Elbit Systems to Upgrade Tanks for a Customer in the
Asia-Pacific Region Under \$290 Million Contract

Haifa, Israel, March 20, 2014 – Elbit Systems Ltd. (NASDAQ and TASE: "ESLT") ("Elbit Systems") announced today, that it was awarded a contract by a customer in the Asia-Pacific region to perform a tank upgrade program. The contract, valued at approximately \$290 million, will be performed over a three-year period.

The upgrade program will provide the tanks with night operation capabilities by the supply of a variety of advanced systems, such as gunner sights and fire control systems.

Elbit Systems President and CEO, Bezahel (Butzi) Machlis, said: "We are very pleased to be awarded this significant contract, demonstrating our unique capabilities and experience in upgrading main battle tanks. Asia-Pacific is one of Elbit Systems' key markets and we are very glad to announce yet another success in this region".

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current

fact. Forward Looking Statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
