Item 7.01

Regulation FD Disclosure

On June 6, 2013, Stewart Enterprises, Inc. (“Stewart”), announced that it has commenced a consent solicitation for a proposed waiver and a proposed amendment (the “Proposed Waiver and Amendment”) to the indenture, dated April 18, 2011, by and among Stewart, the guarantors (as named therein) and U.S. Bank National Association (the “Trustee”), as trustee (the “Indenture”). The Proposed Waiver and Amendment includes a waiver of the requirement under the Indenture for Stewart to make a change of control offer to holders of Stewart’s 6.50% Senior Notes due 2019 (the “Notes”) in connection with Service Corporation International’s (“SCI”) previously announced agreement to acquire all of the outstanding common shares of Stewart (the “Merger”). Additionally, the Proposed Waiver and Amendment seeks to amend the Indenture such that, subject to certain conditions including the consummation of the Merger, Stewart’s obligations to deliver quarterly and annual financial information and other reports to the Trustee will be satisfied by delivery to the Trustee of SCI’s filings with the Securities and Exchange Commission. A copy of Stewart’s consent solicitation statement dated as of June 6, 2013 is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

In connection with Stewart’s consent solicitation, SCI announced today that it would offer its senior guarantee (the “Guarantees”) to each holder of the outstanding \$200.0 million aggregate principal amount of the Notes, subject to receipt by Stewart of the requisite consents for the Proposed Waiver and Amendment, the closing of the Stewart acquisition and certain other conditions. SCI is offering the Guarantees as consideration for the Proposed Waiver and Amendment.

In the offering documents distributed to holders of Notes in connection with the offering of the Guarantees, SCI disclosed the following information:

Sources and Use of Funds

A copy of SCI’s sources and use of funds related to the guarantee offering and the acquisition of Stewart is attached hereto as Exhibit 99.2 and is incorporated by reference herein.

Forward-Looking Statements

Information set forth in this Current Report on Form 8-K contains forward-looking statements, which involve a number of risks and uncertainties. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: the ability to obtain regulatory approvals of the transaction on the proposed terms and schedule; the failure of Stewart's shareholders to approve the transaction; the risk that the businesses will not be integrated successfully; the risk that the cost savings and any other synergies from the transaction may not be fully realized or may take longer to realize than expected; disruption from the transaction making it more difficult to maintain relationships with customers, employees or suppliers. Additional factors that may affect future results are contained in SCI's filings with the SEC, which are available at www.sci-corp.com. SCI disclaims any obligation to update and revise statements contained in these materials based on new information or otherwise.

Additional Information for Stockholders

In connection with the proposed transaction, Stewart intends to file a definitive proxy statement and other relevant materials with the SEC. Before making any voting decision with respect to the proposed transaction, shareholders of Stewart are urged to read the proxy statement and other relevant materials because these materials will contain important information about the proposed transaction.
