Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As previously disclosed, BBX Capital Corporation (“BBX”) holds a 46% equity interest in Woodbridge Holdings, LLC (“Woodbridge”), which owns 100% of Bluegreen Corporation (“Bluegreen”).

On September 26, 2013, Bluegreen completed a private offering and sale of approximately \$110.6 million of investment-grade, timeshare loan-backed notes (the "2013-A Term Securitization"). The 2013-A Term Securitization consisted of the issuance of two tranches of timeshare loan-backed notes (the “Notes”): approximately \$89.1 million of Class A and \$21.5 million of Class B notes with note interest rates of 3.01% and 4.00%, respectively, which blended to an overall weighted average note interest rate of approximately 3.20%. The gross advance rate for this transaction was 93.75%. The Notes mature on December 4, 2028. BB&T Capital Markets (“BB&TCM”) acted as the bookrunner, structuring agent and co-lead manager and Barclays Capital Inc. (“Barclays”) acted as co-lead manager. Both BB&TCM and Barclays acted as initial purchasers.

The amount of the timeshare receivables sold to BXG Receivables Note Trust 2013-A (the “Trust”) was approximately \$118.0 million, approximately \$95.4 million of which was sold to the Trust at closing and approximately \$22.6 million is expected to be sold to the Trust prior to December 26, 2013. The gross proceeds of such sales to the Trust are anticipated to be approximately \$110.6 million. A portion of the proceeds received to date were used to: repay Branch Banking and Trust Company (“BB&T”) approximately \$39.3 million, representing all amounts outstanding (including accrued interest) under Bluegreen's existing purchase facility with BB&T (the “BB&T Purchase Facility”); repay Liberty Bank approximately \$9.7 million, (including accrued interest and a prepayment fee) under Bluegreen's existing facility with Liberty Bank (the “Liberty Bank Facility”); capitalize a reserve fund; and pay fees and expenses associated with the transaction. Prior to the closing of the 2013-A Term Securitization, Bluegreen, as servicer, funded approximately \$15.4 million in connection with the servicer redemption of the notes related to BXG Receivables Note Trust 2004-C/BXG Receivables Note Trust 2005-A, and certain of the timeshare loans in such trusts were sold to the Trust in connection with the 2013-A Term Securitization. The remainder of the gross proceeds from the 2013-A Term Securitization (net of the servicer redemption) of approximately \$43.0 million, of which approximately \$21.2 million will be received as the aforementioned approximately \$22.6 million of timeshare receivables are sold to the Trust, are expected to be used for general corporate purposes. As a result of the facility repayments described above, immediately after the closing of the 2013-A Term Securitization, (i) there were no amounts outstanding under the BB&T Purchase Facility, which allows for maximum outstanding receivable-backed borrowings of \$40.0 million on a revolving basis through December 17, 2013 and (ii) there was approximately \$14.1 million outstanding under the Liberty Bank Facility, which allows for maximum outstanding receivable-backed borrowings of \$50.0 million on a revolving basis through March 1, 2015. Thus, additional availability of approximately \$48.8 million in the aggregate was created under the BB&T Purchase Facility and Liberty Bank Facility.

While ownership of the timeshare receivables included in the 2013-A Term Securitization is transferred and sold for legal purposes, the transfer of these timeshare receivables is accounted for as a secured borrowing for financial accounting purposes. As a result, no gain or loss was recognized by Bluegreen in connection with the transaction.

The Notes were offered and sold to the initial purchasers in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and were subsequently offered and sold by the initial purchasers only to qualified institutional buyers in reliance on Rule 144A under the Securities Act and, outside the United States, only to non-US investors pursuant to Regulation S. The Notes have not been registered under the Securities Act or any state securities laws and, unless so registered (which is not expected), the Notes may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws.

The description of the 2013-A Term Securitization set forth above is a summary only, does not purport to be complete and is qualified in its entirety by reference to the full text of the agreements and instruments governing the transaction, which are included as Exhibits 10.1 through 10.5 of this Current Report on Form 8-K and are incorporated herein by reference.
