Introduction

CNE Group, Inc., a Delaware corporation, is mailing this Statement on or about November 4, 2005 to holders of record on November 3, 2005 of our shares of common stock. We are furnishing this Statement in connection with the change of all of our directors to be effected at a meeting of our board of directors to be held on November 14, 2005, referred to herein as the Effective Date.

Background of the Transaction and Change in Control

On November 2, 2005, we issued 10,000,000 shares of our Series AAA Preferred Stock to Empire Advisory, LLC in payment for a note in the principal amount of \$125,000,000 issued by Arrow Resources Development Ltd., our wholly-owned subsidiary. Arrow issued the note to Empire for a marketing and distribution agreement that Empire induced Arrow Pacific Resources PNG Ltd., referred to herein as PNG, to enter into with Arrow. In connection therewith, Empire has agreed to pay certain of our expenses, including expenses relating to this transaction, aggregating \$350,000, of which approximately \$70,000 has been paid as of the date hereof and the balance will be paid on the Effective Date. George W. Benoit, our Chief Executive Officer, will be paid \$60,000 of this amount on the Effective Date for services that he is rendering to us. Empire was founded and is managed by Peter J. Frugone, who, on the Effective Date, will become our President and Chief Executive Officer as well as one of our directors

In April 2005 Empire entered into a merchant banking agreement with Arrow Pacific Resources (S) Pte. Ltd., referred to herein as APR, an affiliate of PNG, pursuant to which Empire agreed to assist APR to obtain a potential US public company merger candidate and financing. APR paid Empire \$150,000 for these services. In connection therewith, Empire introduced us to APR and, as of the date hereof, Empire has represented to us that it has obtained debt financing for this transaction from certain investors, some of whom will become our directors on the Effective Date, including Mr. Frugone. Empire plans to repay this debt by delivering shares of Series AAA Preferred Stock in satisfaction thereof to the debt holders and transfer the balance to APR. Empire believes that at least approximately 8,500,000 shares of Series AAA

Preferred Stock will be transferred to APR and the balance to the debt holders to be allocated among them on a mutually agreeable basis.

APR and PNG have represented to us that they and their affiliated companies have initiated the commercial development of timber resources and a

Edgar Filing: CNE GROUP INC - Form SC 14F1

eucalyptus plantation operation in Papua, New Guinea. On August 1, 2005, Arrow entered into the marketing and distribution agreement with APR to act as the exclusive worldwide marketer and distributor for all of APR's timber and derivative products. This agreement terminates on July 31, 2103 unless sooner terminated or renewed in accordance with its terms. APR has been granted a license by the government of Papua, New Guinea for the development of plantation operations on more than 100,000 hectares of land and has entered into land leases with the owners of this property. The license terminates in 2098. The marketing agreement provides for Arrow to retain 10% of the gross sales generated by all plantation operations from all resources and all derivative products, such as paper, pulp and chips.

On May 28, 2005, Arrow entered into five-year Engagement Agreement with Hans Karundeng, the sole owner of APR. Pursuant to this agreement Mr. Karundeng will provide Arrow with business and financial consulting services for which he will be paid \$1,000,000 annually. On August 1, 2005, Arrow entered into a five-year Employment Agreement with Rudolph Karundeng, Hans Karundeng's son, pursuant to which Rudolph Karundeng will be employed as our Chairman of the Board and be responsible for executive oversight, strategic planning and direction of field operations. He will be paid \$1,000,000 annually for these services and be granted certain stock options.

On August 1, 2005, Arrow also entered into a five-year Management Agreement with Empire. Pursuant to this agreement Empire will manage Arrow's business and financial affairs and, in connection therewith, provide Arrow with Mr. Frugone's services as President and Chief Executive Officer. Arrow will pay Empire a management fee of \$1 million during the first year of the agreement, which will increase annually by 125%, and \$600,000 each year for expenses, including rent, incurred by Empire.

The management, engagement and employment agreements all provide that the payment of fees and/or salaries pursuant thereto will be subject to available cash flow generated by the operation of Arrow's business.

Each share of preferred stock issued to Empire has the right to cast 62.4 votes on any matter brought before our stockholders for a vote. Based thereon, the shares of preferred stock grant Empire the right to cast 96% of all votes on any matter brought before our stockholders for a vote.

