NEWS RELEASE

AMCON REPORTS FIRST QUARTER

Edgar Filing: AMCON DISTRIBUTING CO - Form 8-K

Omaha, NE, February 14, 2005 - AMCON Distributing Company (AMEX:DIT), an Omaha, NE based consumer products company, announced today the results of its first quarter. Sales for the quarter were \$215.2 million compared to \$193.0 million for the same quarter in the prior year. For the quarter, the Company incurred a loss of \$86,000 or \$0.16 per diluted share compared with a net income of \$514,000 or \$0.96 per diluted share for the first quarter of the prior year.

William F. Wright, Chairman of AMCON, stated that, "Sales for the first quarter increased by \$22.2 million during the quarter. Of this increase, \$14.4 million related to an extra week of operations during the quarter which resulted from a change in our reporting period from a 52-53 week year ending on the last Friday in September to calendar months ending on September 30 of each year. Without the change in our reporting period, comparable sales would have increased \$7.8 million with \$6.5 million coming from our wholesale distribution business and \$1.3 million coming from our beverage operations. Sales from Trinity Springs, Inc., which was acquired in June 2004, represented \$0.7 million of the beverage operations' increase.

"Income before taxes for the first quarter decreased by \$0.2 million in the wholesale distribution segment, \$0.2 million in the retail health food segment and \$0.6 million in the beverage segment. The decrease in the wholesale distribution segment was primarily related to a sale of securities in the prior year which provided \$0.4 million of income before taxes. The reduction in our retail health food segment was primarily due to a \$0.2 million increase in operating expenses. The reduction in the beverage segment was due primarily to marketing expenses incurred by Trinity Springs, which now is the Number 1 selling water in the retail health food industry, to develop distribution beyond the health food industry. The new expenses from Trinity were partially offset by a reduction of expenses from our beverage marketing and distribution subsidiary of \$0.6 million, which subsidiary was recently reorganized and downsized."

Wright added "Although we incurred a small loss for the first quarter, overall our performance is ahead of plan. We reorganized our beverage marketing and distribution subsidiary during the first quarter and plan to move more functions performed by it to other companies within our affiliated group. Our Trinity Springs brand is currently a leader in the retail health food channel and represents the fastest growing brand in the market. In addition, we hope to be successful in introducing our Hawaiian Springs bottled water brand and other specialty beverage products to the retail health food market over the remainder of the year. We expect our beverage segment will continue to incur losses during the second and third quarters of this year as we continue to market and position our brands."

AMCON is a leading wholesale distributor of consumer products including beverages, candy, tobacco, groceries, food service, frozen and chilled foods, and health and beauty care products with distribution centers in Illinois, Missouri, Nebraska, North Dakota, South Dakota and Wyoming. Chamberlin's Natural Foods, Inc. and Health Food Associates, Inc., both wholly-owned subsidiaries of The Healthy Edge, Inc., operate health and natural product retail stores in central Florida (6), Kansas, Missouri, Nebraska and Oklahoma (4). The retail stores operate under the names Chamberlin's Market & Cafe and Akin's Natural Foods Market. Hawaiian Natural Water Company, Inc. produces and sells natural spring water under the Hawaiian Springs label in Hawaii and other foreign markets and purified bottled water on the island of Oahu in Hawaii. The natural spring water is bottled at the source on the Big Island of Hawaii. Trinity Springs, Inc., which was acquired in June 2004, produces and sells geothermal bottled water and a natural mineral supplement under the Trinity label. The water and mineral supplement are both bottled at the base of the Trinity Mountains in Paradise, Idaho, one of the world's deepest known sources. Trinity Springs also distributes Hawaiian Springs and

other premium beverage products on the U.S. mainland. The Beverage Group, Inc. primarily markets energy drinks including HYPE, Lightnin', and other private label energy drinks.
