Board of Directors and Committees

Our business is managed under the direction of our Board of Directors. The Board of Directors meets periodically during our fiscal year to review significant developments affecting Emerson and to act on matters requiring Board of Director approval. The Board of Directors held 10 formal meetings during the fiscal year ended March 31, 2007 (Fiscal 2007) and also acted by unanimous written consent. During Fiscal 2007, each member of the Board of Directors participated in at least 75% of the aggregate of all meetings of the Board of Directors and the aggregate of all meetings of committees on which such member served, that were held during the period in which such director served during Fiscal 2007.

During the period from the beginning of Fiscal 2007 until July 2006, the Board of Directors had three standing committees, the Audit Committee, the Compensation and Personnel Committee and the Nominating Committee. As of July 27, 2007, Grande Holdings beneficially owned an aggregate of 13,780,600 shares of our common stock, which represents approximately 50.8% of the shares of common stock currently outstanding. Accordingly, Emerson is a controlled company, as such term is defined in Section 801(a) of The American Stock Exchange Company Guide (the Company Guide). As a controlled company, Emerson is not required to comply with Sections 802(a), 804 or 805 of the Company Guide relating to independent directors, Board nominations and executive compensation, respectively.

Under Section 802(a) of the Company Guide, we are exempt from the requirement that at least a majority of the directors on our Board of Directors be independent directors as defined in Section 121A of the Company Guide because we are a controlled company, as such term is defined in Section 801(a) of the Company Guide, and we do not maintain a board of directors comprised of a majority of independent directors that meet the definition of independence as set forth in the American Stock Exchange and SEC rules. Four of our nine current directors meet the definition of independence as established by the American Stock Exchange and SEC rules. As a result of its status as a controlled company, since July 2006, the Board of Directors has had only one standing committee, the Audit Committee. The functions of the Compensation and Personnel Committee and the Nominating Committee during the period from the beginning of Fiscal 2007 until July 2006, and the functions of the Audit Committee during Fiscal 2007 are described below. No member of any of any of such committees was an employee of Emerson while serving on such committee.

The Board of Directors is responsible for the management and direction of Emerson and for establishing broad corporate policies. It has initiated actions consistent with the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission (the SEC) and the American Stock Exchange. The Board of Directors has determined that from the beginning of Fiscal 2007 through July 26, 2006, Messrs. Bünger, Driscoll, Farnum, Pitts and Will satisfied the independence standards of the American Stock Exchange and the SEC s Rule 10A-3. The Board of Directors has determined that Messrs. Bünger, Driscoll, Farnum and Wirsching currently satisfy all such definitions of independence. The Board of Directors has also determined that during the period from the beginning of Fiscal 2007 through July 26, 2006, Eduard Will constituted our audit committee financial expert, as such term is defined by the SEC. As a

Table of Contents

result of the appointment of Mr. Will as our President-North American Operations in July 2006, the Board of Directors has determined that Mr. Driscoll currently constitutes our audit committee financial expert as such term is defined by the SEC. Emerson has a policy of encouraging, but not requiring, its Board members to attend annual meetings of stockholders. Last year, each of our directors, at such time, attended the annual meeting of stockholders.

Audit Committee. Our Audit Committee is presently comprised of Messrs. Driscoll (Chairman), Farnum and Wirsching. The Audit Committee is empowered by the Board of Directors to, among other things: (i) serve as an independent and objective party to monitor our financial reporting process, internal control system and disclosure control system; (ii) review and appraise the audit efforts of our independent accountants; (iii) assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and our management regarding financial reporting issues; and (iv) provide the opportunity for direct communication among the independent accountants, financial and senior management and the Board of Directors. During Fiscal 2007, the Audit Committee performed its duties under a written charter approved by the Board of Directors and formally met ten (10) times. A copy of our Audit Committee Charter is posted on our website: www.emersonradio.com on the Investor Relations page.

Compensation and Personnel Committee. The Compensation and Personnel Committee was comprised of Messrs. Bünger and Farnum and (i) made recommendations to the Board of Directors concerning remuneration arrangements for senior executive management; (ii) administered our stock option plans and (iii) made such reports and recommendations, from time to time, to the Board of Directors upon such matters as the Compensation and Personnel Committee may deem appropriate or as may be requested by the Board of Directors. The Compensation and Personnel Committee did not formally meet during Fiscal 2007. Under Section 805 of the Company Guide, we are exempt from the requirement to have the compensation of our executives determined by a compensation committee comprised solely of independent directors or by a majority of the board's independent directors because we are a controlled company, as such term is defined in Section 801(a) of the Company Guide. As a result, in July 2006, we disbanded the Compensation and Personnel Committee.