Our Directors held a Board meeting on October 21, 2005, at which they agreed to cause Arrow to satisfy its \$125,000,000 note to Empire by issuing the 10,000,000 shares of voting Series AAA Preferred Stock to Empire on the condition that we receive (i) an independent valuation of Arrow's marketing and distribution agreement with PNG acceptable to us and (ii) Arrow's financial statements, independently audited as of September 30, 2005, that would reflect a stockholders' equity of approximately \$124,000,000 after repayment of the \$125,000,000 note to Empire without incurring debt

-2-

to effect that repayment. Our Board believed that, in reliance upon the independent valuation, the effectiveness of APR's license with the government of Papua, New Guinea and the land leases in accordance with their terms, and upon the accuracy of Arrow's audited financial statements and the information provided to us by APR about its business, our issuance of the 10,000,000 shares of voting Series AAA Preferred stock to Empire in payment for Arrow's \$125,000,000 note to Empire would be fair to our existing stockholders from a financial and equitable point of view. We have received the independent valuation and the audited Arrow financial statements. Based on the foregoing,

Edgar Filing: CNE GROUP INC - Form SC 14F1

our Board effected the issuance of the Series AAA Preferred and all related transactions and the change in control.

Our Board also approved that, as part of our agreement with Empire, we would change our name to Arrow Resources Development Limited or a similar name, change our jurisdiction of organization from Delaware to Bermuda and amend our Certificate of Incorporation to increase the number of shares we are authorized to issue to 1 billion. The Board also agreed that upon repayment of the Note, we would cancel all of our preferred stock other than the Series AAA Preferred Stock to be issued to Empire, all of our material debt obligations and all of our outstanding warrants and options. In furtherance thereof, we:

- (i) exchanged all of our 1,392,630 shares of Series A Preferred Stock for our common stock at the rate of one share of Preferred Stock for one share of common stock and thereafter retired this Preferred Stock;
- (ii) purchased all of our 4,400 shares of Series B Preferred Stock for an aggregate price of \$20,000.00 and thereafter retired this Preferred Stock;
- (iii) exchanged all of our 1,145,000 Series G Preferred Stock at the rate of one share of Preferred Stock for two shares of common stock and thereafter retired this Preferred Stock
- (iv) exchanged all of our outstanding debt, exclusive of accrued but unpaid salaries, directors' and professional fees and expenses, and exclusive of the debt cancelled pursuant to a transaction described below under Related Transactions relating to the sale of one of our subsidiaries, in the aggregate amount of approximately \$1,370,000 for an aggregate of 2,837,533 shares of common stock;
- (v) issued 373,277 shares of common stock to independent contractors for services they rendered to us; (vi) except for the warrants and options referred to in the transaction relating to the sale of our subsidiary, exchanged all of our warrants and options for an aggregate of 6,275,772 shares of common stock; and
- (vii) executed mutual general releases with certain of our creditors including, among others, our officers and directors, pursuant to which all of our accrued but unpaid salaries, directors' and professional fees and expenses in the aggregate amount of approximately \$1,350,000 were released.

We issued all of our common stock in the foregoing transactions pursuant to the exemptions from the registration provisions of the securities Act of 1933 provided by Sections 3(a)(9) and 4(2) thereof.

-3-

Each of our directors, including Mr. Benoit, has agreed with APR that he would, from the date hereof through the Effective Date, which is ten days after filing this Statement with the Securities and Exchange Commission, referred to herein as the Filing, and its transmission to our stockholders of record:

- (i) take no material action as a director and/or officer, as the case may be, except in consultation with APR; and

Edgar Filing: CNE GROUP INC - Form SC 14F1

- (ii) upon the expiration of ten days after the Filing, together with our other directors, vote at a meeting of our board to resign seriatim from the board while appointing Rudolph Karundeng, Peter J. Frugone, John E. McConnaughy, Jr. and John W. Allen, the individuals designated by Empire, to serve as our directors.

Mr. Benoit has also agreed to resign as our Chief Executive Officer on the Effective Date.

