Forward-Looking Statements

Except for the historical information contained herein, statements in this Release which contain words or phrases such as 'will', 'would', etc., and similar expressions of variations of such expressions may constitute 'forward-looking statements'. These forward-looking statements involve a number of risks, uncertainties and other factors that could cause actual results to differ materially from those suggested by the forward-looking statements. These risks and uncertainties include, but are not limited to our ability to obtain statutory and regulatory approvals and to successfully implement our strategy, future levels of non-performing loans, our growth and expansion in business, the adequacy of our allowance for credit losses, technological implementation and changes, the actual growth in demand for banking products and services, investment income, cash flow projections, our exposure to market risks as well as other risks detailed in the reports filed by us with the US SEC. The Bank undertakes no obligation to update forward-looking statements to reflect events or circumstances after the date hereof.
