rtner recusing himself). Additionally, the majority unitholder of the Partnership, BGH GP Holdings LLC, and ArcLight Energy Partners Fund III, L.P., ArcLight Energy Partners Fund IV, L.P., Kelso Investment Associates VII, L.P., and KEP VI, LLC (collectively, the Unitholders and, individually, a Unitholder) have executed a Support Agreement (Support Agreement) agreeing to vote in favor of the proposed transaction.

After the Merger, the board of directors of BPL s general partner is expected to consist of nine members, three of whom are expected to be the existing members of the audit committee of the board, one of whom is expected to be the existing chief executive officer of BPL s general partner and three of whom are expected to be the three existing members of the audit committee of the board of directors of the Partnership s general partner. In addition, the Partnership s general partner, which will own a non-economic general partner interest in the Partnership and will continue to be owned by BGH GP Holdings, LLC, will have the right and authority to designate two additional members of the board, subject to reduction if BGH GP Holdings, LLC s ownership of LP Units drops below certain thresholds.

The Merger Agreement provides that the Partnership is subject to a no-solicitation covenant, which restricts its ability to (i) knowingly initiate, solicit or encourage the submission of competing proposals or (ii) participate in any discussions or negotiations regarding, or furnish to any person, any non-public information, with respect to any competing proposal. The no-solicitation restriction does not prohibit discussions or negotiations with any party that submits an unsolicited written acquisition proposal that did not result from a knowing and intentional breach by the Partnership of the no-solicitation covenant if the board of directors of the general partner of the Partnership determines in good faith, after consultation with its outside legal counsel and financial advisors (i) that the acquisition proposal constitutes or is likely to result in a Superior Proposal as defined in the Merger Agreement and (ii) that failure to take such action would be inconsistent with its fiduciary duties under the partnership agreement of the Partnership and applicable law.

BPL may terminate the Merger Agreement if the board of directors of the general partner of the Partnership changes its recommendation to the Partnership's unitholders, in which event the Partnership would be required to pay a termination fee of \$29 million to BPL. The Partnership may terminate the Merger Agreement prior to obtaining its unitholders' approval in the event that the board of directors of its general partner determines in good faith that an acquisition proposal is a Superior Proposal, its general partner makes a change in recommendation to its unitholders, the Partnership has not breached the no-solicitation covenant and the Partnership enters into a definitive agreement with respect to the Superior Proposal, in which event the Partnership would be required to pay a termination fee of \$29 million. The Partnership may terminate the Merger Agreement if the audit committee of the board of directors of BPL's general partner changes its recommendation to BPL's unitholders, in which event BPL would be required to pay a termination fee of \$29 million to the Partnership. The Partnership will not participate in any distribution from BPL on its interests in BPL relating to any termination fee that BPL receives.

Subject to certain restrictions and conditions, either BPL or the Partnership may terminate the Merger Agreement, if (i) the Merger has not been consummated on or before December 31, 2010, unless such deadline has been extended to February 28, 2011 in accordance with the terms of the Merger Agreement, (ii) BPL or the Partnership breaches certain representations, warranties, covenants or other agreements contained in the Merger Agreement, (iii) a regulatory authority has permanently restrained, enjoined or otherwise prohibited the consummation of the Merger or made the Merger illegal or (iv) BPL or the Partnership fail to obtain the necessary approval of the holders of the LP Units, Common Units (as defined in the Merger Agreement) and Management Units (as defined in the Merger Agreement). Upon such termination, BPL or the Partnership may be obligated to pay up to \$6 million of the expenses of the other party. In addition, the Merger Agreement may be terminated by the mutual consent of BPL and the Partnership.

The Registration Rights Agreement also includes provisions dealing with holdback agreements, indemnification and contribution and allocation of expenses.
