Dear Stockholder:

As you may know, the Board of Directors of Alliance World Dollar Government Fund II, Inc. (the "Fund") has called a Special Meeting of Stockholders to be held on December 12, 2006. At this Special Meeting, stockholders will be asked to vote on the approval of a proposal to eliminate one of the Fund's fundamental investment policies requiring it to invest at least 65% of its assets in U.S. Dollar-denominated sovereign debt obligations. This policy limits the Fund's flexibility to pursue its investment objective through revised policies recently approved by the Board of Directors that are designed to result in broader access to investments in global fixed income securities. Please see the proxy statement for additional information relating to this proposal.

The Fund's records indicate that you have yet to vote on this proposal. If you are not planning to attend the Special Meeting, please take a moment now to cast your vote so that your shares may be represented at the Special Meeting.

Another copy of your proxy(s) are enclosed for your convenience. Should you have any questions regarding the proposal or to vote your shares, please call 1-800-331-5817.
