A PURPORTED CLASS ACTION FILED AGAINST THE COMPANY

Netanya, Israel– November 21, 2007

It was brought to the Company's attention that a purported class action lawsuit was filed on November 19, 2007 against the Company, in the District Court of Central Region, by a plaintiff who claims to be a subscriber of the Company. The plaintiff claims that the Company charged its subscribers for content services without obtaining from its subscribers a specific consent, in a manner which complies with the provisions of its general license.

If the lawsuit is certified as a class action, the amount claimed is estimated by the plaintiff to be NIS 432,000,000.

At this preliminary stage, the Company is unable to assess the lawsuit's chances of success.

About Cellcom Israel

Cellcom Israel Ltd., established in 1994, is the leading Israeli cellular provider; Cellcom Israel provides its 3 million subscribers (as at June 2007) with a broad range of value added services including cellular and landline telephony, roaming services for tourists in Israel and for its subscribers abroad and additional services in the areas of music, video, mobile office etc., based on Cellcom Israel's technologically advanced infrastructure. The Company operates an HSDPA 3.5 Generation network enabling the fastest high speed content transmission available in the world, in addition to GSM/GPRS/EDGE and TDMA networks. Cellcom Israel offers Israel's broadest and largest customer service infrastructure including telephone customer service centers, retail stores, and service and sale centers, distributed nationwide. Through its broad customer service network Cellcom Israel offers its customers technical support, account information, direct to the door parcel services, internet and fax services, dedicated centers for the hearing impaired, etc. In April 2006 Cellcom Israel, through Cellcom Fixed Line Communications L.P., a limited partnership wholly-owned by Cellcom Israel, became the first cellular operator to be granted a special general license for the provision of landline telephone communication services in Israel, in addition to data communication services. Cellcom Israel's shares are traded both on the New York Stock Exchange (CEL) and the Tel Aviv Stock Exchange (CEL).
