INFORMATION ABOUT THE ANNUAL MEETING

Time and Place of the Annual Meeting

Our annual meeting will be held as follows:

Date: Friday, May 23, 2008

Time: 9:00 a.m., local time

Place: Carco Theatre, 1717 Maple Valley Highway, Renton, Washington

Matters to Be Considered at the Annual Meeting

At the meeting, you will be asked to consider and vote upon the following proposals:

Proposal To elect eight directors of First Financial Northwest, Inc.

1.

Proposal To ratify the appointment of KPMG LLP as our independent auditor for 2008

2.

Proposal To adopt the First Financial Northwest, Inc. 2008 Equity Incentive Plan

3.

We also will transact any other business that may properly come before the annual meeting. As of the date of this proxy statement, we are not aware of any other business to be presented for consideration at the annual meeting other than the matters described in this proxy statement.

Who is Entitled to Vote?

We have fixed the close of business on March 27, 2008 as the record date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of First Financial's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of First Financial common stock you own, unless you own more than 10% of First Financial's outstanding shares. As provided in our Articles of Incorporation, record holders of common stock who beneficially own in excess of 10% of First Financial's outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit unless our Board of Directors has granted permission in advance. On March 27, 2008, there were 22,852,800 shares of First Financial common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a shareholder of record if your shares of First Financial common stock are held in your name. If you are a beneficial owner of First Financial common stock held by a broker, bank or other nominee (i.e., in “street name”), please see the instructions in the following question.

Shares of First Financial common stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on your proxy card. Shares of First Financial common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder’s instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares “FOR” the election of each of our director nominees, “FOR” the ratification of the appointment of KPMG LLP as our independent auditor and “FOR” the adoption of the 2008 Equity Incentive Plan. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If your common stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this proxy statement. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, shares not voted are treated as “broker non-votes.” The proposals to elect directors and ratify the appointment of our independent auditor described in this proxy statement are considered discretionary items under the rules of The Nasdaq Stock Market LLC (“Nasdaq”). The proposal to adopt the 2008 Equity Incentive Plan is a non-discretionary item.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan Be Voted?

We maintain the First Financial Northwest, Inc. Employee Stock Ownership Plan (“ESOP”) for the benefit of our employees. Each participant may instruct the trustee how to vote the shares of First Financial common stock allocated to his or her account under the ESOP by completing the voting instruction sheet distributed by the administrator. If a participant properly executes the voting instruction sheet, the administrator will instruct the trustee to vote the

participant's shares in accordance with the participant's instructions. Unallocated shares of First Financial common stock held in the ESOP will be voted by trustee in the same proportion as shares for which the trustee has received voting instructions. Allocated shares for which proper voting instructions are not received shall be voted by the trustee in the manner directed by the administrator. The administrator of the ESOP is Crowe Chizek.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of First Financial common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the adjourned meeting is set to be held 120 days or more after the original meeting. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of First Financial common stock. Accordingly, the eight nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected. Our Board of Directors unanimously recommends that you vote “FOR” the election of each of its director nominees.

Vote Required to Approval Proposal 2: Ratification of the Appointment of the Independent Auditor

Ratification of the appointment of KPMG LLP as our independent auditor for the fiscal year ending December 31, 2008 requires the affirmative vote of a majority of the outstanding shares present in person or by proxy at the annual meeting. Abstentions and broker non-votes on this proposal will have the same effect as a vote against the proposal. Our Board of Directors unanimously recommends that you vote “FOR” the ratification of the appointment of the independent auditor.

Vote Required to Approve Proposal 3: Adoption of the 2008 Equity Incentive Plan

Approval of the First Financial Northwest, Inc. 2008 Equity Incentive Plan requires the affirmative vote of a majority of the outstanding shares present in person or by proxy at the annual meeting. Abstentions and broker non-votes on this proposal will have the same effect as a vote against the proposal. Our Board of Directors unanimously recommends that you vote “FOR” the approval of the 2008 Equity Incentive Plan.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Secretary of First Financial in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

Each member of the Committee is “independent,” in accordance with the requirements for companies quoted on Nasdaq. This Committee did not meet during the year ended December 31,

2007, as First Financial was formed in June 2007.

The Nominating and Corporate Governance Committee met on March 5, 2008 to nominate directors for election at the annual meeting. Only those nominations made by the Nominating and Corporate Governance Committee or properly presented by shareholders will be voted upon at the annual meeting. In its deliberations for selecting candidates for nominees as director, the Committee considers the candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of First Savings Bank's market area. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates.

Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate it believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as one of our directors. Although the Nominating and Corporate Governance Committee charter does not specifically provide for the consideration of shareholder nominees for directors, the Committee will consider director candidates recommended by a shareholder that are submitted in accordance with our Articles of Incorporation. Because our Articles of Incorporation provide a process for shareholder nominations, the Committee did not believe it was necessary to provide for shareholder nominations of directors in its charter. If a shareholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of our Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for shareholder nominations, see "Shareholder Proposals" in this proxy statement.

Executive Committee. The Executive Committee, consisting of Directors Karpiak (Chairman) and any two independent directors, acts for the Board of Directors when formal Board action is required between regular meetings. Its primary role is to approve loans of between \$3 million and \$5 million. The Committee has the authority to exercise all powers of the full Board of Directors, except that it does not have the power to act in place of the Audit, Compensation, or Nominating and Corporate Governance committees. The Executive Committee met six times during the year ended December 31, 2007.

Corporate Governance

We are committed to establishing and maintaining high standards of corporate governance. Our executive officers and Board of Directors are working together to establish a comprehensive set of corporate governance initiatives that they believe will serve the long-term interests of our shareholders and employees. These initiatives are intended to comply with the provisions contained in the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC adopted thereunder, and Nasdaq rules. Our Board of Directors will continue to evaluate and improve our corporate governance principles and policies as necessary and as required.

Director Independence. Our common stock is listed on the Nasdaq Global Select Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent directors. The Board has determined that six of our eight directors are independent, as defined by Nasdaq. Directors Kohlwes, Faull, Lee, Edlund, Anderson and McLendon are all independent. Only Victor Karpiak, who is our Chairman, President and Chief Executive Officer, and Harry A. Blencoe, who is our former Chairman, President and Chief Executive Officer, are not independent.

Code of Business Conduct and Ethics. On March 19, 2008, the Board of Directors adopted the Code of Business Conduct and Ethics. The Code is applicable to each of our directors, officers, including the principal executive officer and senior financial officers, and employees and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics is available on our website at www.fsbnw.com.

Shareholder Communication with the Board of Directors. The Board of Directors welcomes communication from shareholders. Shareholders may send communications to the Board of Directors, First Financial Northwest, Inc., 201 Wells Avenue, Renton, Washington 98057. Shareholders should indicate clearly the director or director(s) to whom the communication is being sent so that each communication may be forwarded appropriately.

