## Edgar Filing: NISOURCE INC/DE - Form U-1/A

The Application-Declaration filed in this proceeding on August 15, 2001, as amended and restated by Amendment No. 1, filed September 13, 2001, is hereby further amended as follows:

1. The first paragraph of Item 1.3 - Summary of Requested Authorizations is amended and restated to read as follows:

"NiSource, the Utility Subsidiaries and certain of NiSource's direct and indirect non-utility subsidiaries (as listed in Item 1.4 below) hereby request authorization to establish and participate in a new NiSource system money pool ("Money Pool"). It is intended that the new Money Pool arrangement will replace the current Columbia system money pool. Accordingly, upon the effective date of an order in this proceeding, the authorization of Columbia and its subsidiaries under the Columbia Money Pool Orders, as it relates to the existing Columbia money pool, will be relinquished. To the extent not exempted by Rule 52, the Money Pool participants request authorization for the period through December 31, 2003 (the "Authorization Period") to make unsecured short-term borrowings from the Money Pool and to contribute surplus funds to the Money Pool and to lend and extend credit to (and acquire promissory notes from) one another through the Money Pool. To the extent not exempt by Rule 45(b) or Rule 52(d), as applicable, NiSource, directly or indirectly through NiSource Finance, requests authorization to invest surplus funds and/or lend and extend credit to the participating subsidiaries through the Money Pool in a maximum amount not to exceed \$2.5 billion at any one time."

2. The first paragraph of Item 1.5 - Long-term Securities of Columbia Maryland is amended and restated to read as follows:

"Columbia Maryland requests authorization to issue and sell from time to time during the Authorization Period, and Columbia requests authorization to acquire, additional shares of Columbia Maryland's common stock and long-term debt securities. The aggregate amount of common stock and/or long-term debt securities to be issued by Columbia Maryland during the Authorization Period will not to exceed \$40 million. The funds required by Columbia in order to make loans to Columbia Maryland will be derived from borrowings from NiSource Finance. Columbia Maryland will use the proceeds of common stock and long-term debt securities to finance, in part, capital expenditures, and for other general and corporate purposes."

3. The second paragraph of Item 3.2 - Compliance with Rules 53 and 54 is amended and restated to read as follows:

"Rule 53(a)(1): NiSource's "aggregate investment" in EWGs and FUCOs is approximately \$300.0 million, or 36.2% of NiSource's "consolidated retained earnings" for the four quarters ended September 30, 2001 (approximately \$828.2 million)."

4. The following sentence is added at the end of the first paragraph of Item 4 - Regulatory Approvals:

"Pending completion of the record, the applicants request the Commission to reserve jurisdiction over the participation in the Money Pool by Bay State and Northern Utilities."

5. The following exhibits, as listed in Item 6 - Exhibits and Financial Statements, are filed as part of this Amendment:
