This Amendment No. 1 relates to the Statement of Beneficial Ownership on Schedule 13D filed jointly by Crestview Capital Master, LLC (Crestview) and Crestview Capital Partners, LLC (Crestview Partners) (each, a Reporting Person and, collectively, the Reporting Persons) with the Securities and Exchange Commission (the Commission) on December 7, 2007 (the Schedule 13D).

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the Schedule 13D is hereby amended to add the following information:

All funds used for the purchases of the securities of the Company set forth on Schedule A to this Amendment No. 1 on behalf of the Reporting Persons have come directly from the assets controlled by such Reporting Persons and their affiliates, which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business. The aggregate amount of funds for such purchases reflected on Schedule A to this Amendment No. 1 was approximately \$365,180.54. These amounts are in addition to the amounts previously reported.

Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is hereby amended to add the following information:

After 5 pm eastern time on December 19, 2007, Crestview consented to the amendments to the terms of the Series B Preferred Stock (as defined below), the Series C Preferred Stock (as defined below), the Series B Warrants (as defined below) and the Series C Warrants (as defined below). The material terms of the amendments are described below, and the amendments are attached hereto as Exhibit 99.13 and incorporated herein by reference. With respect to the Issuer's amendments to the Series B and Series C Preferred Certificates of Designations, which are set forth on Exhibit 99.13, the Issuer's counsel made technical corrections to the amendments to such certificates of designation to provide that the automatic conversion of the preferred stock would occur immediately following the effectiveness of such amended certificates filed with the State of Nevada instead of at 4:01 pm eastern time. Such technical corrections are not reflected on Exhibit 99.13. Prior to Crestview giving its consent to the amendments, the Issuer and Crestview discussed an amendment to the Issuer's bylaws regarding the Issuer's opt out of Nevada's control share acquisition statute, and the Issuer confirmed to Crestview such amendment had been adopted by the Board of Directors of the Issuer and the Issuer also confirmed various other matters to Crestview, including as to having obtained all required approvals and there being no other restrictions on Crestview related to the consummation of the Transaction, including under any so-called poison pills, charter or bylaw provisions, state takeover laws or the like, all of which confirmations are set forth on Exhibit 99.14 and which are incorporated herein by reference.

Following delivery of Crestview's consent to the Issuer, the Issuer, on December 19, 2007, consummated the transactions disclosed in the Form 8-K filed by the Issuer with the Commission on December 20, 2007 (and as previously disclosed by the Issuer in Forms 8-K filed with the Commission on October 19, 2007, December 5, 2007 and December 6, 2007) (collectively, the Transaction). Simultaneously with the Issuer's consummation of the Transaction, (i) the 82.32274 shares of Series B 9% Convertible Preferred Shares of the Issuer (Series B Preferred Stock) held by Crestview immediately prior to the consummation of the Transaction automatically converted into 10,290,342 shares of Common Stock, (ii) the 40 shares of Series C 7% Convertible Preferred Shares of the Issuer (Series C Preferred Stock) held by Crestview immediately prior to the consummation of the Transaction automatically converted into 4,166,666 shares of Common Stock, (iii) Crestview exercised a portion of Common Stock Purchase Warrants held by it to purchase a total of 60,451 shares of Common Stock for an aggregate purchase price of \$24,180.40 (the Series B Warrants), (iv) Crestview exercised all of its Common Stock Purchase Warrants held by it to purchase a total of 625,000 shares of Common Stock for an aggregate purchase price of \$250,000 (the Series C Warrants), (v) the Issuer

issued Crestview 442,484 shares of Common Stock as a stock dividend on the Series B Preferred Stock and (vi) the Issuer issued Crestview 139,351 shares of Common Stock as a stock dividend on the Series C Preferred Stock.

Immediately following the consummation of the Transaction, Crestview purchased 216,667 shares of Common Stock in block trade for an aggregate purchase price of \$91,000.14 pursuant to the written agreement attached hereto as Exhibit 99.15. The Issuer confirmed and acknowledged it would comply with its obligations under such purchase agreement. This confirmation and acknowledgement is attached as Exhibit 99.15 and incorporated by reference herein.

The terms of the Series B Preferred Stock were amended simultaneously with the consummation of the Transaction to, among other things, (i) lower the conversion price of the Series B Preferred Stock from \$0.61 to \$0.40, (ii) provide for the automatic conversion of all the Series B Preferred Stock into shares of Common Stock immediately following the effectiveness of the amended Series B Preferred Certificate of Designation filed with the State of Nevada and (iii) permit the issuance of shares of Common Stock upon automatic conversion of all the Series B Preferred Stock notwithstanding the beneficial ownership limitation provision contained in the Series B Certificate of Designation.