Annual Meeting Attendance by Directors. First Financial encourages, but does not require, its directors to attend the annual meeting of shareholders. It is expected that all members of the Board of Directors will attend our first annual meeting of shareholders.

Transactions with Related Persons. First Savings Bank has followed a policy of granting loans to officers and directors, which fully complies with all applicable federal regulations. Loans to directors and executive officers are made in the ordinary course of business and on the same terms and conditions as those of comparable transactions with

all customers prevailing at the time, in accordance with our underwriting guidelines, and do not involve more than the normal risk of collectibility or present other unfavorable features.

All loans made to our directors and executive officers are subject to federal regulations restricting loans and other transactions with affiliated persons of First Savings Bank. Loans and available lines of credit to all directors and executive officers and their associates totaled approximately \$1.2 million at December 31, 2007, which was less than one percent of our equity at that date. All loans to directors and executive officers were performing in accordance with their terms at December 31, 2007. Total deposits of directors and executive officers were approximately \$1.6 million at December 31, 2007.

We recognize that transactions between First Financial or First Savings Bank and any of its directors or executive officers can present potential or actual conflicts of interest and create the appearance that these decisions are based on considerations other than the best interest of First Savings Bank. Therefore as a general matter and in accordance with the Bank's Code of Conduct and Ethics Policy for Employees, Officers and Directors, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, the best interests of First Savings Bank. Accordingly, the Bank has adopted an informal policy which requires its Compensation Committee to review and, if appropriate, to approve or ratify any such transaction. In the event that a member of the Committee is a participant in the transaction, then that member is required to abstain from the discussion, approval or ratification process. Pursuant to the policy, the Committee will review any transaction in which First Savings Bank is or will be a participant and the amount involved exceeds \$120,000, and in which any of the directors or executive officers had, has or will have a direct or indirect material interest. After its review, the Committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of First Financial and First Savings Bank, as the Committee determines in good faith.

Director Edlund is a principal in the firm Edlund Associates, Inc., which is a landscape architecture company with design/building services. His company has a landscape maintenance contract with First Savings Bank under which the company was paid \$24,865 in 2007.

DIRECTORS' COMPENSATION

The following table shows the compensation paid to our non-employee directors for the year ended December 31, 2007. Directors who are employees of First Financial or any of its subsidiaries are not compensated for their services as directors; accordingly, compensation information for Victor Karpiak, who is our President and Chief Executive Officer, is included in the section entitled "Executive Compensation." We have not yet established any stock benefit plans and do not offer any non-equity incentive compensation; therefore, these columns have been omitted from the table.

Each director of First Financial is also a director of First Savings Bank. The directors received no additional compensation for attendance at any meeting of First Financial's Board of Directors during the year ended December 31, 2007. The directors are compensated for their service on First Savings Bank's Board of Directors. Non-employee directors of First Savings Bank receive a semi-annual retainer of \$7,500, a fee of \$850 for each board meeting attended and a fee of \$375 per committee meeting attended.

First Savings Bank's Compensation Committee recommends to the Board of Directors the amount of fees paid for service on the Board. For 2008, the Committee recommended increasing the directors' fees to a \$9,000 semi-annual retainer (from \$7,500 in 2007), increasing the fee to \$1,200 for each Board meeting attended (from \$850 in 2007) and increasing the fee to \$550 for each Board committee meeting attended (\$375 in 2007).

Director Blencoe is the former Chief Executive Officer of First Savings Bank. In 1991, First Savings Bank entered into an Executive Supplemental Retirement Plan Participation Agreement with him to provide certain benefits upon his normal retirement, early retirement or death prior to retirement. Director Blencoe retired effective as of December 31, 2004, which constituted normal retirement under the agreement. The agreement provides him with a monthly payment of \$4,477 for a total of 180 months. As of December 31, 2007, payments will continue for 144 months, or 12 years. In the event of Director Blencoe's death before all payments are made, First Savings Bank will continue making the payments to his designated beneficiary until a total of 180 payments have been made.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In this section, we will give an overview of our compensation program, the material compensation decisions we have made under the program and the material factors that we considered in making those decisions. Following this discussion, in the section entitled "Executive Compensation," we provide a series of tables containing specific information about the compensation earned or paid in 2007 and 2006 to the following officers, who are known as our named executive officers:

Victor Karpiak, Chairman, President and Chief Executive Officer
John P. Mills, President of Executive House, Inc.
David G. Kroeger, Executive Vice President, Commercial Lending
Robert H. Gagnier, Senior Vice President and Chief Lending Officer
Roger Elmore, Vice President and Senior Operations Officer

All compensation matters concerning our executive and non-executive officers are made at the sole discretion of the Compensation Committee which is comprised of all independent directors. Compensation determinations are made based on the Compensation Committee's independent review of management recommendations and peer group surveys, for both base salary and total compensation. The peer group data is derived from the Northwest Financial

Industry Survey prepared by Milliman, Inc., a global firm of consultants and actuaries serving the full spectrum of business, governmental and financial organizations since 1947, and in association with the Washington Financial League, the Washington Bankers Association and the Oregon Bankers Association. Mr. Karpiak's role is limited to providing information regarding the executive and non-executive officers to the Compensation Committee, other than himself, which includes salary and bonus histories for the past three years, performance highlights, level of responsibility and compensation recommendations for each officer. Mr. Karpiak does not provide any recommendation with respect to his individual compensation. Salary levels are provided as a specific dollar amount and are based on a range between the 50th and 75th percentile of the peer group data provided by the above-reference survey relative to the officer's

responsibilities and professional development. Following the presentation of this information, an executive session of the Compensation Committee is held without the presence of management where the compensation of each executive and non-executive officer is discussed and determined. Mr. Karpiak's recommendations are considered by the Compensation Committee, however, the Compensation Committee makes the final decision and may adjust the compensation levels for certain officers based on corporate position emphasis, retention issues and management development. The Compensation Committee of the Board of Directors relies heavily on Mr. Karpiak's recommendations. Given the independence of the data on which Mr. Karpiak bases his recommendations, his recommendations have very rarely been modified by the Compensation Committee.

The discussion below is intended to help you understand the detailed information provided in the executive compensation tables and put that information into context within our overall compensation program.

Compensation Philosophy and Objectives. Our overall goal in compensating executive officers is to attract, retain and motivate key executives of proven ability who are critical to our future success. We believe that short-term incentive compensation paid to executive officers should be directly aligned with our performance and that compensation should be structured to ensure achievement of financial and operational goals along with other factors that impact corporate value. Our long-term incentive is in the form of a supplemental retirement plan, which is tied to longevity.

Our compensation decisions with respect to executive officer salaries and incentive compensation are influenced by (1) the executive's level of responsibility and function within the organization, (2) the overall performance and profitability of First Savings Bank and (3) our assessment of the competitive marketplace, including other peer companies. Our philosophy is to focus on total direct compensation opportunities through a mix of base salary and annual incentive compensation.

