(a-c,f) This Schedule 13D is being filed by Elm Ridge Capital Management, LLC and Elm Ridge Value Advisors, LLC, both Delaware limited liability companies and Ronald E. Gutfleish (each a "Reporting Person" and collectively the "Reporting Persons"). The Reporting Persons' principle business address is located at 747 Third Avenue, 33rd Floor New York, NY 10017. Elm Ridge Value Advisors, LLC serves as general partner of Elm Ridge Value Partners, L.P. and Elm Ridge Capital Partners, L.P. (collectively, the "Partnerships"). Each of the Partnerships is a Delaware limited partnership. Mr. Gutfleish also serves as the managing member of both Elm Ridge Value Advisors, LLC and Elm Ridge Capital Management, LLC and as the portfolio manager to the Partnerships, the Offshore Fund (collectively, the Partnerships and the Offshore Fund, are referred to as the "Clients").

(d) Ronald E. Gutfleish is a United States citizen, has not, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) None of the Reporting Persons have, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding were or are subject to a judgement, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or state securities laws or finding

Edgar Filing: HANDLEMAN CO /MI/ - Form SC 13D/A

any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

As of the date hereof, Mr. Gutfleish may be deemed to beneficially own 1,805,000 shares.

As of the date hereof, Elm Ridge Capital Management, LLC may be deemed to beneficially own 1,031,600 shares.

As of the date hereof, Elm Ridge Value Advisors, LLC may be deemed to beneficially own 773,400 shares.

No borrowed funds were used to purchase the Shares, other than any borrowed funds used for working capital purposes in the ordinary course of business.

Item 4. Purpose of Transaction.

The Shares held by the Reporting Persons were acquired for, and are being held for, investment purposes by the Reporting Persons on behalf of the Clients. The acquisitions of the Shares were made in the ordinary course of the Reporting Persons' business or investment activities, as the case may be.

On April 14, 2003, the Reporting Persons sent a letter dated April 14, 2003 (attached hereto as Exhibit B) stating the Reporting Persons' frustration at recent policy decisions of the Board of Directors of the Issuer. Specifically, the Reporting Persons expressed dissatisfaction at the fact that the Issuer had abandoned a plan for the repurchase of shares in favor of a plan to acquire another corporation. The Issuer's decision to do so occurred after the proxy vote proposal deadline which is the last date that the Reporting Persons or other shareholders could voice their objections to the Issuer's decision and present a different course of action. The letter dated April 14, 2003, requests that the proxy voting proposal deadline be extended and indicates that there is legal precedent to support such an extension.

In an effort to protect the investments made on behalf of it and its Clients, as well as to maximize shareholder value, the Reporting Persons and the Reporting Persons on behalf of the Clients may acquire additional Shares, dispose of all or some of these Shares from time to time, in each case in open market or private transactions, block sales or purchases or otherwise, or may continue to hold the Shares, depending on business and market conditions, its continuing evaluation of the business and prospects of the Issuer and other factors.

Although they have no concrete plans to do so, the Reporting Persons may also engage in and may plan for their engagement in:

- (1) the acquisition of additional Shares of the Issuer, or the disposition of Shares of the Issuer;
- (2) an extraordinary corporate transactions, such as a merger, reorganization or liquidation, involving the Issuer;
- (3) a sale or transfer of a material amount of assets of the Issuer;
- (4) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (5) any material change in the present capitalization or dividend policy

Edgar Filing: HANDLEMAN CO /MI/ - Form SC 13D/A

of the Issuer;

- (6) any other material change in the Issuer's business or corporate structure;
- (7) changes in the Issuer's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (8) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted on an inter-dealer quotation system of a registered national securities association;
- (9) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; and/or
- (10) any action similar to those enumerated above.

Any future decision of the Reporting Persons to take any such actions with respect to the Issuer or its securities will take into account various factors, including the prospects of the Issuer, general market and economic conditions and other factors deemed relevant.

Exhibit B: Letter from Mr. Gutfleish to the Board of Directors

of the Issuer dated April 14, 2003

April 14, 2003

Board of Directors of Handleman Co.
c/o Mr. Stephen Strome
Chairman/CEO
Handleman Company
500 Kirts Blvd
Troy, MI 48084-4142

Ladies and Gentlemen:

We received your letter sent by Chairman and Chief Executive Officer, Stephen Strome, dated April 11, 2003 responding to our letter to the board of directors of April 1, 2003. Although, in his letter, Mr. Strome continues his attempt to justify his reasoning for postponing our company's stock buyback, we continue to be distressed by management's willingness to disregard the clearly expressed wishes of its shareholders by this sudden change of course. We are encouraged by the fact other shareholders of our company independently seem to share the same view.

We continue to be troubled by the timing of the two conflicting announcements that straddled the deadline for submission of shareholder proposals for inclusion in the company's forthcoming annual meeting proxy. As your largest

Edgar Filing: HANDLEMAN CO /MI/ - Form SC 13D/A

shareholder we feel betrayed by being denied the opportunity to make such a proposal before becoming aware of the company's intentions.

We respectfully ask the board to extend the proxy deadline to give us the opportunity to properly consider with the knowledge of this important shift in our company's direction. We have been advised that there is legal precedent for extending the proxy vote deadline.

We also want to make you aware that this is the first time we have ever filed a 13D (i.e., that we are not merely a passive investor) and do not make a habit of opposing management decisions, but we feel that management's approach in this case necessitated action on our part to protect our interests and the interests of our own investors. We do not have, in Mr. Strome's words, a "lack of concern about [Handleman's] need for customer diversification." We just feel that management should properly weigh the returns of any investment decisions against those from buying back stock. We are worried that Mr. Strome's perceived "obligation to our shareholders and all of our constituents to address these issues and explore ways to continue to grow our business profitably" has come at the expense of simple mathematics. If he can demonstrate that the returns from an acquisition will produce a better risk/return profile than buying back our company's stock, then we would support him in such an endeavor. But we want to know that the calculus has been or will be made; and if so, that it has been sufficiently demonstrated to the shareholders. Strategic goals do not justify abandoning simple math. Requiring that an acquisition be accretive to earnings is a rather low hurdle in an era of 3% short-term interest rates, where almost any acquisition would meet this criterion. We want to know how it would line up versus a substantive share repurchase.

We trust that the board of directors will consider our views and that each director will properly discharge the duty he owes to us and all other shareholders.

We eagerly await your response.
