WINTRUST FINANCIAL CORPORATION ANNOUNCES PLANS TO

ACQUIRE VILLAGE BANCORP, INC.

LAKE FOREST, ILLINOIS - Wintrust Financial Corporation ("Wintrust") (Nasdaq: WTFC) today announced the signing of a definitive agreement to acquire Village Bancorp, Inc. ("Village") in a stock merger transaction. Village is the parent company of Village Bank and Trust--Arlington Heights ("Village Bank") that has locations in Arlington Heights and Prospect Heights, Illinois. Village Bank began operations as a de novo bank in 1995 and had total assets of approximately \$74 million as of June 30, 2003.

"This transaction is a great fit for both companies," stated Edward J. Wehmer, President and CEO of Wintrust. "Village Bank shares our commitment to community banking and customer service. The merger will help fulfill Wintrust's desire to expand into the desirable northwest Chicago metropolitan area and builds upon our recently announced pending acquisition of another de novo bank with locations in nearby communities. These two announced mergers will give Wintrust a foundation of nearly \$200 million in assets to build upon in the near northwest suburbs. Village Bank has a terrific operating culture, solid growth and profit potential, and a dedicated board of directors and management

team." He added: "We look forward to providing Village with enhanced lending capacity and wealth management products through our Wayne Hummer Companies."

"We are excited about the opportunity to combine resources with Wintrust," said Thomas H. Roth, Village's Chairman. He noted both Wintrust and Village share a common philosophy toward community banking and a commitment to outstanding customer service. Mr. Roth emphasized that by joining forces with Wintrust, Village Bank's customers will not only retain very high levels of

customer service but will also gain access to a wider range of products and services through the strength Wintrust can offer. "We clearly see benefits for our customers, shareholders and employees and we look forward to joining the Wintrust team," he said.

Mr. Wehmer also commented: "Our success to date was achieved through our commitment to the de novo approach to growth, and this acquisition is consistent with that philosophy." Mr. Wehmer emphasized, "Wintrust will continue to charter new de novo banks in the future and will also welcome other opportunities like this."

TERMS OF THE TRANSACTION

In the merger, each share of Village common stock outstanding will be converted into the right to receive shares of Wintrust's common stock based on Wintrust's average trading price at closing determined in accordance with the merger agreement. The aggregate purchase price would be approximately \$9.0 million, or approximately two times the current book value of Village. At June 30, 2003, Village had outstanding 1,052,054 shares of common stock and in-the-money warrants to acquire approximately 150,000 shares of common stock at exercise prices ranging from \$6.50 to \$7.50 per share. Under the agreement, any warrants not exercised prior to the closing date will be cashed out based on the resulting per share value. Consummation of the transaction is not expected to have a material impact on Wintrust's 2003 or 2004 earnings per share.

The transaction is subject to approval by regulators and Village's shareholders and certain closing conditions. The transaction is expected to close in the fourth quarter of 2003.