Nominating Committee. The Nominating Committee was comprised of Messrs. Bünger and Farnum and was empowered by the Board of Directors to, among other functions: (i) recommend to the Board of Directors qualified individuals to serve on our Board of Directors and (ii) identify the manner in which the Nominating Committee evaluates nominees recommended for the Board of Directors. Our Nominating Committee did not formally meet during Fiscal 2007. Under Section 804 of the Company Guide, we are exempt from the requirement to have director nominees selected by a nominating committee comprised entirely of independent directors or by a majority of the independent directors because we are a controlled company, as such term is defined in Section 801(a) of the Company Guide. As a result, in July 2006, we disbanded the Nominating Committee and the full Board of Directors will participate in the consideration of director nominees in the future.

Table of Contents**Codes of Ethics**

We have adopted a Code of Ethics for Senior Financial Officers (Code of Ethics) that applies to our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller and Treasurer. We have also adopted a Code of Conduct for Officers, Directors and Employees of Emerson Radio Corp. and Its Subsidiaries (Code of Conduct). We prepared this Code of Conduct to help all officers, directors and employees understand and comply with our policies and procedures. Overall, the purpose of our Code of Conduct is to deter wrongdoing and promote (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications made by us; (iii) compliance with applicable governmental laws, rules and regulations; (iv) prompt internal reporting of code violations to an appropriate person or persons identified in this Code of Conduct; and (v) accountability for adherence to the Code of Conduct.

The Code of Ethics and the Code of Conduct are posted on our website: www.emersonradio.com on the Investor Relations page. If we make any substantive amendments to, or grant any waiver (including any implicit waiver) from a provision of the Code of Ethics or the Code of Conduct, and that relates to any element of the Code of Ethics definition enumerated in Item 406 (b) of Regulation S-K, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Compensation Discussion and Analysis

Introduction

This discussion presents the principles underlying our executive officer compensation program. Our goal in this discussion is to provide the reasons why we award compensation as we do and to place in perspective the data presented in the tables that follow this discussion. The focus is primarily on compensation of our executive compensation for the fiscal year ended March 31, 2007, but some historical and forward-looking information is also provided to put such year's compensation information in context. The information presented herein relates to Christopher Ho, our Chairman, Adrian Ma, our Chief Executive Officer, Greenfield Pitts, our Chief Financial Officer and our three other most highly compensated executive officers, who are sometimes referred to in this Annual Report on Form 10-K as our named executive officers. Mr. Ho and Mr. Ma, however, did not receive any salary or other compensation from us in Fiscal 2007.

Compensation Philosophy and Objectives

We attempt to apply a consistent philosophy to compensation for all employees, including senior management. This philosophy is based on the premises that our success is dependent upon the efforts of each employee and that a cooperative, team-oriented environment is an essential part of our culture.

Our compensation programs for our named executive officers are designed to achieve a variety of goals, including:
attracting and retaining talented and experienced executives;

motivating and rewarding executives whose knowledge, skills and performance are critical to our success;

Table of Contents

aligning the interests of our executives and stockholders by motivating executives to increase stockholder value in a sustained manner; and

provide a competitive compensation package which rewards achievement of our goals.

Elements of Executive Officer Compensation

Overview. Total compensation paid to our executive officers is influenced significantly by the need to attract and retain management employees with a high level of expertise and to motivate and retain key executives for our long-term success. Some of the components of compensation, such as salary, are generally fixed and do not vary based on our financial and other performance. Some components, such as bonus, stock options and stock award grants, are discretionary and are dependent upon the achievement of certain goals jointly agreed upon by our management and our Board of Directors. Furthermore, the value of certain of these components, such as stock options and stock awards, is dependent upon our future stock price. Our Board of Directors has indicated that it does not currently intend to grant new stock awards to our executive officer and employees. However, the Board of Directors does intend to grant stock awards to non-employee directors and may in the future change its current policy with respect to stock awards to executive officers and employees.