Compensation Program Elements. The compensation program for executive officers consists of the elements described below.

Pay Element	What It Rewards	Purpose
Base Salary	Core competence in the executive's role relative to skills, experience and contributions to First Financial and First Savings Bank	Provide fixed compensation based on competitive market price
Annual Incentive Compensation	Contributions toward First Savings Bank's achievement of specified pre-tax profit	Provides annual performance based cash incentive compensation
Retirement Benefits	Executive officers are eligible to participate in employee benefit plans available to our eligible employees, including both tax-qualified and nonqualified retirement plans	
	The Chief Executive Officer and Chief Lending Officer have supplemental retirement agreements, which entitles each officer to additional retirement benefits subject to meeting certain minimum age and service	Provides a long-term incentive for the retention of key officers

requirements

Additional Benefits and Perquisites	Executives participate in employee benefit plans generally available to our employees, including medical insurance	These benefits are a part of our broad-based total compensation program
---	---	---

Pay Element	What It Rewards	Purpose
	The Chief Executive Officer and the Executive Vice President of Executive House receive a car allowance	Assists in executive responsiveness for community based travel requirements
	The President of Executive House received unlimited use of a company car	Provides for client relationships and property inspections

The Compensation Committee of First Savings Bank has the responsibility for establishing and reviewing our compensation philosophy and objectives. In this role, the Committee has sought to design a compensation structure that attracts and retains qualified and experienced officers and, at the same time, is reasonable and competitive. Although First Savings Bank became a stock savings bank as a result of the mutual holding company reorganization in 2002, compensation paid to employees, officers and directors has consisted primarily of cash compensation, salary and bonuses, and retirement benefits.

Pay Philosophy and Competitive Standing. In general, we seek to provide competitive pay by targeting a range between the 50th and 75th percentiles relative to a peer group for total compensation opportunities, including salaries and incentive compensation. To achieve the percentile positioning for the total cash compensation component and yet maintain an effective efficiency ratio and excellent asset quality, we emphasize the fixed salary pay with less opportunity for performance-based bonuses.

With the assistance of Milliman, Inc., we receive and analyze competitive market data contained in the Northwest Financial Industry Salary Survey every year. The data is independently collected by Milliman and represents approximately 119 Northwest financial institutions ranging in asset size from \$21.0 million to \$6.1 billion. The data is then grouped by collective asset sizes with the information adequately reflecting the complexities and compensation levels of peer group institutions. We compare compensation paid to our named executive officers with compensation paid to executive officers in comparable positions at similar size institutions.

Base Salary. Mr. Karpiak makes initial recommendations to the Compensation Committee that are based on the peer group data contained in the survey prepared by Milliman. Given the independence of the data on which Mr. Karpiak bases his recommendations, his recommendations have very rarely been modified by the Compensation Committee. For 2008, the Compensation Committee determined the base salaries of Messrs. Karpiak, Kroeger, Gagnier and Elmore and submitted these determinations to the full Board of Directors for review. Mr. Mills retired effective as of December 1, 2007. Mr. Karpiak, the only named executive officer who is also a member of the Board, did not participate in discussions regarding his own compensation. In setting base salary, the Compensation Committee used the information provided by Milliman, and also considered each executive's experience and tenure, our overall annual budget for merit increases, the executive's individual performance and changes in responsibility. The determination of the named executive officers' base salary is a subjective determination with no specific criteria considered and, consequently, no particular weight is given to any single factor. The 2008 base salaries for Messrs. Karpiak, Kroeger, Gagnier and Elmore are \$375,000, \$176,000, \$150,000 and \$155,000, respectively, reflecting increases of approximately 50%, 5%, 11% and 35%, respectively, from 2007 salaries. The Compensation Committee believes that the base salaries paid to each member of the senior management team is commensurate with the individual's duties, performance and range for the industry compared with financial institutions of similar size within First Savings Bank's region. Salary levels are reviewed annually and base salary is not targeted at any particular percent of total compensation.

Annual Incentive Compensation. Mr. Karpiak makes initial recommendations to the Compensation Committee that are based on the peer group data contained in the survey prepared by Milliman. Given the independence of the data

on which Mr. Karpiak bases his recommendations, his recommendations have very rarely been modified by the Compensation Committee. Our Annual Incentive Plan provides our executive officers and staff with an opportunity to earn annual cash bonuses based on our corporate performance as measured by our earnings, asset and loan growth. The annual cash bonuses are determined at the discretion of the Compensation Committee based on the individual's performance with percentages and dollar amounts set without guarantee or commitment. The determination of the

individual's performance is a subjective determination using various measures, including but not limited to leadership, personal efforts, and corporate commitment. Annual bonuses for the named executive officers are determined by the Compensation Committee from a bonus pool for all employees that, for fiscal 2007, represented 4.70% of pre-tax income, excluding the one-time contribution of \$16,928,000 to the First Financial Northwest Foundation. The Committee determines the aggregate amount from that pool that is paid to the named executive officers based on their base salary. As part of its determination, the Compensation Committee considered the external compensation survey described above and determined that the aggregate and individual cash bonus amounts were commensurate with the performance of First Savings Bank and the named executive officers during the year. The cash bonuses paid for 2007 were 11.06% of total compensation as compared to 8.04% of total compensation in 2006.

Retirement Benefits. First Savings Bank maintains the First Savings Bank Profit Sharing 401(k) Savings Plan (the "401(k) plan") for the benefit of all of its eligible employees, including the named executive officers. The 401(k) plan is intended to be a tax-qualified retirement plan under Sections 401(a) and 401(k) of the Internal Revenue Code of 1986, as amended. Employees of First Savings Bank who have completed one year of service and who have attained age 18 are eligible to participate in the 401(k) plan. Generally, participants direct the investment of the plan assets.

For 2007, participants could contribute up to \$15,500 of their annual compensation through a pre-tax salary reduction election. Participants 50 years of age or more could elect to make an additional \$5,000 pre-tax salary reduction election. First Savings Bank matches the first 6% of a participant's pre-tax salary reduction contribution at the rate of 100%. To be eligible for a matching contribution, the participant must be actively employed on the pay period for which the match is allocated. Participants are at all times 100% vested in their salary reduction contributions; however, their related matching contributions are subject to a vesting period. For the fiscal year ended December 31, 2007, First Savings Bank incurred a matching contribution-related expense of approximately \$163,000 in connection with the 401(k) plan. For the 401(k) plan's fiscal year ended December 31, 2007, employees contributed approximately \$217,000 to the 401(k) plan.

