Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

On February 23, 2016, the Board of Directors (the "Board") of Acacia Research Corporation (the "Company"), upon the recommendation of the Compensation Committee of the Board, approved a new compensation package for Marvin Key, the Company's interim Chief Executive Officer, effective immediately. Pursuant to the new compensation package, Mr. Key will receive (i) a base salary of \$35,000 per month, or an annualized base salary of \$420,000 per year, (ii) target bonus compensation of \$273,000, payable on a prorated basis upon Mr. Key's achievement of certain performance objectives set by the Board and (iii) equity compensation having an aggregate grant date fair market value of \$450,000, consisting of time- and performance-based stock option and restricted stock awards.

On February 23, 2016, the Board, upon the recommendation of the Compensation Committee of the Board, approved a new cash bonus program for executive officers of the Company and its wholly-owned operating subsidiaries, including the Company's named executive officers. The new cash bonus program replaces the Company's discretionary cash bonus program and features the following:

• **Target Bonus:** The target bonus levels for each participant will be based upon a percentage of the participant's base salary set by the Board.

• **Performance Metrics:** The performance metrics will be weighted as follows: 50% based on a set revenue goal and 50% based on a set operating income goal.

• **Pay for Performance Metrics:** 90% of target performance will result in a 50% bonus payment and 150% of target performance will result in a maximum 200% bonus payment. No bonus payments will be made for target performance below the 90% level. Bonus payments will be interpolated for actual performance between percentages set forth above.

• **Payment Modifier:** Any bonus payment may be adjusted at year end by up to 15% by the Compensation Committee in its discretion based on supplemental performance measures applicable to a participant.

• **Payment Period.** Bonus payments may be made on a quarterly basis, but the Company shall holdback 25% of each participant's quarterly bonus payment until year end to ensure the alignment of payments with annual goals.
