Citizens Financial Group completes Mellon Integration

Ahead of routine investors meetings, The Royal Bank of Scotland Group announced today that its US subsidiary, Citizens Financial Group, has successfully completed the conversion of the Regional Banking Franchise acquired from Mellon onto the Citizens IT platform.

Completion of the IT conversion in August is considerably ahead of the schedule envisaged at the time of the acquisition, and means that the vast majority of the integration activity is complete. In addition to systems conversion, the rebranding of the business, the transitioning of employees, the introduction of the Citizens product suite and the establishment of all operational facilities are complete.

Commenting on the Mellon integration Fred Goodwin, Group Chief Executive said:-

"The conversion of the acquired Mellon operations onto the Citizens IT platform marks the completion of the vast majority of the overall integration programme. That this has been achieved so far ahead of schedule, so smoothly, and whilst delivering good income growth, is to the great credit of Larry Fish and our team, and provides a strong foundation for the next phase of our strategy in the US."

The Royal Bank of Scotland Group to acquire Commonwealth Bancorp Inc of US for \$450 million

Citizens Financial Group Inc., a wholly owned subsidiary of The Royal Bank of Scotland Group plc, has agreed to acquire the entire issued share capital of Commonwealth Bancorp Inc of the US in a cash transaction which values it at around \$450 million or \$46.50 per share. This represents approximately 18 times Commonwealth Bancorp's estimated cash earnings for 2002.

Commonwealth Bancorp is a Pennsylvania based commercial bank operating 60 branches, including 21 supermarket branches, in the greater Philadelphia area. It has \$1.8 billion in assets with \$1.2 billion in loans, predominately consumer loans and residential mortgages, and \$1.5 billion in deposits, the quality of which has been confirmed by due diligence.

The transaction is subject to approval of US regulators and Commonwealth Bancorp shareholders and is expected to complete in the first quarter of 2003. The total consideration will be funded from existing cash resources.

Fred Goodwin, Group Chief Executive, The Royal Bank of Scotland Group, said "This is another tactical acquisition for us in the US, which is totally consistent with our strategy for growing Citizens through low risk acquisitions of retail banking franchises. The timing is good as it allows us to build on the momentum created by the completion of the integration of Mellon's retail franchise.

Edgar Filing: ROYAL BANK OF SCOTLAND GROUP PLC - Form 6-K

The purchase of Commonwealth Bancorp further strengthens Citizens' existing geographic base and expands its presence in this important Mid-Atlantic region. It will be integrated with the Citizens' platform. Commonwealth Bancorp's current efficiency ratio of 60% provides opportunities for meaningful revenue and cost synergies. We anticipate this acquisition will be earnings accretive for shareholders from year one."