First Savings Bank also maintains executive supplemental retirement agreements, in which Messrs. Karpiak and Gagnier participate. The agreements are intended to provide supplemental benefits upon the executive's normal retirement, early retirement or death prior to retirement. The agreements provide a \$25,000 annual base benefit. The annual base benefit increases at a rate of four percent for each year of participation. Benefits generally commence upon the later of the participant's retirement or attainment of age 65, which is the normal retirement date. If the executive retires between age 55 and 65, he may be able to elect to have an actuarially reduced benefit that commences prior to age 65, to the extent permitted under the federal tax laws governing nonqualified deferred compensation plans. There is no benefit for retirement before age 55. The annual benefit is paid in monthly installments over 15 years. In the event of an executive's death prior to retirement but while still employed by First Savings Bank, the executive's designated beneficiary would receive a benefit equal to the normal retirement benefit, up to a maximum of \$200,000.

Additional Benefits and Perquisites. At First Savings Bank, an important part of our total compensation plan is the employee benefits program. We offer a comprehensive and flexible benefits plan on a non-discriminatory basis to support the basic health, welfare and retirement needs of all of our employees, including our named executive officers. The primary elements of the benefits plan include medical/dental/vision plans, paid time off for vacation and illness (including vacation leave not taken), tuition reimbursement, bereavement leave and training. We also offer various fringe benefits to all of our employees, including our named executive officers, as well as group policies for medical insurance. We provide medical coverage at no cost to employees, with the employee being responsible for a portion of the dependent's premium. Our Chief Executive Officer and the Executive Vice President, Commercial Lending receive an automobile allowance. The Compensation Committee believes these benefits are appropriate and assist the officers in fulfilling their employment obligations.

The named executive officers, along with all eligible employees, participate in our ESOP. Each eligible participant is allocated the same proportion that the participation's compensation for the plan year bears to the total compensation of eligible participants for that year, subject to certain limitations.

Additional Considerations. Market data, individual performance, retention needs and internal pay equity have been the primary factors considered in decisions to adjust compensation materially. The accounting and tax treatment

of compensation generally has not been a factor in determining the amounts of compensation for our executive officers. However, the Compensation Committee and management have considered the accounting and tax impact of various program designs to balance the potential cost to First Savings Bank with the benefit/value to the employee.

Role of Executive Officers in Determining Compensation. Our Chief Executive Officer recommends to the Compensation Committee base salary and actual bonus payouts for our named executive officers and all other officers (other than himself). Mr. Karpiak makes these recommendations to the committee based on data and analysis provided by Milliman in association with the Washington Financial League, the Washington Bankers Association and the Oregon Bankers Association, and qualitative judgments regarding individual performance. Mr. Karpiak is not involved with any aspect of determining his own compensation as that function is performed by the Compensation Committee utilizing independent data contained in Northwest Financial Industry Salary Survey prepared by Milliman in association with the Washington Financial League, the Washington Bankers Association and the Oregon Bankers Association.

The compensation paid to Mr. Karpiak is determined by the Compensation Committee based upon a review of First Savings Bank's performance in comparison to the peer group included in the Northwest Financial Industry Salary Survey prepared by Milliman. The final compensation level is based on the peer group analysis contained in the survey and consideration is also given to First Savings Bank's asset size, balance sheet complexity, corporate direction and management structure. No particular weight is given to any of these factors by the Compensation Committee and the final compensation level is based on a subjective determination by the Compensation Committee.

Employment Agreement for Chief Executive Officer. We entered into an employment agreement with Victor Karpiak on October 17, 2007. The agreement has an initial term of three years and on each anniversary of October 17, 2007, the term of the agreement will be extended for an additional year unless notice is given by the Board to Mr. Karpiak, or vice versa, at least 90 days prior to the anniversary date. The initial base salary level for Mr. Karpiak is \$250,000, which is paid by First Savings Bank and may be increased at the discretion of the Board of Directors or an authorized committee of the Board. Under the agreement, Mr. Karpiak is eligible to participate in all in all plans of First Financial and First Savings Bank relating to pension, retirement, thrift, profit-sharing, savings, group or other life insurance, hospitalization, medical and dental coverage, travel and accident insurance, education, cash bonuses, and other retirement or employee benefits or combinations thereof, as well as any equity-based plans in which First Financial's or the Bank's executive officers are eligible to participate. The agreement provides that compensation may be paid in connection with the termination of Mr. Karpiak's employment under a variety of scenarios, as described below under "Potential Payments Upon Termination."

Severance Arrangements. We entered into a change in control severance agreement with Roger Elmore on October 17, 2007. The agreement has a term of three years. On each anniversary of October 17, 2007, the term of the agreement may be extended for an additional year at the discretion of the Board or an authorized committee of the Board. The severance agreement would provide for a severance payment and other benefits if Mr. Elmore is involuntarily

terminated because of a change in control of First Financial Northwest and First Savings Bank, as described below under “Potential Payments Upon Termination.”

In connection with the conversion, we established the First Savings Bank Northwest Employee Severance Compensation Plan. The plan provides eligible employees with severance pay benefits in the event of a change in control of First Savings Bank or First Financial Northwest, as described below under “Potential Payments Upon Termination.” Messrs. Kroeger and Gagnier are covered by this plan.

First Savings Bank is a participant in a multiple-employer sponsored plan (the “pension plan”), which provides a benefit upon retirement to eligible employees of First Savings Bank. In general, all employees except those under specific agreement, who meet the minimum requirements of one year of service, attainment of age 21 and complete 1,000 hours of service in the 12 consecutive months following enrollment are eligible to participate. Upon completion of five years of employment with First Savings Bank, the employee is 100% vested. There is no provision for partial vesting. The service amounts shown in the table above represent actual years of service with First Savings Bank. No additional years of credited service have been granted to any named executive officer under the pension plan.

Several forms of benefit payments are available under the pension plan. The pension plan offers a life annuity option, a 100% joint and survivor option with a ten-year certain feature, a 50% joint and survivor benefit option and a customized option. The benefit option must be elected by the participant before benefit payments begin. Benefits are based upon two percent times the number of years of service with First Savings Bank times the average of the participant's salary during the five years he or she was most highly compensated. Salary is defined as base rate of pay and does not include overtime, bonuses and other compensation. A participant's full benefit under the pension plan is payable at age 65 with at least five years of benefit service, which is considered normal retirement. Early retirement benefit payments are available under the pension plan to participants upon attainment of age 45 and completion of five years of benefit service. Annual benefits are reduced three percent for each year of payment before normal retirement

based on the benefit formula described above. As of December 31, 2007, Messrs. Karpiak and Gagnier were eligible for early retirement benefits.

The executive supplemental retirement agreement provides benefits in addition to those provided by the pension plan. Benefits are calculated using a fixed annual base amount of \$25,000 plus a 4.0% annual compounding rate from date of joining the agreement to retirement. Upon retirement, the compounded amount in effect represents the annual benefit payable. Benefit payments are paid monthly using the compounded amount in effect at retirement and are paid over a fixed 15-year period. A participant's full benefit under the agreement is payable at age 65 which is considered normal retirement age.

