GM/Hughes Statement Regarding Department of Justice Position On
Hughes/Echostar Merger

NEW YORK, Oct. 31 /PRNewswire/ -- The following is a GM/Hughes statement
regarding the Department of Justice's position on the Hughes/Echostar merger:

We are disappointed with both the Department of Justice and Federal
Communications Commission views on this merger. We continue to believe that this
transaction would provide significant benefits to consumers and would be in the
best interest of our shareholders. The merged company would double the spectrum
and offer opportunity for new programming, new services like HDTV and
video-on-demand, and potentially hold the opportunity for residential broadband.

We will consult with Echostar to jointly determine our next steps.

In connection with the proposed transactions, General Motors Corporation ("GM"),
HEC Holdings, Inc. ("Hughes Holdings") and EchoStar Communications Corporation
("EchoStar") have filed amended preliminary materials with the Securities and
Exchange Commission ("SEC"), including a Registration Statement of Hughes
Holdings on Form S-4 that contains a consent solicitation statement/information
statement/prospectus. These materials are not yet final and will be further
amended. Holders of GM \$1-2/3 and GM Class H common stock are urged to read the
definitive versions of these materials, as well as any other relevant documents
filed or that will be filed with the SEC, as they become available, because
these documents contain or will contain important information. The preliminary
materials, the definitive versions of these materials and other relevant
materials (when they become available), and any other documents filed by GM,
Hughes Electronics Corporation ("Hughes"), Hughes Holdings or EchoStar with the
SEC may be obtained for free at the SEC's website, www.sec.gov, and GM
stockholders will receive information at an appropriate time on how to obtain
transaction-related documents for free from GM.

GM and its directors and executive officers, Hughes and certain of its officers,
and EchoStar and certain of its executive officers may be deemed to be
participants in GM's solicitation of consents from the holders of GM \$1-2/3
common stock and GM Class H common stock in connection with the proposed
transactions. Information regarding the participants and their interests in the
solicitation was filed pursuant to Rule 425 with the SEC by EchoStar on November
1, 2001 and by each of GM and Hughes on November 16, 2001. Investors may obtain
additional information regarding the interests of the participants by reading
the amended preliminary consent solicitation statement/information
statement/prospectus filed with the SEC and the definitive consent solicitation
statement/information statement/prospectus when it becomes available.
