PROXY STATEMENT

These proxy materials are furnished to you in connection with the solicitation of proxies by the Board of Directors of Group 1 Automotive, Inc., for use at our 2002 Annual Meeting of Stockholders. The meeting will be held at JPMorgan Chase, Mezzanine Level, 707 Travis Street, Houston, Texas, on Wednesday, May 22, 2002, at 10:00 a.m. central time. This proxy statement and the enclosed proxy card are being mailed to stockholders beginning on or about April 17, 2002. Because many stockholders are unable to attend the meeting, our Board of Directors solicits proxies from our stockholders to ensure that each stockholder has an opportunity to vote on all matters scheduled to come before the meeting. We urge you to read carefully the material in this proxy statement.

ABOUT THE ANNUAL MEETING

WHAT IS THE PURPOSE OF THE MEETING?

At our annual meeting, stockholders will act upon the matters outlined in the notice of meeting, including the election of directors and consideration of any other matters properly presented at the meeting. In addition, senior management will report on our business and financial performance during fiscal 2001 and respond to your questions.

WHO IS ENTITLED TO VOTE AT THE MEETING?

Only our stockholders as of 5:00 p.m., central time, on March 25, 2002, the record date, are entitled to receive notice of the annual meeting and to vote at the meeting, or any postponements or adjournments of the meeting. On March 25, 2002, there were 22,950,982 shares of common stock outstanding.

HOW MANY VOTES CAN I CAST?

You are entitled to one vote for each share of Group 1 common stock you owned on March 25, 2002 on all matters presented at the meeting.

HOW DO I VOTE MY SHARES?

If you hold your shares as a stockholder of record, you can vote in person at the annual meeting or you can provide a proxy to be voted at the meeting either:

- o over the telephone by calling 1-800-435-6710;
- o electronically, using the Internet, at www.eproxy.com/gpi; or
- o by mailing in the enclosed proxy card.

The telephone and Internet voting procedures have been set up for your convenience and have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been recorded properly. If you are a stockholder of record and you would like to vote by telephone or by using the Internet, please refer to the specific instructions set forth on the enclosed proxy card. If you wish to vote using a

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

paper format and you return your signed proxy to us before the annual meeting, we will vote your shares as you direct.

If you choose to submit your proxy with voting instructions by telephone or through the Internet, you will be required to provide your assigned control number located on the enclosed proxy card before your proxy will be accepted. In addition to the instructions that appear on the enclosed proxy card and information sheet, step-by-step instructions will be provided by recorded telephone message or at the designated Web site on the Internet. Once you have voted, in accordance with those instructions, you will receive confirmation that your proxy has been successfully submitted.

If you hold your shares in "street name," you will receive instructions from your bank, broker or other nominee describing how to vote your shares. If you do not instruct your broker or nominee how to vote such shares, they may vote your shares as they decide as to each matter for which they have discretionary authority under the New York Stock Exchange Rules.

If you vote by granting a proxy, Messrs. Hollingsworth and Thompson will vote the shares of which you are the stockholder of record in accordance with your instructions. If you submit a proxy card without giving specific voting instructions, Messrs. Hollingsworth and Thompson will vote those shares as recommended by our Board of Directors.

WHAT IS THE DIFFERENCE BETWEEN A STOCKHOLDER OF RECORD AND A "STREET NAME" HOLDER?

If your shares are registered directly in your name with Mellon Investor Services, LLC, our stock transfer agent, you are considered the stockholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of these shares, and your shares are held in "street name."

HOW DO I VOTE MY SHARES IN PERSON AT THE MEETING?

If you are a stockholder of record, you may vote your shares at the meeting by completing a ballot at the meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you currently plan to attend the annual meeting in person, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the meeting. If you hold your shares in "street name," you may only vote those shares in person if you obtain a signed proxy from your broker or other nominee giving you the right to vote the shares.

CAN I REVOKE MY PROXY?

Yes. You can revoke your proxy at any time before it is exercised by:

- o submitting written notice of revocation to our Secretary;
- o submitting another proxy by telephone, via the Internet or by mail that is later dated and, if by mail, that is properly signed; or
- o attending our meeting and voting your shares in person.

WHAT VOTE IS REQUIRED TO APPROVE THE ELECTION OF DIRECTORS?