The terms of the Series B Warrants were amended simultaneously with the consummation of the Transaction to, among other things, lower the exercise price from \$0.61 to \$0.40 for cash exercises and to \$0.45 for cashless exercises beginning at 4:01 pm eastern time on the date the Transaction was consummated. The amendment to the Series B Warrants also provided that (i) the exercise price would be \$0.45 (for cash and on a cashless basis) beginning at 10 pm eastern time on the date the Transaction was consummated through 9:59 pm eastern time on the date that is six months and twelve days following the date the Transaction was consummated (the Outside Date) if the holder exercised at least 10% of all of its warrants and options on the date the Transaction was consummated for cash and \$0.61 if the holder did not exercise for cash at least 10% of all of its warrants and options on the date the Transaction was consummated; (ii) beginning at 10 pm eastern time on the Outside Date, the exercise price would be \$0.61 for the then-remaining unexercised portion of the Series B Warrants. The amendment further provided that (1) the cashless exercise feature could be exercised at all times (instead of during the period while a registration statement covering the warrant shares was not effective), provided that the cashless feature may not be exercised by holders through the Outside Date who failed to exercise at least 10% of all of such holder's warrants and options for cash on the date the Transaction was consummated; (2) the cashless exercise feature assumes a market price equal to the greater of (a) \$0.53 and (b) the volume weighted average trading price for the 10 trading period ending on the second trading day immediately preceding the applicable date of the exercise notice; and (3) shares of Common Stock issuable upon exercise of the Series B Warrants could be issued in connection with the Transaction through the Outside Date notwithstanding the beneficial ownership limitation provision contained therein.

The terms of the Series C Preferred Stock were amended simultaneously with the consummation of the Transaction to, among other things, (i) lower the conversion price of the Series C Preferred Stock from \$0.80 to \$0.48, (ii) provide for the automatic conversion of all the Series C Preferred Stock into shares of Common Stock immediately following the effectiveness of the amended Series C Preferred Certificate of Designation filed with the State of Nevada and (iii) permit the issuance of shares of Common Stock upon automatic conversion of all the Series C Preferred Stock notwithstanding the beneficial ownership limitation provision contained in the Series C Certificate of Designation.

The terms of the Series C Warrants were amended simultaneously with the consummation of the Transaction to, among other things, lower the exercise price from \$1.00 to \$0.40 for cash exercises and to \$0.45 for cashless exercises beginning at 4:01 pm eastern time on the date the Transaction was consummated. The amendment to the Series C Warrants also provided that (i) the exercise price would be \$0.45 (for cash and on a cashless basis) beginning at 10 pm eastern

time on the date the Transaction was consummated through 9:59 pm eastern time on the Outside Date if the holder exercised at least 10% of all of its warrants and options on the date the Transaction was consummated for cash and \$1.00 if the holder did not exercise for cash at least 10% of all of its warrants and options on the date the Transaction was consummated; (ii) beginning at 10 pm eastern time on the Outside Date, the exercise price would be \$1.00 for the then-remaining unexercised portion of the Series C Warrants. The amendment further provided that (1) the cashless exercise feature could be exercised at all times (instead of during the period while a registration statement covering the warrant shares was not effective), provided that the cashless feature may not be exercised by holders through the Outside Date who failed to exercise at least 10% of all of such holder's warrants and options for cash on the date the Transaction was consummated; (2) the cashless exercise feature assumes a market price equal to the greater of (a) \$0.53 and (b) the volume weighted average trading price for the 10 trading period ending on the second trading day immediately preceding the applicable date of the exercise notice; and (3) shares of Common Stock issuable upon exercise of the Series C Warrants could be issued in connection with the Transaction through the Outside Date notwithstanding the beneficial ownership limitation provision contained therein.

Other than as set forth herein, the Reporting Persons have no plans or proposals which relate to or would result in any of the actions set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D.

The Series B Preferred Stock, the Series C Preferred Stock, the Series B Warrants and the Series C Warrants reported in this Item 4 were acquired from the Issuer in the transactions disclosed in the Forms 8-K filed by the Issuer with the Commission on January 31, 2005 and October 5, 2006, to which reference is hereby made, pursuant to the forms of agreements attached to this Amendment No. 1 as Exhibits 99.2 through 99.11.

Item 5. Interest in Securities of the Issuer.

Item 5 of the Schedule 13D is hereby amended to add the following information:

- (a) - (b) As of the date hereof as a result of the consummation of the Transaction, Crestview beneficially owns 24,145,310 shares of Common Stock, which includes 6,169,056 shares of Common Stock issuable upon exercise of the remaining Series B Warrants held by Crestview. The foregoing represents beneficial ownership of 36.2% of the total number of issued and outstanding shares of Common Stock and is based upon 60,537,534 issued and outstanding shares of Common Stock as disclosed by the Issuer to the Reporting Persons on December 20, 2007 plus the 6,169,056 shares of Common Stock issuable upon exercise of the remaining Series B Warrants held by Crestview. As described above, the terms of the Series B Warrants were amended simultaneously with the consummation of the Transaction to permit the issuance of shares of Common Stock upon exercise of such warrants from the date of consummation of the Transaction through the Outside Date notwithstanding the beneficial ownership limitation contained in such warrants.

Crestview Partners is the sole manager of Crestview, and as such has the power to vote and to dispose of investments beneficially owned by Crestview, including the Common Stock, and thus may also be deemed to beneficially own the above-described shares of Common Stock beneficially owned by Crestview.

Currently, Messrs. Flink, Hoyt and Warsh are the managers of Crestview Partners, and as such may be deemed to share the power to vote and to dispose of investments beneficially owned by Crestview Partners, including the Common Stock; however, each expressly disclaims beneficial ownership of such shares of Common Stock.
