This Amendment No. 3 to Schedule 14D-9 (this “**Amendment**”) amends and supplements the Solicitation/Recommendation Statement on Schedule 14D-9 previously filed with the Securities and Exchange Commission (the “**SEC**”) on September 13, 2016 (together with the Exhibits or Annexes thereto, and as amended or supplemented from time to time, the “**Schedule 14D-9**”) by MediaNews Group, Inc., a Delaware corporation (“**MNG**”). The Schedule 14D-9 relates to the tender offer by Merlin Global Acquisition, Inc., a Delaware corporation (“**Purchaser**”) and a wholly-owned subsidiary of Randstad North America, Inc., a Delaware corporation (“**Parent**”), disclosed in the Tender Offer Statement on Schedule TO (together with the Exhibits or Annexes thereto, and as amended or supplemented from time to time, the “**Schedule TO**”), filed by Purchaser and Parent with the SEC on September 6, 2016, pursuant to which Purchaser has offered to purchase all of the outstanding shares of common stock, par value \$0.001 per share (the “**Shares**”) of Monster Worldwide, Inc. (“**Monster**”) at a purchase price of \$3.40 per Share, net to the seller in cash, without interest thereon and less any applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated September 6, 2016 (as amended or supplemented from time to time, the “**Offer to Purchase**”), and in the related Letter of Transmittal which, together with any amendments or supplements thereto, collectively constitute the “**Tender Offer.**”

Capitalized terms used but not otherwise defined in this Amendment shall have the meanings ascribed to them in the Schedule 14D-9.

Except as set forth below, the information set forth in the Schedule 14D-9 remains unchanged and is incorporated herein by reference as relevant to the items in this Amendment.

EXHIBIT 4

The following statements were made by MNG regarding the Tender Offer in a revised preliminary consent statement filed with the SEC on October 19, 2016:

We believe the Company can be revitalized, instead of being sold for an undervalued price of \$3.40 per share. As previously disclosed in press releases to stockholders, should the Nominees get elected to the Board and should the Tender Offer fail, the Nominees would work to reduce expenses at Monster by \$100-\$150 million by streamlining Monster's cost structure, monetizing non-core or underperforming assets that are not being valued in Monster's current stock price, reducing capital expenditures to be more in-line with competitors and other digital companies, simplifying Monster's product offering and increasing sales productivity, focusing marketing efforts on B2B customer acquisition and candidate acquisition to improve ROI for stockholders, and executing a rebranding campaign to attract millennials.

We are confident that with the right leadership and oversight, Monster can stem the revenue declines it is experiencing and restructure its operations to significantly increase profitability. Because this Consent Solicitation is being offered as an alternative to the Tender Offer, we expect that stockholders who consent to the Proposals will not tender their shares in the Tender Offer. If this Consent Solicitation is successful and the Tender Offer has not yet been consummated, we believe that the new Board may be required, under applicable law and based on the advice of counsel, to withdraw the Board's previous recommendation that stockholders of the Company accept the Tender Offer and tender their shares. As a result of such change in recommendation, Randstad may be entitled to terminate the Merger Agreement and cause the Company to pay a termination fee of \$9,000,000. In such case, Randstad may also argue such a change of recommendation (prior to the termination of the Merger Agreement) would be an "Intentional and Knowing Breach" of the Merger Agreement and permit Randstad to pursue a breach of contract claim for additional monetary damages (which are not subject to any contractual cap) that it may be entitled to should a court of competent jurisdiction find in favor of Randstad. However, it is our belief that a breach of contract claim would be without merit and that the Company's liability would not extend beyond the \$9,000,000 termination fee.

Should the Tender Offer not have been consummated and the Merger Agreement not have been terminated prior to November 30, 2016 (or such later date if extended pursuant to the Merger Agreement), the Nominees currently intend to terminate the Merger Agreement. Such decision, along with all other decisions made by the Nominees should they be elected to the Board, will be subject to the Nominees' fiduciary duties as directors and their being fully informed by management and advisors of all relevant facts and information. In the event that both the Consent Solicitation and the Tender Offer are successful, we expect the new Board to comply with its responsibilities under the Merger Agreement, which may include permitting the consummation of the merger.