In the election of directors, you may either vote "FOR" the nominee or

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

"WITHHOLD" your vote for the nominee. Abstentions and broker non-votes will have no effect on the outcome of the election of the director. If the nominee receives a plurality of the votes cast, that is, more votes "FOR" than "WITHHOLD", he will be elected to the Board of Directors.

Abstentions occur when stockholders are present at the annual meeting but choose to withhold their vote for any of the matters upon which the stockholders are voting. "Broker non-votes" occur when nominees (such as banks and

2

brokers) that hold shares on behalf of beneficial owners do not receive voting instructions from the beneficial owners before the meeting and do not have discretionary authority to vote those shares.

HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSAL?

The Board recommends that you vote:

- o FOR the nominee for director.

WHAT IS A QUORUM?

A quorum is the presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares as of the record date. There must be a quorum for the meeting to be held. If you submit a valid proxy card or attend the meeting, your shares will be counted to determine whether there is a quorum. Abstentions and broker non-votes will be counted toward the quorum.

MAY I PROPOSE ACTIONS FOR CONSIDERATION AT NEXT YEAR'S ANNUAL MEETING OF STOCKHOLDERS OR NOMINATE INDIVIDUALS TO SERVE AS DIRECTORS?

You may submit proposals for consideration at future stockholder meetings, including director nominations. In order for a stockholder proposal, including a director nomination, to be considered for inclusion in our proxy statement for next year's annual meeting, the written proposal must be received by us no later than December 16, 2002. The proposal must comply with regulations of the Securities and Exchange Commission regarding the inclusion of stockholder proposals in company-sponsored proxy materials and must contain the information required by our bylaws.

THE PROPOSAL

PROPOSAL 1 - ELECTION OF DIRECTORS

According to our bylaws, nominees for election as directors at our annual meetings who receive the greatest number of votes cast for election by our stockholders are elected as directors. As a result, abstentions and broker non-votes will have no effect on the outcome of the election of directors assuming a quorum is present or represented by proxy at the annual meeting. Stockholders may not cumulate their votes in the election of our directors.

Our Certificate of Incorporation provides for a classified Board of Directors. The directors are divided into three classes, with each class serving for a period of three years. As a result, the stockholders elect approximately one-third of the members of our Board of Directors annually. You are being asked to elect one director at this annual meeting. Our remaining directors will not be required to stand for election at the annual meeting because their present terms expire in either 2003 or 2004.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Unless otherwise instructed or unless authority to vote is withheld, the enclosed proxy will be voted for the election of the nominee listed in this proxy statement. We have no reason to believe that the nominee will be unable or unwilling to serve if elected. However, if a nominee should become unable or unwilling to serve for any reason, proxies may be voted for another person nominated as a substitute by our Board of Directors, or the Board may reduce the number of directors.

3

The following table sets forth certain information, as of the date of this Proxy Statement, regarding the nominee and the other directors of Group 1.

Our Restated Certificate of Incorporation and Bylaws provide that our directors shall be divided among the three classes as nearly equal in number as possible. The two directors who previously served as Class III directors, John H. Duncan and Charles M. Smith, are not standing for re-election. The Board of Directors has nominated only one person to serve as a director in Class III, which leaves a temporary imbalance among the classes of directors. RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

We normally submit for ratification by our stockholders the independent auditors appointed by the Board of Directors. Arthur Andersen LLP has been our independent audit firm since our inception. We have been pleased with the services of Arthur Andersen LLP over those many years. Arthur Andersen LLP has provided us high quality audit services, and its long - term knowledge of our operations has enabled it to carry out its audits effectively and efficiently.

The Board of Directors had earlier approved the appointment of Arthur Andersen LLP as our independent auditors for the year ending December 31, 2002. In accordance with the recommendation of the Audit Committee, the Board of Directors, in light of recent events, has requested that our management interview firms other than

5

Arthur Andersen LLP for audit work to be performed for the year ending December 31, 2002. The Audit Committee will review the results of the interview process with the goal of recommending to the Board of Directors a proposed independent auditor, which may or may not be Arthur Andersen LLP, during the second quarter of 2002.

Since this process will not be completed prior to the date we will mail the proxy statement to our stockholders, the Board of Directors is not recommending any independent auditors for ratification at the Annual Meeting of Stockholders.

