ITEM 3.02. UNREGISTERED SALES OF EQUITY SECURITIES.

On March 20, 2006, all of the Company's outstanding additional investment rights ("AIRs") were exercised by the holders thereof. We received gross proceeds of \$4,000,000 from this exercise which we intend to use for general working capital.

In connection with such exercise, we have issued (i) an additional \$4,000,000 aggregate principal amount of our senior subordinated convertible notes and (ii) warrants to purchase an aggregate of 680,658 shares of our common stock at an exercise price of \$1.78 per share expiring on September 20, 2011. The notes are convertible at the option of the holder under certain circumstances into shares of our common stock at an initial conversion price of \$2.1156 per share, subject to adjustment. All other terms of such notes are identical to the currently outstanding \$6.0 million aggregate principal amount of our senior subordinated convertible notes.

The AIRs were issued in October 2004 in connection with a private placement to a limited number of accredited investors. The issuance of the AIRs and the issuance of the notes and warrants upon the exercise of the AIRs did not constitute a public offering and accordingly were exempt from the registration requirements of the Securities Act of 1933.

Pursuant to a Registration Rights Agreement entered into at the closing of the private placement in October 2004, we have agreed to register under the Securities Act of 1933 the sale of shares of common stock issuable upon conversion of the notes and upon exercise of the warrants.