Early retirement benefit payments are available under the agreement to participants upon attainment of age 55 at a reduced level based on a specific formula. The actuarially reduced equivalent amount would begin at the early retirement date and continue for a period of 180 months. The actuarial reduction is computed by multiplying the amount payable at normal retirement by a fraction of which the numerator is the number of full years served since participation in this plan and the denominator is the number of full years served since participation in the agreement until age 65, which is considered normal retirement age. The ability to elect an early retirement benefit may be limited by federal tax law governing nonqualified deferred compensation plans. As of December 31, 2007, Mr. Gagnier was eligible for early retirement benefits under the agreement. There is a pre-retirement death benefit to the participant's estate in the amount of \$200,000.

Benefits earned under the agreements are paid from First Savings Bank's assets. It is management's intent to informally fund those payments with its bank-owned whole life insurance policies. The aggregate death benefit coverage from these policies is \$2.8 million. First Savings Bank is the beneficiary of these policies, and no participants will derive any personal benefits as a result of these policies.

Potential Payments Upon Termination

We have entered into agreements with the named executive officers that provide for potential payments upon disability, termination and death. These agreements are discussed in further detail following the table below. In addition, the pension plan and executive supplemental retirement agreement discussed above provide for payments upon early retirement or normal retirement. The following table shows, as of December 31, 2007, the value of potential payments and benefits following a termination of employment under a variety of scenarios.

(2) Messrs. Kroeger and Elmore are not yet eligible for early retirement as the Pension Plan requires five years' employment prior to vesting.

Employment Agreement for Chief Executive Officer. Victor Karpiak's employment agreement provides for payments in the event of disability, death or termination. If Mr. Karpiak becomes entitled to benefits under the terms of our then-current disability plan, if any, or becomes otherwise unable to fulfill his duties under the employment agreement, he shall be entitled to receive such group and other disability benefits as are then provided for executive employees. In the event of Mr. Karpiak's disability, his employment agreement will not be suspended, except that the obligation to pay his salary shall be reduced in accordance with the amount of any disability income benefits he receives such that, on an after-tax basis, he realizes from the sum of disability income benefits and his salary the same amount as he would realize on an after-tax basis from his salary if he had not become disabled. Upon a resolution adopted by a majority of the disinterested members of the Board of Directors or an authorized committee, we may discontinue payment of Mr. Karpiak's salary beginning six months after a determination that he has become entitled to benefits under the disability plan or is otherwise unable to fulfill his duties under the employment agreement. If Mr. Karpiak's disability does not constitute a disability within the meaning of Section 409A of the Internal Revenue Code, then payments under the employment agreement will not begin until the earlier of the executive's death or the sixth month anniversary of his separation from service.

In the event of Mr. Karpiak's death while employed under the employment agreement and prior to any termination of employment, we will pay to his estate, or such person as he may have previously designated, the salary which was not previously paid to him and which he would have earned if he had continued to be employed under the agreement through the last day of the month in which he died, together with the benefits provided under the employment agreement through that date.

Mr. Karpiak's employment agreement also provides for benefits in the event of his involuntary termination. If Mr. Karpiak's employment is terminated for any reason other than cause, or change in control, or he terminates his own employment because of a material diminution of or interference with his duties, responsibilities or benefits, including any of the following actions unless consented to: (1) a requirement that he be based at any place other than Renton, Washington, or within a radius of 35 miles from the location of First Financial's administrative offices; (2) a material demotion; (3) a material reduction in the number or seniority of personnel reporting to him or a material reduction in the frequency with which, or in the nature of the matters with respect to which such personnel are to report to him; (4) a reduction in his salary or a material adverse change in his perquisites, benefits or vacation; (5) a material permanent increase in the required hours of work or his workload; or (6) the failure of the Boards of Directors to elect him as President and Chief Executive Officer or any action by the Boards removing him from this office, he is entitled to

payment and benefits. If the involuntary termination occurs prior to October 17, 2008, we must pay to Mr. Karpiak a lump sum severance amount equal to one year's salary. If the involuntary termination occurs after October 17, 2008, we must pay to Mr. Karpiak during the remaining term of his employment agreement the salary at the rate in effect immediately prior to the date of termination. Regardless of when the involuntary termination occurs, we must also

provide Mr. Karpiak during the remaining term of his agreement substantially the same group life insurance, hospitalization, medical, dental, prescription drug and other health benefits, and long-term disability insurance (if any) for the benefit of Mr. Karpiak and his dependents and beneficiaries who would have been eligible for such benefits if he had not suffered involuntary termination.

If Mr. Karpiak's employment is terminated following a change in control of First Financial or First Savings Bank, or he terminates his own employment following a change in control for any of the reasons listed in the previous paragraph, we must pay him a lump sum equal to 299% of his base amount (as defined in Section 280G of the Internal Revenue Code) and must provide during the remaining term of the employment agreement substantially the same group life insurance, hospitalization, medical, dental, prescription drug and other health benefits, and long-term disability insurance (if any) for the benefit of the executive and his dependents and beneficiaries who would have been eligible for such benefits if he had not suffered involuntary termination. These provisions are only applicable for a change in control which occurs after October 17, 2008.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's base amount are deemed to be "excess parachute payments" if they are conditioned upon a change in control. Individuals are subject to a 20% excise tax on the amount of such excess parachute payments. If excess parachute payments are made, First Financial Northwest and First Savings Bank would not be entitled to deduct the amount of such excess payments. Mr. Karpiak's employment agreement provides that severance and other payments that are subject to a change in control will be reduced to the extent necessary to ensure that no amounts payable to the executive will be considered excess parachute payments.

Severance Agreement. We have entered into a severance agreement with Mr. Elmore. If First Savings Bank terminates Mr. Elmore's employment, other than for cause, or he terminates his or her own employment within 12 months following a change in control of First Financial or First Savings Bank for any of the reasons described above in the discussion of Mr. Karpiak's employment agreements, Mr. Elmore would be entitled to payment and benefits. The agreements require that First Savings Bank pay: (1) his salary through the day of termination, including the pro rata portion of any incentive award, (2) continue to pay for the remaining term of the agreement his life, health and disability coverage and (3) pay in a lump sum an amount equal to 299% of his base amount (as defined in Section 280G of the Internal Revenue Code). Any payments to Mr. Elmore under his severance agreement are subject to reduction pursuant to Section 280G of the Internal Revenue Code to avoid excess parachute payments.

Employee Severance Compensation Plan. First Savings Bank established the First Savings Bank Northwest Employee Severance Compensation Plan to provide eligible employees with severance pay benefits in the event of a change in control of First Savings Bank or First Financial. Messrs. Kroeger and Gagnier are covered by this plan. Potential benefits under the plan are based on an employee's position with First Savings Bank.

