This information shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall these be any sale of notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

Except as specifically provided herein, the information contained in the Previous Filing remains unchanged. This information does not reflect events that have occurred after the filing of the Previous Filing and does not modify or update disclosures as originally filed, except as described herein.

**Cautionary Language Regarding Forward-Looking Statements**

Some of the statements included herein involve forward-looking information. These statements may include statements for the period after completion of the merger. These forward-looking statements relate to outlooks or expectations for earnings, revenues, expenses, asset quality or other future financial or business performance, strategies or expectations, or the effect of legal, regulatory or supervisory matters on business, results of operations or financial condition, and include, among others:

---

statements relating to the benefits of the merger, including anticipated synergies and cost savings estimated to result from the merger;

statements relating to future business prospects, revenue, income, liquidity and financial condition; and

statements preceded by, followed by or that include the words estimate, plan, project, forecast, intend, expect, anticipate, believe, think, view, seek, target or similar expressions.

Forward-looking statements reflect management's judgment based on currently available information and involve a number of factors, risks and uncertainties that could cause actual results to differ. With respect to these forward-looking statements, each of RRI management and Mirant management has made assumptions regarding, among other things, future demand and market prices for electricity, capacity, fuel and emission allowances, operating, general and administrative costs, financial and economic market conditions and legislative, regulatory and/or market developments. The future and assumptions about the future cannot be ensured. Actual results may differ materially from those in the forward-looking statements. Some factors, risks and uncertainties that could cause actual results to differ include:

- the ability to obtain governmental approvals of the merger, or acceptable debt financing, on the proposed terms and time schedule;
- the risk that the businesses will not be integrated successfully;
- expected cost savings from the merger may not be fully realized within the expected time frames or at all;
- revenues following the merger may be lower than expected;
- changes in political or other factors such as monetary policy, legal and regulatory changes or other external factors over which the companies have no control;
- changes in general economic and market conditions, including demand and market prices for electricity, capacity, fuel and emission allowances; and
- those set forth in RRI Energy's and Mirant's most recent Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q.

You are cautioned not to place undue reliance on any forward-looking statements, which speak only as of the date of the particular statement. Except as required by law, neither RRI nor Mirant undertakes any obligation to publicly update or release any revisions to these forward-looking statements to reflect any events or circumstances after the date that they were made or to reflect the occurrence of unanticipated events.