VOTING OF SHARES COVERED BY PROXIES

We are not aware of any other matters that will be properly brought before the annual meeting. However, if any additional matters are properly brought before the annual meeting, Messrs. Hollingsworth and Thompson will vote as recommended by our Board of Directors or, if no recommendation is given, in accordance with their judgment. The accompanying form of proxy has been prepared at the direction of our Board of Directors and is being sent to you at the request of our Board of Directors. Messrs. Hollingsworth and Thompson were designated to be your proxies by our Board of Directors.

BOARD MEETINGS AND COMMITTEES

The Board of Directors held nine meetings in fiscal year 2001. During the fiscal year, all directors attended at least 95% of the meetings of the Board of

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Directors and of the committees on which each served.

Our Board of Directors has established two standing committees to assist it in discharging its responsibilities: an Audit Committee and a Compensation Committee. We do not have a standing nominating committee. The Audit Committee and the Compensation Committee are comprised entirely of outside directors.

AUDIT COMMITTEE

Our Audit Committee functions in an oversight role to provide reasonable assurance that the following objectives are achieved:

- o Financial Reporting Process -- Our financial statements are presented fairly in conformity with generally accepted accounting principles.
- o System of Internal Controls -- Our system of internal controls provides reasonable assurance as to the reliability of financial statements and the protection of assets from unauthorized acquisition, use, or disposition.
- o Corporate Compliance Process -- We are in reasonable compliance with pertinent laws and regulations, are conducting our affairs ethically, and are maintaining effective controls against employee conflict of interest and fraud.

In that connection, the Audit Committee recommends the selection, and evaluates the performance, of our independent auditors, reviews the Company's annual and quarterly financial statements and confirms the independence of our independent auditors. The Audit Committee also meets with our management and external auditors regarding the adequacy of our financial controls and our compliance with legal, tax and regulatory matters and significant Company policies. While the Audit Committee has the responsibilities and powers set forth in its Charter, it is not the duty of the Audit Committee to plan or conduct audits, to determine that our financial statements are complete and accurate or to determine that such statements are in accordance with generally accepted accounting principles. Our management is responsible for the preparation of our financial statements in accordance with generally accepted accounting principles and our internal controls. Our independent auditors are responsible for the audit work on our financial statements. It is also not the duty of the Committee to conduct investigations or to assure compliance with laws and regulations and our policies and procedures. Our management is responsible for compliance with laws and regulations and compliance with the Company's policies and procedures.

6

The Board of Directors has adopted the Audit Committee Charter, as amended, which is attached as Appendix A to this Proxy Statement. During fiscal year 2001, the Audit Committee met six times and consisted of Mr. Adams (Chairman), Mr. Bidwell and Mr. Duncan. Our Audit Committee is comprised solely of independent directors who meet the Audit Committee requirements set forth in the New York Stock Exchange's listing standards. Mr. Duncan has elected not to stand for re-election to the Board of Directors. As such, his successor on the Audit Committee will be elected by our Board of Directors following this Annual Meeting of Stockholders.

The Audit Committee Report is set forth on page 8 of this Proxy Statement.

COMPENSATION COMMITTEE

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Our Compensation Committee is comprised solely of independent directors. The Compensation Committee approves the compensation levels and terms of employment for our executive officers, including salary and bonus levels. In addition, the Compensation Committee oversees our stock option, stock purchase and deferred compensation plans. The Compensation Committee, consisting of Mr. Duncan (Chairman), Mr. Adams, Mr. Bidwell and Mr. Watson, held five meetings during fiscal year 2001. Mr. Duncan is a current member of our Board of Directors whose term of office as a director will expire after this year's Annual Meeting of Stockholders. Mr. Duncan has elected not to stand for re-election to the Board of Directors. As such, his successor on the Compensation Committee will be elected by our Board of Directors following this Annual Meeting of Stockholders.

Our directors also receive a fee of \$1,500 for attendance at each Board meeting and a fee of \$1,000 for attendance at each meeting of a committee of the Board. Beginning in March 2002, Chairs of the committees of the Board will receive an additional \$4,000 annual fee for serving in that capacity. AUDIT COMMITTEE REPORT

Our Audit Committee is composed of independent directors and operates under a written charter adopted by our Board of Directors. A copy of the charter is included as Appendix A of this Proxy Statement. The Audit Committee recommends to the Board of Directors the selection of our independent public accountants.

