NOTES TO CONDENSED FINANCIAL INFORMATION
DECEMBER 31, 2005

NOTE 1 BASIS OF PRESENTATION

The accompanying financial statements have been prepared to present the unconsolidated financial position, results of operations and cash flows of McDermott International, Inc. (Parent Company Only). Investments in subsidiaries and other investees are stated under the equity basis of accounting, which is at cost plus equity in undistributed earnings from date of acquisition. These Parent Company Only financial statements should be read in conjunction with McDermott International, Inc.'s consolidated financial statements filed in the Annual Report on Form 10-K.

NOTE 2 CONTINGENCIES

As of December 31, 2006, McDermott International, Inc. (MII) had outstanding performance guarantees for one contract executed by Volund, a subsidiary of The Babcock & Wilcox Company (B&W). This guarantee will expire on December 31, 2007 and has an aggregate cap of \$0.8 million. This project has been completed.

Additionally, as of December 31, 2006, MII had outstanding performance guarantees for two contracts executed by one of B&W's Canadian subsidiaries. The total contract value of these projects was approximately \$300 million, and the warranty periods extend to the years 2023 and 2024. These projects have also been completed and are in the warranty periods.

Also as of December 31, 2006, MII had an outstanding performance guarantee for a contract executed by B&W with TXU Corp. This guarantee will expire in 2014 and has a cap of \$490 million.

MII has never had to satisfy a performance guaranty for Volund or B&W. Under the terms of an agreement between MII and B&W, B&W must reimburse MII for any costs MII may incur under any of these performance guarantees. As of December 31, 2006, B&W had sufficient liquidity to cover its obligations under this agreement. However, if Volund incurs and is unable to satisfy substantial warranty liabilities on these projects prior to expiration of the guaranty periods and B&W is not able to satisfy its contractual obligation to MII, and such liabilities are not covered by insurance, MII would be liable.

MII has agreed to indemnify certain surety companies for obligations of various subsidiaries of MII under surety bonds issued to meet various contracting and statutory requirements. As of December 31, 2006, the aggregate outstanding amount of surety bonds that were guaranteed by MII and issued in connection with the business operations of its subsidiaries was approximately \$15.7 million.

One of B&W's Canadian subsidiaries has received notice of a possible warranty claim on one of its projects on a contract executed in 1998. This project included a limited-term performance bond totaling approximately \$140 million for which MII entered into an indemnity arrangement with the surety underwriters. At this time, B&W's subsidiary continues to analyze the facts and circumstances surrounding this issue. It is possible that B&W's subsidiary may incur warranty costs in excess of amounts provided for as of December 31, 2006. It is also possible that a claim could be initiated by the B&W subsidiary's customer against the surety underwriter should certain events occur. If such a claim were successful, the surety could seek to recover from B&W's subsidiary the costs incurred in satisfying the customer claim. If the surety seeks recovery from B&W's subsidiary, we believe that B&W's subsidiary would have adequate liquidity to satisfy its obligations. However, if claims are made by the surety against B&W's subsidiary, and B&W's subsidiary is unable to satisfy its obligations, MII could ultimately have to satisfy any claims. This surety bond is not included in our disclosures above as the project is deemed complete and in the warranty phase. In addition, Babcock & Wilcox Companies (B&WC) has provided a parent company guarantee to the customer of the B&W subsidiary for contract performance associated with this project.

NOTE 3 DIVIDENDS RECEIVED

McDermott International, Inc. received dividends from its consolidated subsidiaries of \$122.7 million, \$0.3 million and \$5.7 million for the years ended December 31, 2006, 2005 and 2004, respectively.

Table of Contents

NOTE 4 DISCONTINUED OPERATIONS

In April 2006, J. Ray McDermott, S.A., a wholly owned subsidiary of MII, completed the sale of its Mexican subsidiary, Talleres Navales del Golfo, S.A. de C.V. (TNG). Income (loss) from discontinued operations related to TNG of \$12.9 million, \$0.1 million and (\$3.2) million was included in equity in income of subsidiaries and other investees for the years ended December 31, 2006, 2005 and 2004, respectively.

NOTE 5 COMMON STOCK SPLIT

On May 3, 2006, the Board of Directors declared a three-for-two stock split effected in the form of a stock dividend. The dividend was paid on May 31, 2006 to stockholders of record as of the close of business on May 17, 2006. All balance sheets presented have been restated to reflect the effect of the stock split. For the year ended December 31, 2005, capital in excess of par value was reduced by \$36.9 million and common stock was increased by \$36.9 million.
