Citizens Financial Group, a wholly owned subsidiary of The Royal Bank of Scotland Group plc, has agreed to purchase Port Financial Corp., the holding company for Cambridgeport Bank in a cash transaction for \$285 million.

Cambridgeport Bank is a Massachusetts savings bank operating 11 branches in Middlesex and Norfolk counties, the largest eastern Massachusetts markets outside Boston. It has total deposits of \$1.2 billion and total loans of \$0.8 billion.

The Royal Bank of Scotland Group plc ( the Group ) today holds its Annual General Meeting, at 2.00 p.m., at the International Conference Centre, The Exchange, Morrison Street, Edinburgh

### **AGM Agenda**

The meeting will deal with the proposed Resolutions as outlined in the Notice of Meeting issued to Shareholders dated 19 February 2003, and will provide a summary of the business and financial performance of the Group in 2002.

The following is an extract from the speech to be made by Sir George Mathewson, Chairman, at the Meeting.

I am pleased to report that, over the last year, we have completed all aspects of the integration of NatWest, which we acquired in March 2000. This was a landmark achievement and involved a huge amount of work by a huge number of people, over two and half years.

In October last year, we announced the completion of IT integration, which involved the conversion of NatWest systems and data on to the RBS platform. This involved 14 million customer accounts being transferred, by up to 3,000 IT staff, working 7,000 man years. We are not aware of the successful completion of any other IT integration of similar scale and complexity.

We have implemented the full amounts of the higher transaction benefits. These benefits will amount to £2,030 million of additional profit for our shareholders each year. However, our success over recent years has not been entirely dependent on the NatWest transaction benefits.

Over the last three years, we have increased the income of the enlarged Group by 52 per cent, or £5,750 million.

Part of our increase in income came from the NatWest transaction benefits and part from acquisitions. But, importantly, 70 per cent of the increase in income came from organic growth across our businesses.

There is strong evidence that our strategies are enabling us to meet our goal of delivering value for our shareholders, our customers and our people. Our success has been recognised in a number of different ways. I am delighted that we have just received, for the first time, a Queen's

## Edgar Filing: ROYAL BANK OF SCOTLAND GROUP PLC - Form 6-K

Award for Enterprise, and we are the largest company ever to have received this Award. This recognises the Group's overseas earnings, coming primarily from the United States and Europe. We have also been voted the third most admired bank in the World, in Fortune Magazine.

At previous meetings, we have mentioned our strength, diversity and flexibility. These are real qualities, evident across the Royal Bank Group. They give us confidence that we shall be able to continue to deliver on our promises to shareholders, and provide customers with improved service, with well rewarded and highly motivated staff, while allowing us to make a major contribution to the communities in which we operate.

It is my firm belief that these qualities, our strategies and the opportunities that are now open to us, enable us to provide superior returns to shareholders now, and will in the future. In the current year, the performance of the Group remains on track and our businesses continue to perform well.