Our management is responsible for our internal controls and the financial reporting process. The independent public accountants are responsible for performing an independent audit of our consolidated financial statements and issuing an opinion on the conformity of those audited financial statements with generally accepted accounting principles in the United States. The Audit Committee monitors our financial reporting process and reports to the Board of Directors on its findings.

Arthur Andersen LLP served as our independent public accountants in 2001. During fiscal year 2001, the Audit Committee reviewed and discussed with management and Arthur Andersen LLP the audited financial statements contained in our Annual Report on Form 10-K for the year ended December 31, 2001. The Audit Committee also discussed with Arthur Andersen LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

Arthur Andersen submitted to the Audit Committee the written disclosures and the letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees). The Audit Committee discussed with Arthur Andersen LLP such firm's independence. The Audit Committee has also considered whether the provision of non-audit services to our company by Arthur Andersen LLP is compatible with maintaining their independence.

Based on our review with management and the auditors of our audited consolidated financial statements and the auditors' report on such financial statements, and based on the discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

Audit Committee:

John L. Adams (Chairman)
Bennett E. Bidwell

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

BACKGROUND

The executive compensation program is designed to attract, motivate and retain executives who are key to our long-term success. In this process, we want to align an executive's compensation with Group 1's attainment of business goals and an increase in stockholder value. To achieve this goal, we have adopted both short-term and long-term incentive compensation plans that are dependent upon our performance. The Compensation Committee reviews executive compensation and makes appropriate adjustments based on company performance, achievement of predetermined goals, and changes in an executive's duties and responsibilities. The compensation of other Group 1 employees is based on a similar philosophy.

Base Salary. Group 1 and the Compensation Committee have established a pay-for-performance philosophy by providing base salaries that generally fall in the 50th percentile of companies in the compensation study, with complimentary incentive compensation programs. Executive salary levels have been and will continue to be based on market salary levels, individual performance and the financial performance of Group 1.

Incentive Compensation. The Compensation Committee has adopted an incentive compensation program for its executive officers that is based on the earnings per share of Group 1. Dependent upon the earnings per share target achieved, for the year ended December 31, 2002, these individuals could earn bonuses up to 150 percent of their base compensation, which generally falls in the 75th percentile of companies in the compensation study.

Deferred Compensation Plan. The deferred compensation plan is designed to provide key executives with the opportunity to accumulate additional savings for retirement on a tax-deferred basis. Participants in the plan are allowed to defer receipt of a portion of their salary and/or bonus compensation earned. The participants can choose from various defined investment options to determine their earnings crediting rate; however, Group 1 has complete discretion over how the funds are utilized and these funds represent an unsecured obligation of Group 1 to the participants. Participation in this plan is limited to a select group of management and highly compensated employees.

Stock Option Plan. Stock options are granted to employees, including executive officers, to align their long-term interests with those of our stockholders. Additionally, it allows them to develop and maintain a potentially significant equity ownership position in Group 1.

Employee Stock Purchase Plan. Generally, under this plan, all employees, including the executive officers, are offered the opportunity to purchase a limited amount of Group 1 common stock at a 15% discount to market. This is an additional equity incentive we offer to all of our employees to further promote the enhancement of stockholder value.

CURRENT YEAR

The Compensation Committee consults from time to time with Towers Perrin, a consulting firm experienced in executive compensation, and with access to national compensation surveys and our financial records. The Compensation Committee reviews each element of compensation to ensure that the total compensation delivered reflects Company performance with input on market

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

competitiveness. In the last review, the Compensation Committee confirmed that the executive compensation program met the targeted objectives.

Chief Executive Officer Compensation. As described above, our executive compensation philosophy is based on providing competitive base salaries with complimentary incentive compensation programs, including the compensation of our Chief Executive Officer, B.B. Hollingsworth, Jr. The following discussion summarizes Mr. Hollingsworth's compensation for 2001.

10

Base Salary. Mr. Hollingsworth's base salary was increased 26% during 2001 to \$600,000. The base salary portion of Mr. Hollingsworth's compensation is targeted to provide a salary that approximates the 50th percentile of those provided by peer group companies in the compensation study, after considering relative performance of the companies.