Our board has scheduled a meeting to be held on the Effective Date, at which time Mr. Benoit, Anthony S. Conigliaro, Charles W. Currie, and David W. Dube, who comprise all of our current directors, will effect the actions described in paragraph (ii) above. At that time, Messrs. Karundeng, Frugone, McConnaughy and Allen, as our new board, will (i) elect Mr. Frugone as our President and Chief Executive Officer and Rudolph Karundeng as our Chairman of the Board and Senior Vice President; and (ii) retain Hans Karundeng as our Senior Advisor.

Reason for Information Statement

Because we are changing a majority of our directors otherwise than at a meeting of our stockholders, we are required, pursuant to Section 14(f) of the Securities Exchange Act of 1934 and Rule 14f-1 promulgated by the Commission thereunder, to provide our stockholders and the Commission with certain information not less than ten days prior to the date on which the change will take place. We are filing this Information Statement with the Commission and sending it to our stockholders in compliance with that Rule.

- o has a liquidating preference over all of our other equity of \$60.00,
- o has no dividend rights,
- o is automatically convertible into 62.4 shares of our common stock, subject to certain anti dilution provisions, immediately after our stockholders have approved the conversion and increased the number of shares of common stock we are authorized to issue in order to effect the conversion, and

2003 Stock Incentive Plan.

Our Stockholders approved the 2003 Stock Incentive Plan, which provides, among other matters, for incentive and non-qualified stock options to purchase 10,000,000 shares of our common stock. The purpose of the 2003 Plan is to provide incentives to officers, key employees, directors, independent contractors and agents whose performance will contribute to our long-term success and growth, to strengthen our ability to attract and retain officers, key employees, directors, independent contractors and agents of high competence,

Edgar Filing: CNE GROUP INC - Form SC 14F1

to increase the identity of interests of such people with those of our stockholders and to help build loyalty to the Company through recognition and the opportunity for stock ownership. The Incentive Compensation Committee of the Board administers the 2003 Plan.

-12-

The 2003 Plan permits the granting of both incentive stock options and non-qualified stock options. Generally, the option price of both incentive stock options and non-qualified stock options must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing more than 10% of the voting rights of the outstanding shares of our common stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Board may determine at the time it grants options.

Under the 2003 Plan, incentive stock options may be granted only to officers and employees and non-qualified stock options may be granted to officers, employees as well as directors, independent contractors and agents.

The 2003 Plan may be amended, terminated or modified by the Board at any time, except that the Board may not, without approval by a vote of our stockholders (i) increase the maximum number of shares for which options may be granted under the 2003 Plan, (ii) change the persons eligible to participate in the 2003 Plan, or (iii) materially increase the benefits accruing to participants under the 2003 Plan. No such termination, modification or amendment may affect the rights of an optionee under an outstanding option or the grantee of an award.

The following table sets forth certain information relating to incentive stock options, each to purchase one share of our common stock, that have been granted by our Incentive Compensation Committee:

Date of Grant	Recipients	Number of Options	Weighted average per share exercise price

All recipients of all outstanding awards under the 2003 Plan have waived their rights to these awards pursuant to agreements described below under Related Transactions. No options granted under this Plan have ever been exercised.

On June 10, 2004, as amended pursuant to an agreement dated as of September 28, 2004, we entered into an Option Cancellation Agreement with Thomas L. Sullivan, an officer of one of our former subsidiaries, and Gary L. Eichsteadt, an employee of that subsidiary who is also one of our former directors, relating to 420,000 incentive stock options issued on January 21, 2004 pursuant to which they relinquished all right and title to their awards in consideration for 104 equal weekly cash payments aggregating \$50,000. These payment obligations were cancelled when we sold this subsidiary to them in a transaction described below under Related Transactions.

On January 10, 2005, as part of the settlement of a litigation with us, three of our former officers and directors agreed to exchange all of their incentive stock options, as well as all of their Class AA and Class C Preferred Stock for 850,000 shares of our common stock, which we issued to them May 10, 2005. We issued these shares pursuant to the exemptions from the registration provisions of the Securities Act of 1933 provided by Sections 3(a)(9) and 4(2) thereof. We have retired the preferred stock and cancelled the options.

