MEADOWBROOK INSURANCE GROUP, INC.
ANNOUNCES PROPOSED EQUITY OFFERING, REVISES 2007
GUIDANCE, AND PROVIDES 2008 GUIDANCE
SOUTHFIELD, MICHIGAN
July 9, 2007

Meadowbrook Insurance Group, Inc. (NYSE:MIG) announced today its plans to offer 7,250,000 shares of common stock in an underwritten public offering pursuant to its recently filed Shelf Registration Statement. Of these shares, 5,500,000 shares are expected to be offered by the Company and 1,750,000 shares are expected to be offered by the Company's Chairman, Mr. Merton Segal, his wife, or her trust. The Company will not receive any of the proceeds from the sale of shares by Mr. Segal, Mrs. Segal, or her trust.

In conjunction with the offering, the Company will grant the underwriters a 30-day option to purchase up to an additional 1,087,500 shares of common stock to cover over-allotments, if any.

Robert S. Cubbin, President and Chief Executive Officer stated, "The proceeds from the offering will be utilized to reduce the balance on our line of credit, support organic growth within our underwriting operations, fund potential select acquisitions, and for other general corporate purposes. With our recent A.M. Best upgrade to A- and the opportunities present in the market, we believe it is an appropriate time to raise and reasonably deploy new capital. KeyBanc Capital Markets is lead managing the offering. In addition, Friedman, Billings, Ramsey & Co. and Ferris, Baker Watts, Incorporated are acting as co-managers. ParaCap Group, LLC has been retained as financial advisor for the Company. The Company expects to conclude the offering by mid to late July 2007.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any of the securities. The offering of the shares of common stock may be made only by means of a prospectus, copies of which can be obtained from KeyBanc Capital Markets, 800 Superior Avenue, Cleveland, Ohio 44114, or by fax request to (216) 443-3901. In addition to the proposed equity offering, we are revising our guidance for 2007 and providing guidance for 2008. Our previous guidance for 2007 anticipated net income to grow to between \$24.0 million and \$26.0 million, or \$0.80-\$0.85 per share. Our guidance regarding full year 2007 net income continues to be between \$24.0 million and \$26.0 million after giving effect to the amortization related to our recent acquisition of U.S. Specialty Underwriters, Inc. (USSU), which is expected to be partially offset by investment income anticipated from the net proceeds of this proposed offering. After consideration of this proposed offering and our recent acquisition of USSU, we anticipate 2007 earnings to be between \$0.73-\$0.79 per share. The amortization of intangible assets is expected to be approximately \$1.9 million, or approximately \$0.04 per share. Our revised guidance also includes the following: a gross written premium target of \$370.0 million to \$380.0 million, a gross commissions and fees target of \$96.0 million to \$98.0
