on the

Table of Contents

consolidated financial statements of the Corporation; and (ii) no “reportable events” (as such term is defined in Item 304(a)(1)(v) of Regulation S-K).

The Corporation previously provided ParenteBeard with a copy of the foregoing statements prior to its filing with the Securities and Exchange Commission and requested ParenteBeard to furnish to the Corporation a letter addressed to the SEC stating that it agrees with the statements made above. A copy of ParenteBeard’s letter dated July 11, 2013 is attached as Exhibit 16.1 to the Corporation’s Form 8-K filed on July 12, 2013.

During the Corporation’s two most recently completed fiscal years and through the date of the Corporation’s appointment of BDO, the Corporation did not consult with BDO regarding (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Corporation’s consolidated financial statements, and no written or oral advice was provided by BDO that was an important factor considered by the Corporation in reaching a decision as to accounting, auditing or financial reporting issues, or (ii) any matter that was either the subject of a disagreement or event, as set forth in Item 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K.

Fees of Independent Public Accountants

Aggregate fees billed to the Corporation by BDO for services rendered for 2014 are presented below:

	Year Ended December 31,	
	2014	2013
Audit Related Fees	\$ 117,500	\$ 116,427
Tax Fees	18,532	5,737
Total Fees	\$ 136,032	\$ 122,164

Audit fees include professional services rendered for the audit of the Corporation’s annual consolidated financial statements included in Form 10-K and review of consolidated financial statements included in Form 10-Q and services normally provided in connection with statutory and regulatory filings, including out-of-pocket expenses. These fees also include an audit of internal controls over financial reporting in accordance with the Federal Deposit Insurance Corporation Improvement Act and for 2014, the Sarbanes-Oxley Act of 2002. Tax fees for 2014 and 2013 include the following: preparation of state and federal returns, tax planning matters, and assistance with tax questions and research.

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services,

Table of Contents

audit-related services, tax services, and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent registered public accounting firm. Under the policy, pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of particular services on a case-by- case basis. The Audit Committee approved all fees, including tax fees, during 2014 and 2013.

The Audit Committee has considered BDO's provision of non-audit services and determined that such services are compatible with maintaining BDO's independence.