(c) Director Compensation

Until October 1, 2003, we did not pay directors who were also our employees any fees for serving as directors, but reimbursed them for their out-of-pocket expenses in connection with such duties. Effective October 1, 2003, we agreed to pay directors who are not also our employees a monthly retainer of \$1,000, plus expenses incurred for attending meetings of the Board, Annual Stockholders Meetings, and for each meeting of a committee of the Board not held in conjunction with a Board meeting. In addition, effective October 1, 2003, any director who is also a member of the Executive Committee was to be paid an additional monthly retainer of \$1,000. We accrued director compensation in the aggregate amount of \$58,000 in 2004. All of this accrued compensation was cancelled pursuant to agreements described below under Related Transactions.

Meetings of the Board and its Committees

During 2004, the Board had 15 meetings and each director attended at least 75% of the aggregate of the total number of Board meetings and meetings of all committees of the Board on which he served.

Our By-Laws provide for an Executive Committee consisting of the Chairman of the Board and not less than two other directors to exercise the powers of the board during the intervals between meetings of the board. During the period January 1 through June 17, 2004, the Executive Committee consisted of Messrs. Benoit and Dube, and Michael J. Gutowski and Larry M. Reid, former directors, and it had ten meetings. For the period June 18, 2004 through September 11, 2004, the Executive Committee consisted of

Messrs. Benoit, Dube, Gutowski and Reid, and Joseph G. Anastasi, a former director, and it had four meetings. For the period September 12, 2004 through January 14, 2005 the Executive Committee consisted of Messrs. Benoit, Anastasi, Conigliaro, Currie and Dube and it had four meetings. On August 31, 2005, Mr. Conigliaro resigned from this committee and October 21, 2005, Mr. Anastasi resigned from this committee when he resigned from our Board. On January 15, 2005, Mr. Eichsteadt joined the Executive Committee and he resigned on November 3, 2005. On the Effective Date Messrs. Benoit, Currie and Dube will resign from this Committee and be replaced by Messrs. McConnaughy and Allen.

The Board also has an Audit Committee that consists of our outside directors. This committee discusses audit and financial reporting matters with both our management and our independent public accountants. To ensure independence, our independent public accountants may meet with the Audit Committee with or without the presence of management representatives. During the period January 1 through December 31, 2004, the Audit Committee consisted of Messrs. Anastasi, Currie and Dube and had seven meetings. Mr. Anastasi resigned from this committee on October 21, 2005. Each of these committee members is an Independent Director as the American Stock Exchange defines that term, where our stock was listed for trading during 2004. Our stock was suspended from trading on August 25, 2005 and delisted on September 26, 2005. It now trades on the over the counter Bulletin Board. In addition, Mr. Dube is a financial expert as defined in the Commission's rules. We believe that each current Audit Committee member is independent of management and free of any relationship that would interfere with his exercise of independent judgment as a member of this committee. On the Effective Date Messrs. Currie and Dube will resign from this Committee and be replaced by Messrs. McConnaughy and Allen.

The principal function of the Audit Committee is to serve as an independent and objective party to assist the Board of Directors in monitoring the integrity of our financial statements, our compliance with legal and regulatory requirements, and the independence and performance of our auditors.

The Board also has a Compensation Committee for the purpose of reviewing the compensation of our officers and employees and making recommendations to the board with respect thereto. During 2004 this Committee consisted of Messrs. Benoit, Gutowski, Reid and Dube and had no meetings. Messrs. Gutowski and Reid were removed from this Committee on September 11, 2004. On the Effective Date Messrs. Benoit and Dube will resign from this Committee and be replaced by Messrs. McConnaughy and Allen.

The Board also has a Nominating Committee to propose nominees for election to the Board. During 2004 this Committee, which consisted of Messrs. Benoit, Gutowski, Reid and Dube, had no meetings. Messrs. Gutowski and Reid were removed from the Committee on September 11, 2004. On the Effective Date Messrs. Benoit and Dube will resign from this Committee and be replaced by Messrs. McConnaughy and Allen. The Nominating Committee will consider suggestions for potential nominees submitted by stockholders if mailed to the Chairman of the Board.

The Board also has an Incentive Compensation Committee for the purpose of administering and making incentive compensation awards under our Incentive Compensation Plans. During 2004 this Committee, which consisted of Messrs. Dube, Anastasi and Currie, had two meetings. Mr. Anastasi resigned from this committee on October 21, 2005. On the Effective Date Messrs. Currie and Dube will resign from this Committee and be replaced by Messrs. McConnaughy and Allen.
