Forward-Looking Statements

This document may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause Hilltop's or PlainsCapital's actual results, performance or achievements to be materially different from any expected future results, performance, or achievements. Forward-looking statements speak only as of the date they are made and none of Hilltop, Merger Sub, PlainsCapital nor their affiliates assumes any duty to update forward-looking statements.

Words such as "anticipate," "believe," "could," "estimate," "expect," "may," "plan," "will," "would" and other similar expressions are intended to identify these forward-looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: (i) the possibility that the merger does not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all; (ii) changes in Hilltop's stock price before closing, including as a result of PlainsCapital's earnings, broader stock market movements, and the performance of financial companies and peer group companies; (iii) the risk that the benefits from the transaction may not be fully realized or may take longer to realize than expected, including as a result of changes in general economic and market conditions, interest and exchange rates, monetary policy, laws and regulations and their enforcement, and the degree of competition in the geographic and business areas in which PlainsCapital operates; (iv) the ability to promptly and effectively integrate the businesses of Hilltop and PlainsCapital; (v) the reaction of the companies' customers, employees and counterparties to the transaction; and (vi) diversion of management time on merger-related issues. For more information, see the risk factors described in each of Hilltop's and PlainsCapital's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other filings with the Securities and Exchange Commission (the "SEC").