Incentive Compensation. Mr. Hollingsworth earned incentive compensation of \$712,500 during 2001. Mr. Hollingsworth received the highest level of incentive compensation achievable, as Group 1's earnings per share for the year exceeded the highest target for the year. Earnings per share increased 38% from \$1.88 in 2000 to \$2.59 in 2001. Mr. Hollingsworth's target total cash compensation (current salary plus target bonus) is designed to fall in the 50th percentile of the peer group companies in the compensation study. If Group 1 achieves the highest goal for 2002 as determined by the Compensation Committee of the Board of Directors, Mr. Hollingsworth's total cash compensation will fall in the 75th percentile of the peer group companies.

Stock Option Plan. Mr. Hollingsworth was granted options to purchase 50,000 shares of our common stock, under our 1996 Stock Incentive Plan. This award was given in recognition of our earnings performance in 2001. This award fell below the 50th percentile of the peer group companies in the compensation study.

Split-Dollar Arrangement. On January 23, 2002, a trust established by Mr. and Mrs. Hollingsworth entered into a Split-Dollar Arrangement with us whereby Group 1, with the approval of the Compensation Committee of the Board of Directors, agreed to make advances of the portion of the premiums not related to term insurance payable on a life insurance policy purchased by the trust on the joint lives of Mr. and Mrs. Hollingsworth. We will pay the entire premium on the policies each year, for a minimum of seven years. Premiums paid by Group 1 will be approximately \$300,000 per year. The face amount of the policy is \$7.5 million. The Company is entitled to reimbursement of the amounts advanced, without interest, upon the first to occur of (a) the death of the survivor of Mr. and Mrs. Hollingsworth or (b) the termination of the agreement. In no event will the Company's reimbursement exceed the accumulated cash value, which will be less than the premiums paid in the early years. The agreement terminates upon the later to occur of the following: (a) Mr. Hollingsworth ceases to be an officer, director, consultant or employee of Group 1 for any reason other than total and permanent disability; or (b) fifteen years from the date of the agreement. The policy will be assigned to Group 1 as security for repayment of the amounts which we will contribute towards payments due on such policy.

Tax Deductions for Compensation. In conducting the programs applicable to executives, the Compensation Committee considers the effects of section 162(m) of the Internal Revenue Code, which denies publicly held companies a tax deduction for annual compensation in excess of one million dollars paid to their chief executive officer or any of their four other most highly compensated executive officers who are employed on the last day of a given year, unless their compensation is based on performance criteria that are established by a committee of outside directors and approved, as to their material terms, by that

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

company's stockholders. Our stock option plan is generally designed and implemented so that it qualifies for full deductibility under section 162(m). However, certain compensation or awards may be granted under this plan that do not qualify under section 162(m). In addition, the portion of total salary and bonus compensation that exceeds one million dollars for each of our Chief Executive Officer and our four other most highly compensated executive officers does not so qualify and is subject to the limitation on deductibility under section 162(m). As a result, we may from time to time pay compensation to our executive officers that is not deductible.

Respectfully submitted by the Compensation Committee of the Board of Directors of Group 1,

John H. Duncan (Chairman)
 John L. Adams
 Bennett E. Bidwell
 Max P. Watson, Jr.

EMPLOYMENT AGREEMENTS

Each of our executive officers has entered into employment agreements with us. As of March 1, 2002, Mr. Hollingsworth entered into a new employment agreement with us. Messrs. Turner and Thompson entered into employment agreements with us dated November 3, 1997 and Mr. Bishop entered into an employment agreement with us dated October 7, 1998. The employment agreements, as amended, currently provide for the following annual base salaries: B.B. Hollingsworth, Jr. -- \$600,000; John T. Turner -- \$400,000; Scott L. Thompson -- \$400,000 and John S. Bishop -- \$350,000. The employment agreements also provide that these officers' participation in bonus plans will be governed by the bonus and incentive plans adopted by the Compensation Committee of our Board of Directors.

