**Item 2.02. Results of Operations and Financial Condition**

On July 28, 2010, Key Energy Services, Inc., a Maryland corporation (the Company ) announced in a press release (the Release ) its results for the quarter ended June 30, 2010. A copy of the Release is attached as Exhibit 99.1 to the Company s Current Report on Form 8-K filed with the Securities and Exchange Commission (the Commission ) on July 29, 2010 and is incorporated by reference.

As stated in the Release, the reported results, financial statements and tables included in the Release did not reflect the presentation of the Company s pressure pumping and wireline businesses as assets held for sale or discontinued operations. Set forth below in this Current Report on Form 8-K are the financial statements that were included in the Release, revised to reflect the presentation of the Company s pressure pumping and wireline businesses as assets held for sale and as discontinued operations, consistent with the presentation in the Form 10-Q.

The information contained in this Item 2.02 (including the Release incorporated by reference) shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act ), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