We compensate our executive officers in these different ways in order to achieve different goals. Cash compensation, for example, provides executive officers a minimum base salary. Incentive bonus compensation is generally linked to the achievement of financial and business goals, and is intended to reward executive officers for our overall performance in reaching annual goals that are agreed to in advance by management and our Board of Directors. Although we may utilize, stock options and grants of restricted stock in the future, we did not grant any stock options or restricted stock during Fiscal 2007 to any of our executive officers; provided, however, that Messrs. Pitts and Will did receive stock options during Fiscal 2007 in their capacities as non-employee directors prior to being named as executive officers. See Cash and Other Compensation.

We view the three components of our executive officer compensation as related but distinct. Although the Board of Directors does review total compensation, it does not believe that compensation derived from one component of compensation necessarily should negate or reduce compensation from other components. We determine the appropriate level for each compensation component based in part, but not exclusively, on its historical practices with the individual and our view of individual performance and other information we deem relevant. Our Board of Directors has not engaged an outside consultant to assist the Board in the compensation process. The Board of Directors does review publicly available data with respect to executive compensation at peer group companies. The Board of Directors realizes that benchmarking our compensation against the compensation earned at comparable companies may not always be appropriate, but believes that engaging in a comparative analysis of compensation practices is useful. The Board of Directors has not adopted any formal policies or guidelines for allocating compensation between long-term and currently paid out compensation, between cash and non-cash compensation, or among different forms of compensation. We have not reviewed wealth

Table of Contents

and retirement accumulation as a result of employment with us, and have only focused on fair compensation for the year in question.

Base Salary. We pay our executive officers other than Mr. Ho and Mr. Ma, a base salary, which we review and determine annually. We believe that a competitive base salary is a necessary element of any compensation program. We believe that attractive base salaries can motivate and reward executives for their overall performance. Base salaries are established in part based on the individual position, responsibility, experience, skills and expected contributions during the coming year of the executive and their performance during the prior year. We also have sought to align base compensation levels comparable to our competitors and other companies in similar stages of development. We do not view base salaries as primarily serving our objective of paying for performance, but in attracting and retaining the most qualified executives necessary to run our business.

Cash Incentive Bonuses. Consistent with our emphasis on pay-for-performance incentive compensation programs, our executives are eligible to receive annual performance bonuses or discretionary bonuses that must be approved by our Board of Directors; provided, however, that the bonus paid to our President - North American Operations in Fiscal 2007 was approved by our Chairman of the Board. The primary objective of our annual cash incentive bonuses is to motivate and reward our employees, including our named executive officers, for meeting our short-term objectives using a pay-for-performance program with objectively determinable performance goals. For the fiscal year ended March 31, 2007, none of our named executive officers, except for Mr. Will, our President-North American Operations, received a cash bonus. We do not have a formal policy on the effect on bonuses of a subsequent restatement or other adjustment to the financial statements, other than the penalties provided by law.

Equity Compensation. We review our equity compensation plans annually. Under our plans, employees are eligible for annual stock option and restricted stock award grants based on targeted levels and we have in the past granted stock options to our executive officers and employees. These options and grants are intended to produce value for each executive officer if (i) our stockholders derive significant sustained value; and (ii) the executive officer remains with us. We do not have any program, plan or obligation that requires us to grant equity compensation to any executive officer on specified dates. The authority to make equity grants to executive officers rests with the Board of Directors, although, as noted above, the Board of Directors does not currently intend to grant any new stock awards to our executive officers or employees. We did not grant any stock options or restricted stock awards during our fiscal year ended March 31, 2007; provided, however, that Messrs. Pitts and Will did receive stock options during Fiscal 2007 in their capacities as non-employee directors prior to being named as executive officers. See Cash and Other Compensation.

Severance and Change-in-Control Benefits.

We do not provide to any of our executive officers any severance or change in control benefits in the event of termination or retirement, whether following a change-in-control or otherwise.

Employment Agreements.

Table of Contents

We have employment agreements with certain of our executive officers, each of which is described below.