Under the plan, in the event of a change in control of First Savings Bank or First Financial Northwest, eligible employees who are terminated or who terminate their employment within one year for reasons specified under the severance plan will be entitled to receive a severance payment. If a participant whose employment has terminated has completed at least one year of service, the participant will be entitled to a cash severance payment equal to three months for service of one to two years, six months for service of two to three years, and six months plus one month for each year of continuous employment over three years up to a maximum of one and one-half times the participant's annual compensation. A participant who is an assistant vice president of First Savings Bank prior to the change in control will receive a minimum payment equal to one-half of the participant's annual compensation. Individuals who are vice presidents and above of First Savings Bank prior to the change in control will receive a minimum payment equal to the participant's annual compensation.

The members of the Compensation Committee are Directors Lee, Kohlwes, Anderson, Edlund, McLendon and Faull. AUDIT COMMITTEE REPORT

The Audit Committee of the First Financial Board of Directors reports as follows with respect to First Financial's audited financial statements for the fiscal year ended December 31, 2007:

- The Audit Committee has completed its review and discussion of the 2007 audited financial statements with management;
- The Audit Committee has discussed with the independent auditor, KPMG LLP, the matters required to be discussed by Statement on Auditing Standards ("SAS") No. 61, Communication with Audit Committees, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
- The Audit Committee has received written disclosures and the letter from the independent auditor required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and has discussed with the independent auditor the auditor's independence; and
- The Audit Committee has, based on its review and discussions with management of the 2007 audited financial statements and discussions with the independent auditor, recommended to the Board of Directors that First Financial's audited financial statements for the year ended December 31, 2007 be included in its Annual Report on Form 10-K.

The foregoing report is provided by the following directors, who constitute the Audit Committee:

Audit Committee:

Dr. Gary F. Kohlwes (Chairman)
Joann E. Lee
Gary F. Faull

This report shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, and shall not otherwise be deemed filed under such acts.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors and executive officers, and persons who own

more than 10% of First Financial's common stock to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC. Directors, executive officers and greater than 10% shareholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. The SEC has established filing deadlines for these reports and we are required to disclose in this proxy statement any late filings or failures to file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above referenced persons, we believe that, during the fiscal year ended December 31, 2007, all filing requirements applicable to our reporting officers, directors and greater than 10% shareholders were properly and timely complied with, except for a Form 4/A, filed by Director Kohlwes. The Form 4/A was filed to report 600 shares deemed beneficially owned by Director Kohlwes, but not reported in his first Form 4 filing.

PROPOSAL 2 – RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

The Audit Committee of the Board of Directors has appointed KPMG LLP as First Financial’s independent auditor for the year ending December 31, 2008 and that appointment is being submitted to shareholders for ratification. In the event the appointment is not ratified by shareholders, it is anticipated that no change in auditors would be made for the current year because of the difficulty and expense of making any change so long after the beginning of the current year, but that vote would be considered in connection with the auditor’s appointment for the year ending December 31, 2009. KPMG LLP served as our independent accounting firm for the year ended December 31, 2007, and a representative of the firm is expected to attend the meeting, respond to appropriate questions and, if the representative desires, which is not now anticipated, make a statement.

The Board of Directors unanimously recommends that you vote “FOR” the ratification of the appointment of KPMG LLP as our independent auditor.

The following table sets forth the aggregate fees billed to First Financial and First Savings Bank by KPMG LLP for professional services rendered for the fiscal years ended December 31, 2007 and 2006.

	Year Ended December 31,	
	2007	2006
Audit Fees	\$ 134,000	\$ 176,710
Audit-Related Fees	--	--
Tax Fees	25,000	20,350
All Other Fees	--	--

The Audit Committee pre-approves all audit and permissible non-audit services to be provided by the independent auditor and the estimated fees for these services in connection with its annual review of its charter. In considering non-audit services, the Audit Committee will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditor and whether the service could compromise the independence of the independent auditor. All of the services provided by KPMG LLP in the year ended December 31, 2007 were approved by the Audit Committee.

PROPOSAL 3 – ADOPTION OF 2008 EQUITY INCENTIVE PLAN

General

On March 19, 2008, the Board of Directors of First Financial unanimously adopted, subject to shareholder approval, the First Financial Northwest, Inc. 2008 Equity Incentive Plan. The purpose of the plan is to promote the long-term growth and profitability of First Financial by providing our directors, officers and employees with an incentive to achieve corporate objectives, to attract and retain individuals of outstanding competence, and to provide these individuals with an equity interest in First Financial.

The Equity Incentive Plan will allow us to grant stock options, stock appreciation rights, restricted stock and restricted stock units to directors, advisory directors, officers and other employees of First Financial and its subsidiaries. The plan will become effective as of the date it is approved by the shareholders. If the plan is approved and awards are granted, it may have a dilutive effect on First Financial's shareholders and will impact its net income and shareholders' equity, although the actual results cannot be determined until the plan is implemented.

A summary of the Equity Incentive Plan is set forth below. This summary is, however, qualified by and subject to the more complete information set forth in the plan, a copy of which is attached to this proxy statement as Appendix A. We believe the Equity Incentive Plan complies with the requirements of the Office of Thrift Supervision. The Office of Thrift Supervision does not endorse or approve the plan in any manner.

Summary

Administration. The Equity Incentive Plan will be administered by a committee appointed by the Board of Directors, consisting of at least two directors, each of whom must be a non-employee director and an outside director, as those terms are defined in the plan. The committee is authorized to make all determinations and decisions under the plan. The committee also determines the individuals to whom awards will be made, the type and amount of awards that will be made, and the terms and conditions applicable to all awards. The committee is also authorized to establish rules for the administration of the plan.

Number of Shares That May Be Awarded. First Financial has reserved 3,199,322 shares of its common stock for issuance under the Equity Incentive Plan in connection with the exercise of awards, which represents 14% of the amount of First Financial common stock outstanding on the voting record date. The fair market value of these shares is approximately \$29.0 million, based on the closing price of First Financial's common stock on March 19, 2008. Shares of common stock to be issued under the plan will be authorized but unissued shares. Any shares subject to an award which expires or is terminated unexercised will again be available for issuance under the plan.

Under the Equity Incentive Plan, the committee may grant stock options and stock appreciation rights that, upon exercise, result in the issuance of 2,285,280 shares of First Financial common stock, and restricted stock and restricted stock units for an aggregate of 914,112 shares of First Financial common stock. The plan limits the number of options, stock appreciation rights and restricted stock awards that may be granted to certain participants in the plan.

Adjustments Upon Changes in Capitalization. Shares awarded under Equity Incentive Plan may be adjusted by the committee in the event of any recapitalization, split, reorganization, merger, consolidation, spin-off, combination, exchange of shares or other securities, stock dividend or other special and nonrecurring dividend or distribution (whether in the form of cash, securities or other property), liquidation, dissolution, or other similar corporate transaction or event.

Eligibility to Receive Awards. The committee may grant awards under the Equity Incentive Plan to directors, advisory directors, officers and employees of First Financial and its subsidiaries. The committee will select persons to receive awards among the eligible participants and determine the number of shares for each award granted. There are approximately 20 individuals who are currently eligible to receive awards under the plan.

