acquisition Voyager issued 3,000,000 shares of common stock to the members of Western as an initial deposit and is required to issue an additional 2,000,000 shares of common stock for the purchase of one hundred percent of the units of Western.

Western Architectural Services, LLC. is an operating construction company based in Draper, Utah. Western was formed in 1987 and is a recognized leader in the development, implementation and fabrication of world-class themed architectural designs. Western has been instrumental in supplying pre-fabricated products to the hotel and casino industry, including iconic statues, interior resort theming, as well as, construction related materials and services. Projects include The Venetian, New York, New York, Mandalay Bay, Paris, and Luxor, to name a few. Western's most notable projects include the Statue of Liberty, at the New York, New York; the famed fountain located at the Paris Hotel and Casino; and most of the interior theming for the Luxor Hotel and Casino and Mandalay Bay.

Western also manufactures products for residential and institutional projects such as architectural columns, domes, moldings, and frames. Western has contracted and completed more than \$70 million dollars of construction projects over the last ten years.

ITEM 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On September 5, 2006 the Company received a loan from Diversified Lending Group, a California registered mortgage Banker, in the amount of \$1,250,000. The loan term is for one year with monthly interest payments due on the 5th day of each month beginning on October 5, 2006. The principal balance will be due twelve months from the day the loan was executed. The interest rate of the loan is 14% simple interest calculated daily assuming a 360 day year. A late payment fee of .05% will be payable to DLG in the event a monthly payment is determined to be late. If the Company defaults on any payments a notice of default will be sent by DLG to the Company at which time the company will have 15 days to cure the default. Once a default has been created, the default rate will be 18%. As consideration for the loan Voyager was required to issue 4,000,000 shares of common stock representing .04% of the issued and outstanding shares of Voyager. As a condition to the loan Voyager is required to issue shares of common stock to DLG every quarter in order for DLG to remain at .04% for a period of two years from the date the loan is repaid. An additional 7,500,000 shares were issued to DLG as collateral for the loan. Those shares are to remain unencumbered and will be returned to the Company for cancellation at the time the loan is repaid. However if the loan is not repaid DLG will be permitted to retain the shares.

The company has the option to extend the loan term to 18 months for a fee of .03% of the loan amount or \$37,500.