Mr. Hollingsworth's new employment agreement extends through November 2, 2005. The terms of his employment agreement are substantially the same as the employment agreements of the other executive officers, with the following exceptions. In the event of an "involuntary termination" of Mr. Hollingsworth's employment, Mr. Hollingsworth may terminate his employment with Group 1 and receive his salary plus his incentive bonus for the year prior to his

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

termination for each year remaining on his employment agreement. An "involuntary termination" includes termination of Mr. Hollingsworth by Group 1 without cause, a material breach of Mr. Hollingsworth's employment agreement by Group 1 or the dissolution, merger, sale of substantially all of the assets or a change of control of Group 1. In addition, on an involuntary termination, Mr. Hollingsworth's stock options shall become 100% vested and the exercise of those stock options shall continue to be permitted as if his employment had continued for the full term of his employment agreement. Upon Mr. Hollingsworth's death or disability his stock options shall become 100% vested. Mr. Hollingsworth has agreed not to compete with Group 1 for a period of two years after termination of his employment and not to induce any employee of Group 1 to leave his or her employment with Group 1 or hire any employee of Group 1 for a period of three years after termination of his employment.

The employment agreements for Messrs. Turner, Thompson and Bishop expire on November 2, 2002, November 2, 2002 and October 6, 2003, respectively. Unless terminated or not renewed by us or those persons, the term of

14

each employment agreement will continue thereafter on a month-to-month basis terminable at any time by either us or any of them, with or without cause, upon thirty days notice. In the event of a termination of employment by us without cause or by those persons due to an uncorrected material breach of the employment agreement by us, those persons shall be entitled to receive their base salary paid bi-weekly until the end of his contract term.

We are not obligated to pay any amounts to Messrs. Turner, Thompson or Bishop other than his pro rata base salary through the date of his or her termination upon:

- o voluntary termination of employment by the employee;
- o termination of employment by us for cause, as defined in the employment agreements;
- o death of the employee; or
- o long-term disability of the employee.

During the period of employment and for a period of three years after termination of employment, Messrs. Turner, Thompson or Bishop are generally prohibited from competing or assisting others to compete with Group 1. In addition, during the period of employment and for a period of five years after termination of employment, Messrs. Turner, Thompson or Bishop are generally prohibited from inducing any other employee to terminate employment with Group 1.

Charles Smith retired and resigned as a director and officer of Group 1 effective November 2, 2001. Mr. Smith has entered into a consulting agreement with Group 1 and under the terms of the agreement, he has agreed to make himself available to consult on matters involving Group 1 until November 2, 2004. Mr. Smith's consulting agreement pays \$7,652 per month through October 31, 2002. Beginning in November 2002 through the expiration of his consulting agreement, Mr. Smith will be paid \$9,852 per month. As part of Mr. Smith's retirement and consulting agreement, the Company accelerated 6,000 of his stock options that were scheduled to vest on November 9, 2002, and Mr. Smith's remaining 12,000 unvested stock options were cancelled.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Max P. Watson, Jr., one of our directors and a member of our Compensation Committee, is the brother of John S. Watson, the Secretary of Group 1 and a partner at Vinson & Elkins L.L.P., our legal counsel.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Set forth below is a description of certain transactions entered into between our company and certain of our officers, directors and large stockholders.

Bob Howard Dealership Acquisitions

Bob Howard informed Mr. Hollingsworth that upon the expiration of his current employment agreement on November 1, 2002, he planned to retire as an employee of the Company, and as part of his retirement plan he would like to acquire an automobile dealership in Oklahoma City. Mr. Hollingsworth informed Mr. Howard that, subject to the approval of the Board waiving Group 1's conflict of interest policy and the non-competition provisions in Mr. Howard's employment agreement, he would have no objection to Mr. Howard acquiring a limited number of dealerships in Oklahoma City that Group 1 could not acquire. After the Board waived the Company's conflict of interest policy and the non-competition provisions of Mr. Howard's employment agreement with respect to the acquisitions of those dealerships, Mr. Howard then proceeded to acquire Ford, Lincoln-Mercury, Jaguar and Volvo dealerships in Oklahoma City, none of which Group 1 could acquire, as the manufacturer-owner targeted the sale of these dealerships to individuals. Mr. Howard has agreed to reimburse Group 1 for the services of Group 1 that he utilizes in connection with those dealerships and to reimburse Group 1 for the portion of his time that he spends on those dealerships while he is an employee of Group 1. In addition Mr. Howard will locate the Jaguar and Volvo dealerships in a vacant building owned by Group 1, adjacent to our Mercedes dealership, for which Mr. Howard will pay us rent at a market rate.