Terms and Conditions of Stock Options. The committee may grant stock options to purchase shares of First Financial common stock at a price that is not less than the fair market value of the common stock on the date the option is granted. The fair market value is the closing sales price as quoted on Nasdaq. Stock options may not be exercised later than ten years after the grant date. Subject to the limitations imposed by the provisions of the Internal Revenue Code, certain of the options granted under the Equity Incentive Plan to officers and employees may be designated as "incentive stock options." Options that are not designated and do not otherwise qualify as incentive stock options are referred to as "non-qualified stock options."

The committee will determine the time or times at which a stock option may be exercised in whole or in part and the method or methods by which, and the forms in which, payment of the exercise price with respect to the stock option may be made. Unless otherwise determined by the committee or set forth in the written award agreement evidencing the grant of the stock option, upon termination of service of the participant for any reason other than for cause, all stock options then currently exercisable by the participant shall remain exercisable for one year for terminations due to death or disability and three months for other terminations, or until the expiration of the stock option by its terms if sooner.

Terms and Conditions of Stock Appreciation Rights. The committee may grant stock appreciation rights, which give the recipient of the award the right to receive the excess of the market value of the shares represented by the stock

appreciation rights on the date exercised over the exercise price. The exercise price may not be less than the fair market value of the common stock on the date the right is granted. Upon the exercise of a stock appreciation right, the holder will receive the amount due in shares of First Financial common stock. Stock appreciation rights may be related to stock options (“tandem stock appreciation rights”), in which case the exercise of one award will reduce to that extent

the number of shares represented by the other award. Stock appreciation rights may not be exercised later than ten years after the grant date.

Unless otherwise determined by the committee or set forth in the written award agreement evidencing the grant of the stock appreciation right, upon termination of service of the participant for any reason other than for cause, all stock appreciation rights then currently exercisable by the participant shall remain exercisable for one year for terminations due to death or disability and three months for other terminations, or until the expiration of the stock appreciation right by its terms if sooner.

Terms and Conditions of Restricted Stock Awards. The committee is authorized to grant restricted stock, which are shares of First Financial common stock subject to forfeiture and limits on transfer until the shares vest, and restricted stock units, which are rights to receive shares of First Financial common stock subject to similar limits as on restricted stock. During the vesting period, the recipient of restricted stock will have all the rights of a shareholder, including the power to vote and the right to receive dividends with respect to those shares. No such rights apply to restricted stock units, until shares are issued for those units; however, recipients may receive a dividend equivalent payment. Shares of restricted stock and restricted stock units generally may not be sold, assigned, transferred, pledged or otherwise encumbered by the participant during the restricted period. The committee has the right to determine any other terms and conditions, not inconsistent with the Equity Incentive Plan, upon which a restricted stock award shall be granted.

Vesting of Awards. No award may vest beginning earlier than one year from the effective date of the Equity Incentive Plan and all awards shall vest no more rapidly than in annual installments of than 20% of the total award. Upon a change in control of First Financial or upon the termination of the award recipients' service due to death or disability, all unvested awards under the Equity Incentive Plan vest as of the date of the change in control or termination.

Forfeiture of Awards. If the holder of an unvested award terminates service other than due to death, disability or a change in control, the unvested award will be forfeited by the holder. Upon any termination of service for cause, all stock options or stock appreciation rights not previously exercised shall be immediately forfeited by the holder.

Transferability of Awards. Stock options, stock appreciation rights and unvested restricted stock awards may be transferred upon the death of the holder to whom it was awarded, by will or the laws of inheritance. Stock options and stock appreciation rights may be transferred during the lifetime of the holder to whom it was awarded only pursuant to a qualified domestic relations order.

Amendment and Termination of the Incentive Plan. The Equity Incentive Plan shall continue in effect for a term of ten years, after which no further awards may be granted. The Board of Directors may at any time amend, suspend or terminate the plan or any portion thereof, except to the extent shareholder approval is necessary or required for purposes of any applicable federal or state law or regulation or the rules of any stock exchange or automated quotation system on which our common stock may then be listed or quoted. Shareholder approval will generally be required with respect to an amendment to the plan that will: (1) increase the aggregate number of securities that may be issued under the plan, except as specifically set forth under the plan; (2) materially increase the benefits accruing to participants under the plan; (3) materially change the requirements as to eligibility for participation in the plan; or (4) change the class of persons eligible to participate in the plan. No amendment, suspension or termination of the Equity Incentive Plan, however, will impair the rights of any participant, without his or her consent, in any award already granted.

Federal Income Tax Consequences

Non-qualified Stock Options. Under current federal tax law, non-qualified stock options granted under the Equity Incentive Plan will not result in any taxable income to the optionee at the time of grant or any tax deduction to First Financial. Upon the exercise of a non-qualified stock option, the excess of the market value of the shares acquired over their cost is taxable to the optionee as compensation income and is generally deductible by First Financial. The optionee's tax basis for the shares is the market value of the shares at the time of exercise.

Incentive Stock Options. Neither the grant nor the exercise of an incentive stock option under the Equity Incentive Plan will result in any federal tax consequences to either the optionee or First Financial, although the difference between the market price on the date of exercise and the exercise price is an item of adjustment included for purposes of calculating the optionee's alternative minimum tax. Except as described below, at the time the optionee sells shares acquired pursuant to the exercise of an incentive stock option, the excess of the sale price over the exercise price will qualify as a long-term capital gain if the applicable holding period is satisfied. If the optionee disposes of the shares within two years of the date of grant or within one year of the date of exercise, an amount equal to the lesser of (i) the difference between the fair market value of the shares on the date of exercise and the exercise price, or (ii) the difference between the exercise price and the sale price will be taxed as ordinary income and First Financial will be entitled to a deduction in the same amount. The excess, if any, of the sale price over the sum of the exercise price and the amount taxed as ordinary income will qualify as long-term capital gain if the applicable holding period is satisfied. If the optionee exercises an incentive stock option more than three months after his or her termination of employment, he or she generally is deemed to have exercised a non-qualified stock option. The time frame in which to exercise an incentive stock option is extended in the event of the death or disability of the optionee.

Stock Appreciation Rights. The exercise of a stock appreciation right will result in the recognition of ordinary income by the recipient on the date of exercise in an amount of cash and/or the fair market value on that date of the shares acquired pursuant to the exercise. First Financial will be entitled to a corresponding deduction.

Restricted Stock Awards. Recipients of shares granted under the Equity Incentive Plan will recognize ordinary income on the date that the shares are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of the shares on that date. In certain circumstances, a holder may elect to recognize ordinary income and determine the fair market value on the date of the grant of the restricted stock. Recipients of shares granted under the Equity Incentive Plan will also recognize ordinary income equal to their dividend or dividend equivalent payments when these payments are received.