Effective September 1, 2001, John J. Raab, Chief Operating Officer and Senior Executive Vice President, entered into a three-year employment agreement (the Raab Employment Agreement) with us, providing for an annual compensation of \$250,000, which was increased to \$257,500, effective April 1, 2002, and \$275,000, effective April 1, 2003. By letter agreement dated effective as of September 1, 2004, the term of the Raab Employment Agreement was extended through and including August 31, 2007 and his annual compensation was increased to \$286,000, effective April 1, 2005. In addition to his base salary, Mr. Raab may also receive an additional annual performance bonus, subject to the final approval of our Board of Directors. In the event that Mr. Raab were to be terminated due to permanent disability, without cause or as a result of constructive discharge, the estimated dollar amount to be paid after March 31, 2007, to such individual, based on the terms of his contract, would be \$119,117. Mr. Raab's contract has not been extended and will expire on August 31, 2007, at which time Mr. Raab will resign as our Chief Operating Officer and Senior Executive Vice President.

Eduard Will, our President-North American Operations, entered into an employment agreement (the Will Employment Agreement) with us on July 27, 2006 that provides that Mr. Will shall serve as our President North American Operations through June 30, 2007. Following the initial term of the agreement (June 30, 2007), we have the right to terminate the agreement upon 90 days prior written notice and Mr. Will has the right to terminate the agreement upon 30 days prior written notice. In addition, during the initial term, Mr. Will has the right to terminate the agreement upon 90 days prior written notice. The agreement provides for annual compensation of \$250,000. In addition to his base salary, Mr. Will may also receive an additional annual performance bonus to be recommended by the Board of Directors.

Greenfield Pitts, our Chief Financial Officer, entered into an employment agreement (the Pitts Employment Agreement) with us on April 3, 2007, that provides that Mr. Pitts shall serve as our Chief Financial Officer through March 31, 2008. Following the initial term of the agreement (March 31, 2008), we have the right to terminate the agreement upon 90 days prior written notice and Mr. Will has the right to terminate the agreement upon 30 days prior written notice. In addition, during the initial term, Mr. Pitts has the right to terminate the agreement upon 90 days prior written notice. The agreement provides for annual compensation of \$250,000. In addition to his base salary, Mr. Pitts may also receive a discretionary bonus at the end of our fiscal year recommended by the Board of Directors.

Benefits. The executive officers participate in all of our employee benefit plans, such as medical and 401(k) plan, on the same basis as our other employees.

Perquisites. Our use of perquisites as an element of compensation is very limited. We do not view perquisites as a significant element of our comprehensive compensation structure.

Table of Contents**The Process**

The Board of Directors meetings regarding compensation typically involve a preliminary discussion with our Chairman and our Chief Executive Officer prior to the Board of Directors deliberating without any members of management present. For compensation decisions, including decisions regarding the grant of bonuses relating to executive officers (other than our Chairman and our Chief Executive Officer), the Board of Directors considers the recommendations of our Chairman and our Chief Executive Officer and includes them in their discussions; provided, however, that the bonus paid to our President-North American Operations in Fiscal 2007 was approved by our Chairman of the Board.

Regulatory Considerations

We account for the equity compensation expense for our employees under the rules of SFAS 123R, which requires us to estimate and record an expense for each award of equity compensation over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the obligation is accrued.

Cash and Other Compensation

The following table, which should be read in conjunction with the explanations provided above, provides certain compensation information concerning our named executive officers for the fiscal year ended March 31, 2007.

Binney, Pitts and Will (until their employment with us in July 2006, February 2007 and July 2006, respectively) and Messrs. Bünger, Farnum, Driscoll and Wirsching were paid \$45,000, \$42,500, \$18,333, \$45,000, \$50,000, \$53,334 and \$32,083 respectively, for serving on the Board of Directors and on our various committees during the period. Outside Directors are each paid an annual director's fee of \$45,000; members of the Audit Committee are each paid an additional fee of \$5,000 per annum; and the Chairman of the Audit Committee is paid an additional fee of \$5,000 per annum. All directors' fees are paid in four equal quarterly installments per annum. Directors who are our employees were not paid for

their services as a director while an employee of ours during Fiscal 2007. Additionally, each director, who is not an employee, is eligible to participate in our 2004 Non-Employee Outside Director Stock Option Plan. Directors of Emerson are reimbursed their expenses for attendance at meetings. Further, we offer to provide health care insurance to each of our directors who is not an employee.

