NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - UNAUDITED
(In thousands of U.S. dollars)

NOTE 1 - GENERAL

The accompanying financial statements have been prepared in a condensed format as of September 30, 2002, and for the nine months and three months then ended in accordance with generally accepted accounting principles in the United States (U.S. GAAP) relating to the preparation of financial statements for interim periods. See Note 7 for the reconciliation from US GAAP to accounting principles generally accepted in Israel (Israeli GAAP).

These statements should be read in conjunction with the Company's annual financial statements and accompanying notes as of December 31, 2001.

The interim financial statements reflect all adjustments which are, in the opinion of management, necessary for a fair presentation. All such adjustments were of a normal recurring nature.

Operating results for the nine months ended September 30, 2002, are not necessarily indicative of the results that may be expected for the year ending December 31, 2002.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed in the preparation of these financial statements are identical to those applied in preparation of the latest annual financial statements, except as described in Note 4.

The accompanying financial statements have been prepared in U.S. dollars since the functional currency of the primary economic environment in which the operations of the Group (which includes the Company and its subsidiaries) are conducted is the U.S. dollar.

NOTE 4 - GOODWILL AND OTHER INTANGIBLE ASSETS

On January 1, 2002, the Company adopted Statement of Financial Accounting Standards No. 142, Goodwill and Other Intangible Assets (SFAS 142) and accordingly goodwill is no longer being amortized as of January 1, 2002. In accordance with SFAS 142, the Company has also evaluated the useful lives of its other intangible assets and has concluded that no change in the period of amortization is necessary.

The annual amortization expense relating to intangibles existing as of September 30, 2002 for each of the five years in the period ending December 31, 2006 is estimated to be approximately \$7,000.

As of January 1, 2002, the Company has unamortized goodwill in the amount of \$36,000.

In connection with SFAS No. 142's transitional goodwill impairment evaluation, the Company, based on an independent valuation of the fair value of each reporting unit, has determined that the carrying amount of each reporting unit does not exceed its fair value as of January 1, 2002. Accordingly, the Company concluded that as of January 1, 2002 no goodwill impairment loss should be recorded.