Leases

We generally seek to enter into lease agreements that have 30 year terms and are cancelable at our option at various times during the lease term. As a result, we lease a majority of our facilities at what are believed to be market terms.

North Broadway Real Estate, an Oklahoma limited liability company, owned 50% by Mr. Howard and 50% by an unrelated third party, leases the real estate and facilities of one of our collision repair centers to us. This lease provides for a monthly rental rate of \$9,000, and requires us to pay all applicable property taxes, maintain adequate insurance and, if necessary, repair or replace the leased building. The lease term is month-to-month.

Bob Howard Automall, one of our subsidiaries, leases two properties owned by Mr. Howard and used by Bob Howard Automall as automobile dealerships in Oklahoma City, Oklahoma. These leases provide for monthly rental payments of \$85,862.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Bob Howard Chevrolet, one of our subsidiaries, leases property owned by Mr. Howard and used by Bob Howard Chevrolet as an automobile dealership in Oklahoma City, Oklahoma. The lease relating to this property provides for monthly rental payments of \$48,500.

18

Bob Howard Toyota, one of our subsidiaries, leases property owned by Mr. Howard and used by Bob Howard Toyota as an automobile dealership in Oklahoma City, Oklahoma. The lease relating to this property provides for monthly rental payments of \$33,500.

Mike Smith Autoplaza, one of our subsidiaries, leases property owned by a general partnership, of which the children of Mr. Smith are partners. The property is used by Mike Smith Autoplaza as an automobile dealership in Beaumont, Texas. The lease provides for monthly rental payments of \$46,500.

Stock Repurchases

During 2000, we were authorized by our Board of Directors to repurchase a portion of our common stock. The repurchases completed to date have been through public and private transactions. During 2001, 30,000 shares were repurchased from Kevin H. Whalen at a market price of \$9.50 per share and 200,000 shares from Sterling B. McCall, Jr. at a market price of \$12.54 per share.

Registration Agreement

Mr. Howard has entered into a registration agreement with us. Under the agreement, we included 700,000 shares of Group 1 common stock owned by Mr. Howard in a registration statement that we were filing for our benefit, in return for Mr. Howard's agreement not to sell any shares of Group 1 common stock owned by him, except for shares of common stock sold pursuant to the registration statement, until the earlier of (i) the first business day immediately following the consummation of the sale of all his shares of common stock covered by the registration statement or (ii) the first business day immediately following the termination of the registration agreement by Mr. Howard or us. The registration agreement allows us to defer the sale by Mr. Howard of any shares of common stock covered by this registration statement under certain circumstances. We agreed to pay all expenses incurred in connection with the registration statement, other than expenses directly attributable to the inclusion of Mr. Howard's shares of our common stock in the registration statement. In addition, Mr. Howard agreed to pay any underwriters' discounts and commissions applicable to his shares of common stock covered by the registration statement as well as the costs for experts or professionals, including counsel, employed by Mr. Howard or on his behalf in connection with the registration of his shares under the registration agreement. We have agreed to indemnify Mr. Howard for liabilities arising under the Securities Act with respect to any offering of his shares under the registration statement, other than liabilities arising from information furnished by Mr. Howard. Mr. Howard has agreed to indemnify us for liabilities arising under the Securities Act with respect to any such offering as a result of information furnished by him. As of March 5, 2002, Mr. Howard has sold 300,000 of the 700,000 shares covered in the registration agreement.

For any other business that a stockholder desires to bring before an annual meeting, the stockholder must provide a brief description of such business, the reasons for conducting such business and any material interest in such business of the stockholder and any beneficial owner on whose behalf the stockholder has made the proposal. owner.

If we increase the number of directors to be elected at an annual meeting, we must make a public announcement naming all of the nominees for director and specifying the size of the increased Board of Directors at least 80 days prior to the first anniversary of the preceding year's annual meeting. However, if we fail to make such an announcement, a stockholder's notice regarding the nominees for the new positions created by such increase will be considered timely if it is delivered to our Secretary at the address indicated on page 1 of this proxy statement not later than the close of business on the 10th day following the day on which the public announcement is first made.