In Fiscal 2007, Messrs. Driscoll, Farnum, Pitts, Will and Wirsching were granted stock options, pursuant to the 2004 Non-Employee Outside Director Stock Option Plan, to purchase 50,000, 25,000, 25,000, 25,000 and 25,000 shares of our common stock, respectively, at an exercise price of \$3.19 per share. These options vest in equal installments over three years, commencing one year from the date of grant, and their exercise is contingent upon continued service as a member of our Board of Directors.

In addition, during Fiscal 2007, Messrs. Driscoll, Farnum and Wirsching earned fees of \$42,350, \$16,100 and \$19,600 respectively, for their services as members of a special committee of independent directors formed in November 2006 to evaluate a proposal by The Grande (Nominees) Limited, a subsidiary of Grande Holdings, to sell to us a 51% interest in Capetronic Group, Ltd., a consumer electronics manufacturer. Such fees are included in the Director Compensation table below. The special committee was disbanded in January 2007 after we were advised by The Grande (Nominees) Limited that it determined not to pursue, at such time, its proposal.

The following table provides certain information with respect to the compensation paid to our Outside Directors during the fiscal year ended March 31, 2007.

ITEM 13 CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

On December 5, 2005, The Grande Holdings Limited (Grande) purchased approximately 37% (10,000,000 shares) of the Company's outstanding common stock from our former Chairman and Chief Executive Officer, Geoffrey P. Jurick. Since the initial purchase of common stock, Grande has increased its holdings of Emerson Radio Corp. common stock through open market purchases to approximately 50.8% of our outstanding common shares, as of June 30, 2007.

In January 2006, Emerson commenced leasing office space and procuring services in connection with this office space rental in Hong Kong from Grande on terms which Emerson management believes reflect arms length transactions. Under these arrangements, Emerson incurred expenses with Grande of approximately \$429,000 for the year ended March 31, 2007.

In December 2005, Emerson sold to Sansui Electronics (UK), an affiliate of Grande (Sansui), the Company's controlling stockholder, aging inventory then located in a warehouse in the United Kingdom. The purchase price was approximately \$900,000 and represented the estimated net realizable value (after write downs) of the inventory. After further market price declines Sansui sold the inventory in 2006 and remitted payment owed to Emerson in the amount of \$454,822.

In the quarter ended December 31, 2006, Emerson recorded \$33.1 million of net revenues and \$50,000 of operating profit as a consequence of its participation in a Black Friday promotion of 42 plasma television sets by a major retailer. In this transaction, Emerson played several different roles. It assisted in the manufacturing of the product by providing financial assistance to the manufacturer of the television sets, Capetronic Display Limited (Capetronic), a subsidiary of Grande. This working capital support, which was provided on an unsecured basis, included (i) the deposit with Capetronic of approximately \$6.7 million in order to assist Capetronic in purchases from its parts suppliers, (ii) the opening of approximately \$22.1 million of letters of credit under its credit line with Wachovia Bank, for the benefit of Capetronic, which enabled Capetronic to purchase additional parts from its suppliers and (iii) the borrowing of monies under its credit line when the letters of credit were drawn down upon the delivery of the parts to Capetronic. In addition, Emerson purchased the television sets from Capetronic and resold them to a distributor. All amounts owed by Capetronic to Emerson relating to this transaction have been paid in full, subsequent to March 31, 2007.

In October 2006, Emerson entered into an agreement with a consumer electronics distributor (the Licensee) pursuant to which, among other things, Emerson agreed to grant the Licensee a license to distribute and sell LCD televisions (LCD sets) in North America under Emerson's H.H. Scott brand name. In the fiscal quarter ended December 31, 2006, the Licensee began selling 32 and 37 LCD sets to a major United States based retailer. Pursuant to the terms of the agreement with the licensee, Emerson was paid a royalty of \$110,000 as a result of such sales through March 31, 2007.

As part of its contribution to the revival of the H.H. Scott name, Emerson provided unsecured financial assistance to Capetronic, Nakamichi Corporation (Nakamichi), Akai

Table of Contents

Electric (China) Co. Ltd. (Akai), and Sansui, each of which is a wholly-owned subsidiary of Grande, the manufacturer of the LCD sets, in the form of letters of credit and loans which in the aggregate approximated \$22.0 million at December 31, 2006. In reviewing the documentation for certain of the letters of credit referred to above, Emerson determined that some of the parts for which letters of credit were opened were to be used for the manufacture of 27 and 42 television sets to be sold to the Licensee by Akai. Emerson had no direct or indirect interest in such sales, and Capetronic paid Emerson \$57,000 as a fee for facilitating such transaction.

