The Board of Directors

MACC Private Equities Inc.:

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that MACC Private Equities Inc. (the Company) complied with the requirements of subsections (b) and (c) of rule 17f-2 under the Investment Company Act of 1940 as of March 31, 2009. Management is responsible for the Company's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Company's compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of March 31, 2009 and with respect to agreement of security purchases and sales for the period from September 30, 2008 (the date of our last examination) through March 31, 2009:

- Count and inspection of all securities located in the vault of Cedar Rapids Bank and Trust in Cedar Rapids, Iowa (the Bank) without prior notice to management
- Reconciliation of all such securities to the books and records of the Company, including the items noted below:
 - The Company's investment in 14% Senior Secured Subordinated Notes (Subordinated Notes) dated January 23, 2009 of Superior Holdings was not in the Bank's vault on March 31, 2009. We confirmed receipt of the Subordinated Notes on April 17, 2009 with the Bank and observed the certificates in the Bank's vault on July 15, 2009.
 - The Company's certificate of its investment in 17,536.75 Class B Preferred Share Units of Spectrum Products, LLC was not in the Bank's vault on March 31, 2009. Share certificates were not issued to the Company and the ownership was governed by an operating agreement held at the Company. We obtained a copy of the operating agreement and found the Company's recorded ownership as of March 31, 2009 agreed with the operating agreement. The Bank confirmed receipt of the Company's investment in 35,073.5 Class B Preferred Share Units of Spectrum Products LLC on July 14, 2009. The amount of 35,073.5 Class B Preferred Share Units in Spectrum Products, LLC, represents the Company's initial 17,536.75 Units and an additional 17,536.75 Units allocated to the Company in July 2009 under the terms of an amended operating agreement. We also observed the certificates in the Bank's vault on July 15, 2009.
- Agreement of all security purchases and security sales, since the date of our last report from the books and records of the Company to broker confirmations

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with specified requirements.
