On May 29, 2014, the Reporting Persons entered into a Securities Purchase Agreement (the “Purchase Agreement”) with the Issuer and the other purchaser parties named therein, relating to the sale of Preferred Stock. The Purchase Agreement also includes a standstill agreement that provides that, except as permitted under the Purchase Agreement, for a three-year period the Reporting Persons and certain related parties will not acquire, in the aggregate, beneficial ownership of more than 15% of the Common Stock, participate in a solicitation of proxies with respect to the Issuer, submit a written proposal to the Issuer’s board of directors regarding a merger or certain other types of transactions, and take certain other actions. Certain of these restrictions will terminate prior to the end of the three-year period in the event that certain actions occur that would result in a change of control or bankruptcy of the Issuer.

In addition, subject to the Reporting Persons’ meeting certain ownership thresholds and certain exceptions, the Purchase Agreement provides that the Reporting Persons will be entitled to (i) participate on a pro rata basis in accordance with its ownership percentage, in certain issuances of equity and equity-linked securities by the Issuer, (ii) purchase in the aggregate up to 25% of issuances of non-convertible and non-voting preferred equity securities of the Issuer, (iii) purchase in the aggregate up to 5% of the principal amount of debt securities issued or indebtedness incurred in debt transactions of the Issuer and (iv) exercise a right of first offer with respect to the issuance of any additional shares of Preferred Stock or shares of equity securities of the Issuer that rank on parity with the Preferred Stock.

On May 29, 2014, the Issuer entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with the Reporting Persons and the other purchasers of the Preferred Stock, providing such parties with, among other things, the right to demand registration of shares of Common Stock issuable to them upon conversion of the Preferred Stock and certain other shares of Common Stock acquired by them, to have such shares registered by the Issuer without making a demand once the Issuer is eligible to register such shares on Form S-3, and to participate in registered underwritten offerings of securities conducted by the Issuer.

The Reporting Persons loaned an aggregate of \$5,000,000 to the Issuer under this facility.

Borrowings under the Credit Agreement will bear interest at a floating rate which can be, at the Issuer’s option, either (i) an alternate base rate (of not less than 2%) plus an applicable margin or (ii) a LIBOR borrowing rate for a specified interest period (of not less than 1%) plus an applicable margin.