On February 21, 2007, Capetronic, Nakamichi Corporation, a Japanese corporation, Akai Electric (China) Co. Ltd., a People's Republic of China corporation, and Sansui Electric (China) Co. Ltd., a People's Republic of China corporation (collectively, the Borrowers), each of which is a wholly-owned subsidiary of Grande, jointly and severally, issued a promissory note (the Note) in favor of the Company in the principal amount of approximately \$23,500,000. Such amount is included in Due from Affiliates in the accompanying balance sheet as of March 31, 2007. The principal amount of the Note represented the outstanding amount currently owed to the Company, as of March 31, 2007, as a result of certain related party transactions entered into between the Company and the Borrowers described above, including interest that had accrued from the date of such related party transactions until the date of the Note. Simultaneously with the execution of the Note, Grande executed a guaranty (the Guaranty) in favor of the Company pursuant to which Grande guaranteed payment of all of the obligations of the Borrowers under the Note in accordance with the terms thereof.

Interest on the unpaid principal balance of the Note accrued at a rate of 8.25% per annum, commencing on February 21, 2007, until all obligations under the Note were paid in full, subject to an automatic increase of 2% per annum in the event of default under the Note in accordance with the terms thereof. Payments of principal and interest under the Note were to be made in nine installments from April 1, 2007 through June 3, 2007 in such amounts and on such dates as set forth in the Note, with all amounts of interest due under the Note scheduled to be paid with the final installment.

As of June 3, 2007, all amounts due under the note have been repaid.

Since August 2006, Emerson has been providing to Sansui Sales PTE Ltd (Sansui) and Akai Sales PTE Ltd (Akai), both of which are subsidiaries of Grande, assistance with acquiring their product. Emerson issues purchase orders to third-party suppliers who manufacture this product, and Emerson issues sales invoices to Sansui and Akai at gross amounts for this product. Sansui and Akai provide financing for this product in the form of transfer letters of credit to the suppliers, and goods are shipped directly from the suppliers to Sansui's and Akai's customers. Emerson recorded income totaling \$233,000 for providing this service in fiscal 2007.

Effective January 1, 2006, we entered into a lease for office space in Hong Kong with Grande and an agreement for services in connection with this office space rental from Grande, which was extended through December 31, 2008, and which will expire unless terminated earlier by either party upon three months prior written notice of termination by either party. For the fiscal year ended March 31, 2007, we incurred expenses to Grande of approximately \$429,000 under these arrangements.

Table of Contents

In May 2007, we entered into an agreement with Goldmen Electronic Co. Ltd. (Goldmen), with a manufacturing facility in Guangdong, China, pursuant to which we agreed to pay Goldmen approximately \$1,682,220 in exchange for Goldmen s manufacture and delivery to us of musical instruments in order for us to meet our delivery requirements of these instruments in the first week of September 2007. In July 2007, we learned that Goldmen had filed for bankruptcy and was unable to manufacture the musical instruments we had ordered. Promptly after we learned of Goldmen s bankruptcy, Capetronics agreed to manufacture the musical instruments on substantially the same terms and conditions, including the price, as Goldmen had agreed to manufacture them. Accordingly, on July 12, 2007, we purchased from Goldmen the molds and equipment necessary for Capetronics to manufacture the musical instruments for approximately \$124,000, and on or about July 16, 2007, we made an upfront payment of approximately \$1,682,220 to Capetronics. On July 20, 2007, Capetronics advised us that it is unable to manufacture the musical instruments for us because it does not have the requisite governmental licenses to do so, and in connection therewith, we have requested the return of our upfront payment. We continue to own the molds and equipment we purchased from Goldmen.

Future Transactions

We have adopted a policy that all future affiliated transactions will be made or entered into on terms no less favorable to us than those that can be obtained from unaffiliated third parties. In addition, all future affiliated transactions, must be approved by a majority of the independent outside members of our Board of Directors who do not have an interest in the transactions.

Director Independence

We have nine directors, Christopher Ho, Adrian Ma, Greenfield Pitts, Michael A.B. Binney, Eduard Will, Peter G. Bunger, W. Michael Driscoll, Jerome H. Farnum and Norbert R. Wirsching.
