ISLANDIA, N.Y., July 29, 2004 Computer Associates International, Inc. (NYSE: CA), the world's largest management software company, today announced that its Board of Directors has nominated Laura S. The nomination was reported in the Company's Proxy Statement filed with the Securities and Exchange Commission (SEC) today.

Alex's expertise in business and the technology industry has been a true asset to the Board and the Company, said Chairman Lewis S. Ranieri. We thank Alex for his years of outstanding service.
