Press Release Dated January 7, 2005: TURKCELL'S 2004 YEAR END NUMBER OF SUBSCRIBERS REACHES 23.4 MILLION

---

**FOR IMMEDIATE RELEASE**

**TURKCELL S 2004 YEAR END NUMBER OF SUBSCRIBERS  
REACHES 23.4 MILLION**

**Istanbul, Turkey: January 7, 2005** Turkcell (NYSE: TKC, ISE: TCELL), the leading provider of mobile communications in Turkey, announced today that it recorded a 23% increase in its overall customer base to 23.4 million as of December 31, 2004 up from 19.0 million subscribers as of December 31, 2003.

In the last quarter of 2004, Turkcell added approximately 1,073,000 net new subscribers, raising the total number of its mobile subscribers to 23.4 million as of December 31, 2004, up from 22.3 million subscribers at September 30, 2004. The overall subscriber base consisted of 5.1 million postpaid and 18.3 million prepaid subscribers as of year-end 2004. New gross subscribers acquired in 2004 consisted of 89% prepaid and 11% postpaid subscribers. The 23% increase in Turkcell s overall subscriber base was supported by the favorable economic environment and low subscriber churn rate. In the last quarter of 2004, Turkcell s churn rate remained stable at 1.96% and the annual total churn rate was recorded as 9.1% for the year 2004 down from 14.5% in 2003.

Mr. Muzaffer Akpınar, Turkcell s CEO, commented In addition to the favorable macroeconomic environment which is driving strong sector growth, our segmented churn prevention activities and mass loyalty programs have contributed to our subscriber growth supported by low churn levels. In 2005, we expect the growth in subscriber base to continue, though at a slower pace compared to our growth in 2004.