Proposed Awards Under the Incentive Plan

No awards have been proposed by the Board of Directors as of the date of this proxy statement.

The Board of Directors unanimously recommends that you vote "FOR" adoption of the 2008 Equity Incentive Plan.

- (b) Each Participant who receives Shares upon exercise of an Option that is an Incentive Stock Option shall give the Company prompt notice of any sale of Shares prior to a date which is two years from the date the Option was granted or one year from the date the Option was exercised. Such sale shall disqualify the Option as an Incentive Stock Option.
- (c) The aggregate Fair Market Value (determined with respect to each Incentive Stock Option at the time such Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company or an Affiliate) shall not exceed \$100,000.

- (iii) by a combination thereof.

Payment for any Shares to be purchased upon exercise of an Option may also be made by delivering a properly executed exercise notice to the Company, together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds to pay the purchase price and applicable tax withholding amounts (if any), in which event the Shares acquired shall be delivered to the broker promptly following receipt of payment.

(c) When the requirements of this Section have been satisfied, the Committee shall take such action as is necessary to cause the issuance of a stock certificate evidencing the Option Holder's ownership of such Shares. The Person exercising the Option shall have no right to vote or to receive dividends, nor have any other rights with respect to the Shares, prior to the date the Shares are transferred to such Person on the stock transfer records of the Company, and no adjustments shall be made for any dividends or other rights for which the record date is prior to the date as of which the transfer is effected.

Thereafter, the transferee shall have, with respect to such Non-Qualified Stock Option, all of the rights, privileges and obligations which would attach thereunder to the Participant. If a privilege of the Option depends on the life, Service or other status of the Participant, such privilege of the Option for the transferee shall continue to depend upon the life, Service or other status of the Participant. The Committee shall have full and exclusive authority to interpret and apply the provisions of the Plan to transferees to the extent not specifically addressed herein.

It may be provided that any such representation shall become inoperative upon a registration of the Shares or upon the occurrence of any other event eliminating the necessity of such representation. The Company shall not be required to deliver any Shares under the Plan prior to:

(c) An Option Holder may designate a Beneficiary to receive any Options that may be exercised after his death. Such designation and any change or revocation of such designation shall be made in writing in the form and manner prescribed by the Committee. In the event that the designated Beneficiary dies prior to the Option Holder, or in the event that no Beneficiary has been designated, any Options that may be exercised following the Option Holder's death shall be transferred to the Option Holder's estate. Section 7.4 Voting Rights.

Unless otherwise set forth in the Award Agreement, voting rights appurtenant to the Shares subject to the Restricted Stock Award shall be exercised by the Participant.

Section 7.5 Designation of Beneficiary.

A Participant who has received a Restricted Stock Award may designate a Beneficiary to receive any unvested Shares or Shares distributed in satisfaction of any unvested Share Units that become vested on the date of the Participant's death. Such designation (and any change or revocation of such designation) shall be made in writing in the form and manner prescribed by the Committee. In the event that the Beneficiary designated by a Participant dies prior to the Participant, or in the event that no Beneficiary has been designated, any vested Shares that become available for distribution on the Participant's death shall be paid to the executor or administrator of the Participant's estate.

Section 7.6 Manner of Distribution of Awards.

The Company's obligation to deliver Shares with respect to a Restricted Stock Award shall, if the Committee so requests, be conditioned upon the receipt of a representation as to the investment intention of the Participant or Beneficiary to whom such Shares are to be delivered, in such form as the Committee shall determine to be necessary or advisable to comply with the provisions of applicable federal, state or local law. It may be provided that any such representation shall become inoperative upon a registration of the Shares or upon the occurrence of any other event eliminating the necessity of such representation. The Company shall not be required to deliver any Shares under the Plan prior to (i) the admission of such Shares to listing on any stock exchange or trading on any automated quotation system on which Shares may then be listed or traded, or (ii) the completion of such registration or other qualification under any state or federal law, rule or regulation as the Committee shall determine to be necessary or advisable.

ARTICLE VIII
SPECIAL TAX PROVISION

Section 8.1 Tax Withholding Rights.

Where any Person is entitled to receive Shares, the Company shall have the right to require such Person to pay to the Company the amount of any tax which the Company is required to withhold with respect to such Shares, or, in lieu thereof, to retain, or to sell without notice, a sufficient number of Shares to cover the minimum amount required to be withheld.

ARTICLE IX
AMENDMENT AND TERMINATION

Section 9.1 Termination

The Board may suspend or terminate the Plan in whole or in part at any time prior to the tenth anniversary of the Effective Date by giving written notice of such suspension or termination to the Committee. Unless sooner terminated, the Plan shall terminate automatically on the tenth anniversary of the Effective Date. In the event of any suspension or termination of the Plan, all Awards previously granted under the Plan that are outstanding on the date of such suspension or termination of the Plan shall remain outstanding and exercisable for the period and on the terms and conditions set forth in the Award Agreements evidencing such Awards.

Section 9.2 Amendment.

The Board may amend or revise the Plan in whole or in part at any time; provided, however, that, to the extent required to comply with Section 162(m) of the Code or the corporate governance standards imposed under the listing or trading requirements imposed by any national securities exchange or automated quotation system on which the Company lists or seeks to list or trade Shares, no such amendment or revision shall be effective if it amends a material term of the Plan unless approved by the holders of a majority of the votes cast on a proposal to approve such amendment or revision. To the extent OTS regulations are changed subsequent to the Effective Date, the Board shall have the right but not the obligation, to amend or revise the Plan without shareholder approval to conform to the revised regulations.

Section 9.3 Adjustments in the Event of Business Reorganization.

In the event any recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, exchange of Shares or other securities, stock dividend or other special and nonrecurring dividend or distribution (whether in the form of cash, securities or other property), liquidation, dissolution, or other similar corporate transaction or event, affects the Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Participants under the Plan, then the Committee shall, as it determines appropriate, equitably and proportionately adjust any or all of:

- (i) the number and kind of securities deemed to be available thereafter for grants of Awards in the aggregate to all Participants;
- (ii) the number and kind of securities that may be delivered or deliverable in respect of outstanding Awards; and
- (iii) the Exercise Price of Options and Stock Appreciation Rights.

In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including, without limitation, cancellation of Awards in exchange for the in-the-money value, if any, of the vested portion thereof, or substitution of Awards using stock of a successor or other entity) in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence) affecting the Company or any Affiliate or the financial statements of the Company or any Affiliate, or in response to changes in applicable laws, regulations, or accounting principles.

The federal and state courts located in the County or contiguous counties in which the Company's headquarters are located shall have exclusive jurisdiction over any claim, action, complaint or lawsuit brought under the terms of the Plan. By accepting any Award granted under this Plan, the Participant, and any other person claiming any rights under the Plan, agrees to submit himself, and any such legal action as he shall bring under the Plan, to the sole jurisdiction of such courts for the adjudication and resolution of any such disputes.
